

## Unikito DKY-89.3

# Unikito DKY-89.3 Extendable Closet System with Mirror and Drawers

Model: DKY-89.3 | Brand: Unikito

## 1. INTRODUCTION

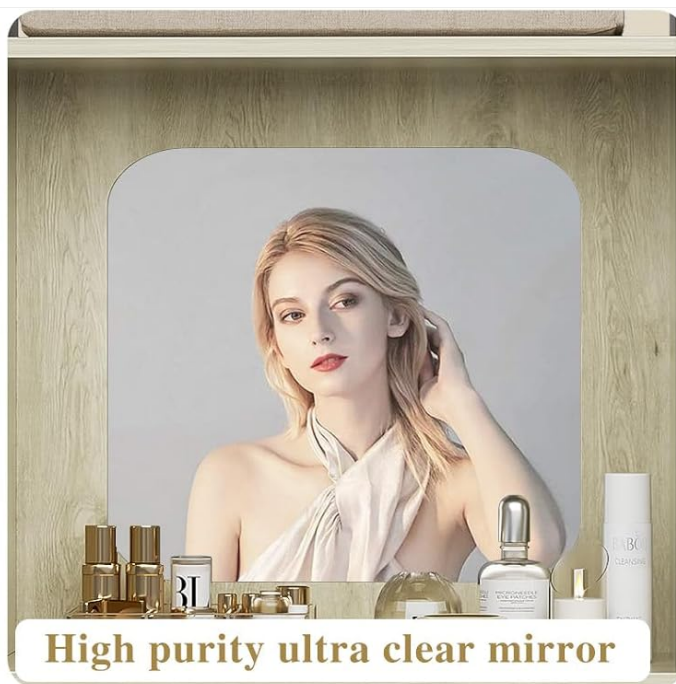

This manual provides comprehensive instructions for the assembly, configuration, usage, and maintenance of your Unikito DKY-89.3 Extendable Closet System. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This closet system is designed to offer versatile storage solutions for various spaces, featuring adjustable components and a sturdy construction.

## 2. PRODUCT FEATURES

- **Spacious and Functional Design:** Includes three extendable hanging rods suitable for various clothing lengths (coats, dresses, skirts, slacks, sweaters) and three spacious drawers for concealed storage of clothes, lingerie, underwear, socks, and jewelry. Open storage shelves provide ample space for folded clothes, handbags, hats, boxes, and shoe collections.
- **Customizable and Flexible Configuration:** The hanging bars are adjustable, allowing for multiple configurations. Clothes hangers are extendable from 22 to 35.4 inches, enabling adjustment of rod size and placement. Designed to fit walk-in closets ranging from 48 inches to 96 inches in width. Metal hanging bars can be cut for further customization.
- **Heavy-Duty Construction:** Constructed from thick, engineered wood and solid hanging bars, providing an excellent load-bearing capacity of up to 1000 lbs. Drawers are sturdy and operate smoothly.
- **High-End Craftsmanship:** Features a functional mirror for convenience during outfit checks and decorative rectangular drawers that enhance the aesthetic appeal of the space.
- **Easy Assembly and Versatility:** The unit is designed for relatively easy setup and customization. Includes tipping restraint hardware for stability. Suitable for reach-in and walk-in closets in master bedrooms, guest bedrooms, dressing rooms, or laundry rooms.

**New Craftsmanship**

**High purity ultra clear mirror**

**Large Storage Wooden Drawers**

**Three Adjustable Hanging Rods**

## 3. SETUP AND ASSEMBLY

Your Unikito DKY-89.3 closet system comes with detailed assembly instructions. Please follow these instructions carefully to ensure proper and safe installation. All necessary hardware and tools (if specified) are included.

### 3.1 Pre-Assembly Checklist

- Verify all parts are present and undamaged against the parts list in the included manual.
- Ensure you have the recommended tools (e.g., screwdriver, hammer, level).
- Clear a spacious, well-lit area for assembly.
- For safety, it is recommended to have at least two people for assembly.

### 3.2 Assembly Steps

1. Begin by assembling the central tower unit, including the drawers and mirror section, as per the provided diagrams.

2. Attach the extendable hanging rods to the side panels of the central tower or directly to the wall, depending on your desired configuration and closet width. Ensure all connections are secure.
3. Utilize the included tipping restraint hardware to anchor the unit to the wall for enhanced stability and safety.
4. Adjust the length of the hanging rods to fit your closet space, ensuring they are level and securely fastened.

## 4. OPERATING INSTRUCTIONS

### 4.1 Using Hanging Rods

The three extendable hanging rods can be adjusted to accommodate various clothing lengths. Place heavier garments on the lower rods and lighter items on the upper rods to maintain balance. Ensure clothes are evenly distributed to prevent excessive strain on any single section.

## Expandable Rods in Stainless Steel

Size can be adjusted from 22" to 39.4" to fit many of the cloak room

Image: Adjustable hanging rods in use.

### 4.2 Utilizing Drawers and Shelves

The three drawers provide enclosed storage for delicate items, accessories, or folded clothing. The open shelves are ideal for folded garments, bags, hats, and shoes. Organize items logically to maximize space and accessibility.

## Large Storage Space

### 4.3 Integrated Mirror

The built-in mirror allows for convenient outfit checks. Ensure the area around the mirror is kept clear for full functionality.

## Closet System with Mirror

It allows you to view your look making it easier to get ready with confidence

## 5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your closet system.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Dusting:** Dust regularly with a dry, soft cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth.
- **Load Capacity:** Do not exceed the maximum weight recommendation of 1000 lbs for the entire unit. Distribute weight evenly across shelves and hanging rods.

## 6. TROUBLESHOOTING

If you encounter any issues with your Unikito closet system, refer to the following common solutions:

- **Wobbly Unit:** Ensure all connections are tightened. Verify the unit is properly anchored to the wall using the tipping restraint hardware. Check that the floor is level; use shims if necessary.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are properly aligned and free of obstructions. Ensure all screws on the slides are tightened.
- **Hanging Rods Sagging:** Ensure the rods are correctly installed and supported at both ends. Avoid overloading the rods; distribute clothing weight evenly.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact Unikito customer support immediately.
