

Tribesigns HOGA-MM0007

Tribesigns 5-Tier Arched Bookshelf Instruction Manual

Model: HOGA-MM0007

1. INTRODUCTION

Thank you for choosing the Tribesigns 5-Tier Arched Bookshelf. This manual provides detailed instructions for assembly, usage, maintenance, and safety to ensure optimal performance and longevity of your product. Please read this manual thoroughly before assembly and retain it for future reference.

This natural wood shelving unit combines contemporary aesthetics with functional design, featuring a striking arched structure that serves as both a central decorative element and a versatile organizational solution for modern living spaces.

2. PRODUCT FEATURES

- **Unique Arched Design:** This natural wood shelving unit features a striking arched structure, combining contemporary aesthetics with functional design.
- **Ample Storage:** Equipped with 5 tiers, this bookshelf neatly organizes various items such as books, ornaments, and plants, meeting daily storage needs and displaying favorite items.
- **Versatile Display Shelf:** The open design ensures easy access and visibility of items. Its minimalist style adapts to any space as a bookshelf, display shelf, or storage unit.
- **Robust Construction:** Made from high-quality E1 particle board, this floor-standing bookshelf ensures remarkable solidity. The anti-scratch surface resists daily wear.
- **Easy Assembly:** Simple structure and detailed instructions facilitate quick assembly.

Open Shelves

Convenient storage and retrieval of books

3. SETUP AND ASSEMBLY

Before starting assembly, ensure all parts are present and undamaged. Refer to the included hardware list and diagrams. Assembly is designed to be straightforward with the provided instructions.

3.1 Unpacking and Inspection

1. Carefully open the packaging and remove all components.
2. Check the parts list against the contents to ensure nothing is missing.
3. Inspect all parts for any damage. If any parts are damaged or missing, contact customer support before proceeding.

3.2 Assembly Steps

Follow the detailed diagrams provided in the separate assembly guide. General steps include:

- Attach the side panels to the base.

- Insert the shelves into the designated slots, ensuring they are securely fastened.
- Secure the top arched panel.
- Install the anti-tip kit to a wall stud for safety.

4. OPERATING AND USAGE

The Tribesigns 5-Tier Arched Bookshelf is designed for displaying and storing various items in your living room, office, or bedroom.

4.1 Placement

- Place the bookshelf on a flat, stable surface to prevent wobbling.
- Avoid placing the unit in direct sunlight or near heat sources to prevent material degradation.
- Ensure the anti-tip kit is properly installed, especially in households with children or pets.

4.2 Loading Capacity

Each shelf is designed to support a maximum load of 20 kg (approximately 44 lbs). Distribute weight evenly across the shelves to maintain stability and prevent damage.

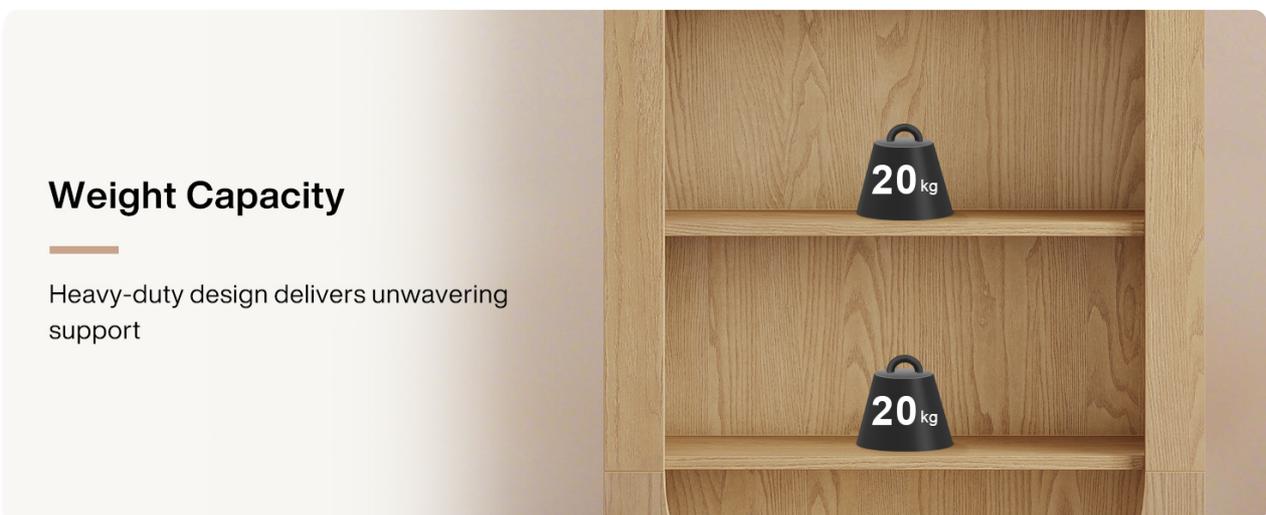

Image: Visual representation of the 20 kg weight capacity per shelf, highlighting the robust design.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your bookshelf.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Protection:** Use coasters or protective pads under items that might scratch the shelves.
- **Environmental Conditions:** Maintain a stable room temperature and humidity level. Extreme fluctuations can cause wood to warp or crack.

6. TROUBLESHOOTING

If you encounter any issues with your Tribesigns bookshelf, refer to the following common solutions:

Problem	Possible Cause	Solution
Bookshelf is wobbly	Uneven floor; loose connections; anti-tip kit not installed.	Adjust leveling feet (if present) or place shims under the base. Tighten all screws. Install the anti-tip kit securely to a wall stud.
Parts do not fit	Incorrect orientation; wrong parts used.	Refer to the assembly diagrams to ensure correct orientation and use of parts. Do not force parts together.
Scratches on surface	Sharp objects; abrasive cleaning.	Use furniture polish or touch-up pens for minor scratches. Avoid placing sharp objects directly on the surface.

If the problem persists, please contact Tribesigns customer support.

7. SPECIFICATIONS

Attribute	Detail

8. SAFETY INFORMATION

Adhere to the following safety guidelines to prevent injury or damage:

- Assemble carefully following the provided instructions.
- Do not exceed the maximum load capacity for each shelf (20 kg).
- Install the anti-tip kit to prevent the bookshelf from tipping over, especially important for households with children.
- Keep small parts and assembly tools out of reach of children.
- Do not climb on or hang from the bookshelf.

9. WARRANTY AND SUPPORT

Tribesigns products are manufactured with quality and durability in mind. For warranty information, missing parts, or assembly assistance, please contact Tribesigns customer support directly through their official website or the retailer where the product was purchased.

Please have your model number (HOGA-MM0007) and purchase details ready when contacting support.
