Operating Instructions: Table Extension

The dining table features a smooth-gliding extension mechanism to adjust its size for different seating needs.

To Extend the Table:

1. **Unlock:** Pull both halves of the tabletop apart.
2. **Flip:** Access the extension plate latch and flip it open.
3. **Attach:** Place the extendable board into the center opening.
4. **Secure:** Close the extension plate latch to lock the extension in place.

To Compact the Table:

1. **Unlock:** Pull both halves of the tabletop apart.
2. **Remove:** Fold and remove the extendable board.
3. **Store:** Place the removed board into the built-in storage layer beneath the table.
4. **Lock:** Push the table halves together and secure the lock for a seamless fit.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills immediately to prevent staining, especially on the MDF surfaces.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Protection:** Use placemats or coasters to protect the tabletop from heat, moisture, and scratches.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or warping.

Troubleshooting

Issue: Chairs or Benches are Wobbly

Solution: Re-adjust and re-tighten all screws on the chair and bench frames. Ensure they are on a level surface.

Issue: Tabletop does not extend or retract smoothly

Solution: Check the sliding rails for any obstructions. Ensure the extension plate latch is fully disengaged or engaged as needed. Lubricate the slides if necessary with a silicone-based lubricant.

Issue: Missing parts or hardware

Solution: Refer to the package contents list. If parts are genuinely missing, contact iPormis customer support for assistance.
