OPERATING INSTRUCTIONS

Power On/Off

Press and hold the **Power** button (located on the side) to turn the radio on or off.

AM/FM Radio Mode

1. **Select Mode:** Short press the **MENU/SCAN** button until "FM" or "AM" appears on the display.
2. **Extend Antenna:** For optimal reception, extend the telescopic antenna.
3. **Auto-Scan and Save Presets:** Long press the **MENU/SCAN** button. The radio will automatically scan for available stations and save them as presets (P01, P02, etc.).
4. **Manual Tuning:** Use the **TUNING** buttons (left/right arrows) to manually adjust the frequency.
5. **Access Presets:** Short press the **MEM/SLEEP** button, then use the **M+/M-** buttons to cycle through saved preset stations.
6. **Manually Store Presets:**
 - a. Tune to your desired station using the **TUNING** buttons.
 - b. Long press the **MEM/SCAN** button. The display will show "P01" (or the next available slot).
 - c. Use the **M+/M-** buttons to select the desired preset number.
 - d. Short press the **Power** button to confirm and save the station to the selected preset.

Setting the Time

1. **Enter Time Setting Mode:** Long press the **TIME/AL** button. The hour display will start flashing.
2. **Adjust Hour:** Use the **TUNING** buttons (left/right arrows) to set the hour.
3. **Confirm Hour:** Short press the **TIME/AL** button to confirm the hour. The minute display will start flashing.
4. **Adjust Minute:** Use the **TUNING** buttons (left/right arrows) to set the minute.
5. **Confirm Minute:** Short press the **TIME/AL** button to confirm the minute.
6. **Set 12/24 Hour Format:** Use the **TUNING** buttons to select between 12H or 24H format.
7. **Confirm Format:** Short press the **TIME/AL** button to finalize the time setting.

Your browser does not support the video tag.

Video: This video provides instructions on how to set the current time on the Jazmm AM01 radio.

Setting the Alarm Clock

1. **Enter Alarm Setting Mode:** Long press the **TIME/AL** button until the alarm icon appears and the hour display flashes.
2. **Adjust Alarm Hour:** Use the **TUNING** buttons to set the desired alarm hour.
3. **Confirm Alarm Hour:** Short press the **TIME/AL** button. The minute display will flash.
4. **Adjust Alarm Minute:** Use the **TUNING** buttons to set the desired alarm minute.
5. **Confirm Alarm Minute:** Short press the **TIME/AL** button.
6. **Select Alarm Source:** Use the **TUNING** buttons to choose between FM, AM, or Bluetooth as the alarm sound source.
7. **Confirm Alarm Source:** Short press the **TIME/AL** button to save the alarm settings.
8. **Activate/Deactivate Alarm:** Short press the **TIME/AL** button to toggle the alarm on or off. The alarm icon will appear/disappear.

Alarm Clock

5 minutes intervals of snooze time

Sleep Timer

15-30-60-90min auto shutdown

Your browser does not support the video tag.

Video: This video demonstrates the steps to set the alarm clock function on the Jazmm AM01 radio.

Setting the Sleep Timer

1. **Activate Sleep Timer:** Long press the **MEM/SLEEP** button. The display will show "15" (minutes).
2. **Adjust Duration:** Use the **M+/M-** buttons to select the desired sleep timer duration (15, 30, 60, 90 minutes, or OFF).
3. **Confirm Setting:** The selected duration will flash for a few seconds and then stop, indicating the sleep timer is set. The radio will automatically turn off after the set time.

Your browser does not support the video tag.

Video: This video demonstrates how to set the sleep timer function on the Jazmm AM01 radio, allowing it to automatically shut off after a set duration.

Flashlight Function

The radio includes a built-in LED flashlight. Locate the flashlight button (often integrated with the lock button or a dedicated button on the top/side) and press it to turn the flashlight on or off.

Back Clip & Wrist Strap

Easy to carry outside

Image: The Jazmm AM01 radio is shown emitting light from its built-in LED flashlight in a dark outdoor environment.

Lock Function

To prevent accidental button presses, short press the **LOCK/ST.** button. A lock icon will appear on the display. Press it again to unlock.

Image: A close-up view of the top buttons of the Jazmm AM01 radio, highlighting the 'LOCK/ST.' button and its corresponding lock icon.

MAINTENANCE

- Keep the device dry. Avoid exposure to water or high humidity.
- Clean the radio with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the radio in a cool, dry place when not in use for extended periods.
- Avoid dropping the radio or subjecting it to strong impacts.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power/Won't turn on	Low battery; Power button not pressed correctly.	Charge the radio fully. Press and hold the power button for a few seconds.
Poor radio reception	Antenna not extended; Weak signal area; Interference.	Fully extend the telescopic antenna. Move to an area with better signal. Avoid electronic devices causing interference.
Bluetooth not connecting	Radio not in Bluetooth mode; Device too far; Already connected to another device.	Ensure radio is in "bt" mode. Keep devices within 10 meters. Disconnect from other devices.
No sound from speaker/earphones	Volume too low; Mute activated; Faulty earphones.	Increase volume using the slider. Check if earphones are properly plugged in. Try different earphones.
Alarm not sounding	Alarm not activated; Alarm time incorrect; Volume too low.	Ensure alarm icon is visible. Verify alarm time settings. Increase volume.
