WHAT'S IN THE BOX

Your RelIndoo T901 MAX tablet package includes the following items:

- 1 x 10.1 inch RelIndoo Android Tablet (Blue)
- 1 x Keyboard
- 1 x Mouse

- 1 x Stylus Pen
- 1 x Pink Foldable Protective Case
- 1 x Screen Protector
- 1 x Charging Head (USB Wall Adapter)
- 1 x Type-C Cable
- 1 x User Manual

Note: The tablet itself is blue; the pink color refers to the included protective case.

SETUP

1. Charging the Tablet

Before first use, fully charge your tablet. Connect the Type-C cable to the tablet's charging port and the USB charging

head to a power outlet. The battery indicator on the screen will show charging status.

Image: An illustration showing the Relndoo T901 MAX tablet connected to its charger, displaying the charging progress on the screen.

2. Powering On/Off

- **To Power On:** Press and hold the Power button until the Relndoo logo appears.
- **To Power Off:** Press and hold the Power button, then select 'Power off' from the options on the screen.

3. Initial Setup

Upon first power-on, follow the on-screen prompts to configure your Android 15 system. This includes selecting your language, connecting to a Wi-Fi network, and setting up your Google account.

4. Connecting Accessories

The included keyboard and mouse connect via Bluetooth. Ensure Bluetooth is enabled on your tablet (Settings > Connected devices > Bluetooth). Follow the pairing instructions provided with the individual accessories.

OPERATING INSTRUCTIONS

1. Basic Navigation

The tablet features a responsive 10-inch IPS touchscreen. Use standard Android gestures for navigation:

- **Tap:** Select an item.
- **Swipe:** Scroll through content or switch screens.
- **Pinch-to-zoom:** Enlarge or reduce content.

2. Android 15 Features

Your tablet runs on the latest Android 15 operating system, offering enhanced privacy, app management, and accessibility. Key features include:

- **Widgets:** Customize your home screen with convenient widgets.
- **Split-Screen Multitasking:** Run two apps side-by-side for increased productivity.
- **Parent Control Mode:** Manage usage for younger users.
- **Facial Unlock:** Secure your device with facial recognition.

MAINTENANCE

1. Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials that could damage the surface.

2. Battery Care

The tablet features an 8000mAh battery. To prolong battery life:

- Avoid extreme temperatures.
- Do not leave the tablet fully charged or fully discharged for extended periods.
- Use the provided charger for optimal charging.

Image: A graphic detailing the 8000mAh battery's performance, including standby time, music playback, video playback, call time, web browsing, and gaming duration.

3. Software Updates

Periodically check for system updates to ensure your tablet has the latest features and security patches. Go to Settings > System > System update.

TROUBLESHOOTING

If you encounter issues with your Relindoo T901 MAX tablet, refer to the following common solutions:

- **Tablet not powering on:** Ensure the tablet is charged. Connect it to the charger for at least 30 minutes before attempting to power on again.
- **Wi-Fi connectivity issues:** Restart your Wi-Fi router and the tablet. Forget the network in Wi-Fi settings and reconnect.
- **Accessories not connecting:** Ensure Bluetooth is enabled on the tablet and the accessory is in pairing mode. Check battery levels of the accessories.
- **Slow performance:** Close unnecessary background applications. Clear cache for frequently used apps. Consider performing a factory reset if issues persist (back up your data first).
- **Screen not responding:** Restart the tablet. If the issue persists, contact customer support.

For more complex issues, please refer to the official Relindoo support channels.
