TYCOLE T1118

TYCOLE Orchid Botanical Building Set Model T1118 Instruction Manual

Your guide to assembling and enjoying your artificial orchid decoration.

1. Important Safety Information

Warning: Choking Hazard. Small parts. Not suitable for children under 3 years.
Please ensure all small components are kept out of reach of young children. Adult supervision is recommended during assembly for younger users.

2. Setup and Assembly

This section provides guidance for the initial setup and assembly of your TYCOLE Orchid Botanical Building Set.

2.1 Unboxing and Component Check

Carefully unpack all components from the box. Verify that all 323 pieces are present according to the parts list provided in your instruction booklet. The set includes various plastic blocks for the orchid flowers, buds, leaves, and the brown pot.

2.2 Assembly Instructions

Follow the step-by-step instructions provided in the included color leaflet. The instructions are designed to be clear and easy to follow, guiding you through the construction process.

- Begin by assembling the base pot structure.
- Proceed to construct the individual orchid flowers, buds, and leaves.
- Attach the assembled floral components to the main stems, then secure them within the pot.
- Ensure all connections are firm for a stable and durable final model.

4. Maintenance

The TYCOLE Orchid Botanical Building Set is designed for zero-maintenance enjoyment.

4.1 Cleaning

To maintain its appearance, periodically dust the model with a soft, dry cloth or a soft brush. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic components.

4.2 Longevity

Unlike real flowers, this artificial orchid will never wither or fall, providing lasting beauty for your space.
