Giantex GX11889YM-VJ

Giantex 47.5" Wall/Door Mounted Jewelry Armoire

MODEL: GX11889YM-VJ - INSTRUCTION MANUAL

1. Introduction

Thank you for choosing the Giantex 47.5" Wall or Door Mounted Jewelry Armoire. This versatile storage solution combines a full-length mirror with a spacious jewelry cabinet, designed to keep your valuables organized and easily accessible. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your product.

2. Product Features

- **Large Storage Capacity:** Features 120 earring slots, 36 earring holes, 98 ring slots, 36 necklace hooks, 5 storage shelves, 2 drawers, 1 bracelet rod, and 1 pouch for cosmetic brushes.
- **Dual Mounting Options:** Can be mounted on the wall or hung over a door. Height is adjustable for over-the-door installation.
- **Integrated LED Lights:** Equipped with 2 auto-on LED lights that illuminate the interior when the door is opened. (Requires 2 AA batteries, not included).
- **Secure Storage:** Lockable design with 2 keys provided to keep your jewelry safe.
- **Full-Length Frameless Mirror:** A 47.5"H x 14"W mirror provides a complete view for dressing.
- **High-Quality Construction:** Frame made of FSC-Certified P2 MDF with a beige velvet liner to protect jewelry from scratches.

3. Package Contents

Please ensure all components are present before beginning installation:

- Jewelry Armoire with Full-Length Mirror (Pre-assembled)
- 2 x Over-the-Door Hanging Hooks (Adjustable height)
- Wall Mounting Screws and Anchors
- 2 x Keys for Locking Mechanism

- Instruction Manual

4. Setup & Installation

Your Giantex Jewelry Armoire offers two convenient installation methods:

4.1. Over-the-Door Installation

1. Attach the two provided hanging hooks to the pre-drilled holes on the back of the armoire using the designated screws.
2. Adjust the height of the hooks to your preference, ensuring the mirror is at a comfortable viewing level.
3. Carefully hang the armoire over the top edge of your door. Ensure the door can close properly without obstruction.
4. For added stability and to prevent swinging, use the included adhesive pads or Velcro strips (if provided) to secure the bottom of the armoire to the door.

4.2. Wall-Mounted Installation

1. Choose a suitable wall location, ensuring it is sturdy enough to support the weight of the armoire and its contents.
2. Measure and mark the desired mounting points on the wall, aligning with the pre-drilled holes on the back of the armoire.
3. Drill pilot holes at the marked locations and insert the wall anchors.
4. Align the armoire with the anchors and secure it to the wall using the provided screws. Ensure it is level and firmly attached.

Wall or Door Mounted

Accessories included for both hanging ways

Image: Wall or Door Mounted Installation Options. The image displays the jewelry armoire installed both over a door using adjustable hangers and mounted directly onto a wall with a wall-mounting kit.

Dimension

Image: Product Dimensions. This image provides a detailed diagram of the armoire's dimensions, including its 47.5" height, 14" width, and 4" depth, along with internal compartment measurements.

5. Operating Instructions

5.1. Using the LED Lights

The armoire is equipped with two LED lights that automatically turn on when the door is opened and turn off when closed. These lights are powered by 2 AA batteries (not included).

1. To install batteries, locate the battery compartment at the top interior of the cabinet.
2. Open the compartment cover and insert 2 AA batteries, ensuring correct polarity.
3. Close the compartment cover. The lights should now activate automatically when the door is opened.

2 Bright LED Lights

Note: Require 2 AA batteries (not included)

Image: 2 Bright LED Lights. This close-up shows the two LED lights at the top of the interior, along with the light switch and battery holder, indicating that 2 AA batteries are required.

5.2. Locking Mechanism

The armoire features a lockable door for enhanced security of your valuables.

1. Insert one of the provided keys into the lock located on the side of the armoire.
2. Turn the key to lock or unlock the door.
3. Remove the key after locking to keep your items secure.

Image: Key Features. This image highlights the frameless full-length mirror, the lockable door with two keys, the tangle-free necklace storage, and the magnetic catches for secure closure.

5.3. Organizing Your Jewelry

Utilize the various compartments to organize your jewelry efficiently:

- **Earrings:** Use the dedicated slots and holes on the left panel for dangle and stud earrings.
- **Rings:** The cushioned ring slots on the right panel are ideal for rings.
- **Necklaces:** Hang necklaces on the hooks to prevent tangling.
- **Bracelets:** Use the bracelet rod and additional hooks for bracelets.
- **Shelves & Drawers:** Store larger accessories, watches, cosmetics, or other small items in the shelves and two bottom drawers.

Large Storage Capacity

Well-designed interior space enhances space utilization

Image: Large Storage Capacity. This image provides a detailed breakdown of the interior storage, labeling 120 earring slots, 60 stud earring holes, 98 ring slots, 12 necklace hooks, 24 necklace & bracelet hooks, 1 bracelet rod, 5 shelves, and 2 drawers.

6. Maintenance

To maintain the appearance and functionality of your jewelry armoire:

- **Cleaning:** Wipe the exterior and mirror with a soft, dry cloth. Avoid abrasive cleaners that may damage the finish or mirror surface.
- **Interior:** The beige velvet liner can be gently dusted or vacuumed with a soft brush attachment.
- **Battery Replacement:** Replace AA batteries for the LED lights as needed.
- **Avoid Moisture:** Keep the armoire away from excessive moisture or direct sunlight to prevent warping or discoloration.

7. Troubleshooting

- **LED Lights Not Working:** Check if batteries are installed correctly and are not depleted. Ensure the battery compartment is securely closed.
- **Door Not Closing Properly:** Verify that no jewelry is obstructing the door's closure. Check if the

magnetic catches are aligned and functioning.

- **Armoire Feels Unstable:** For over-the-door installation, ensure hooks are securely tightened and adhesive pads are used. For wall-mounted, re-check screw tightness and wall anchor stability.

8. Specifications

Brand	Giantex
