1. INTRODUCTION

The Baseus Inspire XP1 Adaptive Noise Cancelling Earbuds are designed to provide a high-fidelity audio experience with advanced noise cancellation capabilities. Featuring Sound by Bose technology and Dolby Spatial Audio, these earbuds offer immersive sound and clear communication. This manual provides instructions for setup, operation, and maintenance to ensure optimal performance.

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- Baseus Inspire XP1 Noise Cancelling Wireless Earbuds
- Charging Case
- Eartips (S/M/L sizes)
- USB-C Charging Cable
- User Manual

Image: Package contents of the Baseus Inspire XP1 earbuds.

3. PRODUCT OVERVIEW

The Baseus Inspire XP1 earbuds feature a contoured in-ear fit with umbrella-shaped liquid silicone tips for comfort and noise isolation. They are equipped with a 6-mic sound sensor array for clear calls and touch-sensitive surfaces for control.

4. SETUP

4.1 Initial Pairing

1. **Charge the Earbuds:** Place both earbuds into the charging case and close the lid. Connect the USB-C charging cable to the case and a power source. The indicator light on the case will show charging status.
2. **Activate Pairing Mode:** Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light on the earbuds or case.

3. **Connect via Bluetooth:** On your device (smartphone, tablet, laptop), go to Bluetooth settings and enable Bluetooth. Search for "Baseus Inspire XP1" in the list of available devices and select it to connect.
4. **Confirmation:** Once connected, a voice prompt will confirm successful pairing, and the indicator light will turn solid or off.

4.2 Baseus App Installation

For full functionality, including Dolby Audio, custom EQ settings, and adaptive tuning, download the official Baseus App from your device's app store (iOS App Store or Google Play Store). The app allows for personalized control of your listening experience.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on and attempt to connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

5.2 Touch Controls

The earbuds feature touch-sensitive surfaces for various functions:

Umbrella-Shaped Ear Tips

Soft, non-irritating liquid silicone tips in multiple sizes create a secure, smooth, comfortable seal for various ears. The umbrella-shaped design boosts sound isolation and ensures lasting comfort without slipping or pressure—for a truly immersive listening experience.

- **Play/Pause Music:** Double tap either earbud.
- **Answer/End Calls:** Double tap either earbud.
- **Reject Calls:** Tap and hold either earbud for 1.5 seconds.
- **Switch ANC/Transparency Mode:** Tap and hold either earbud for 1.5 seconds.
- **Activate Voice Assistant:** Triple tap either earbud.

5.3 Adaptive Noise Cancellation (ANC) and Transparency Mode

The Inspire XP1 earbuds feature Premium Adaptive ANC, which dynamically adjusts noise reduction up to -50 dB based on your environment. Transparency Mode allows you to hear your surroundings without removing the earbuds.

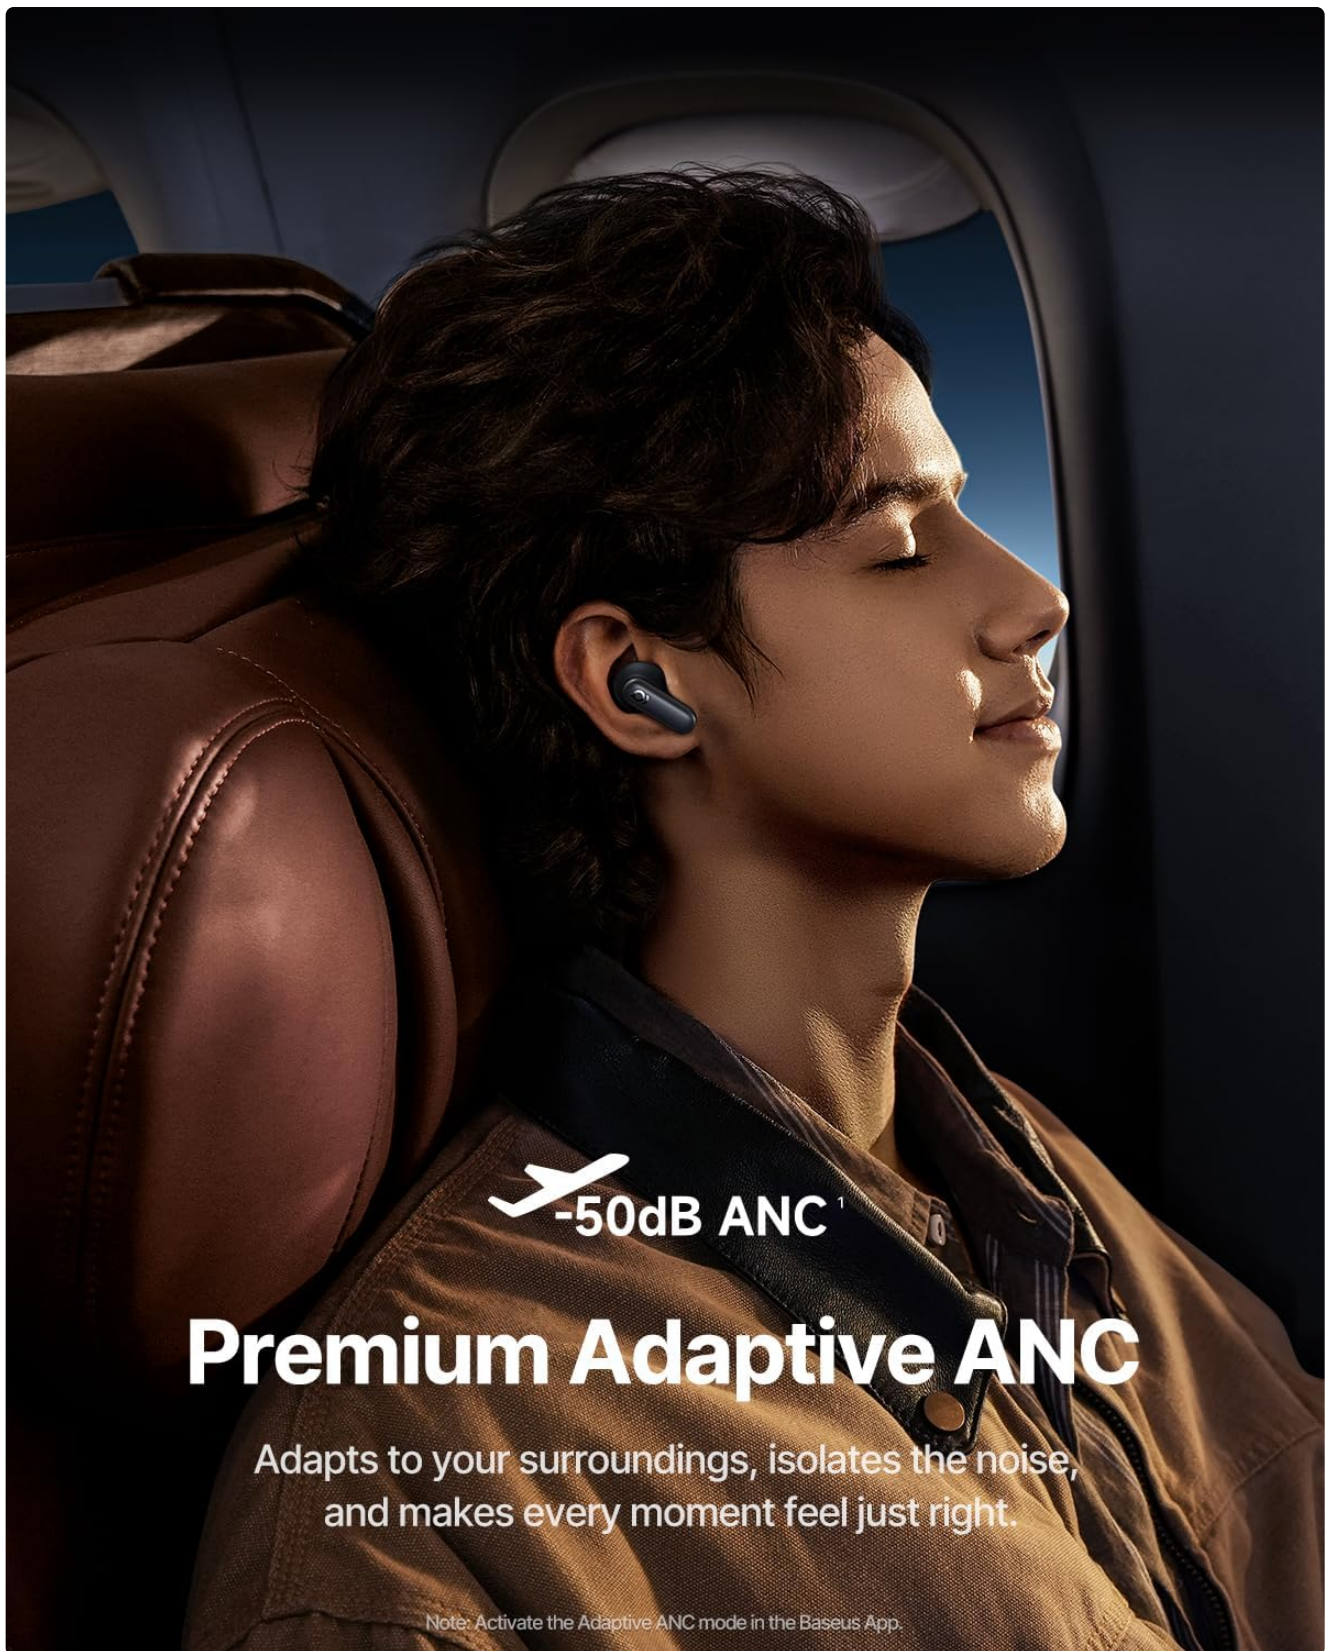

Image: Premium Adaptive ANC in use.

Switch between ANC and Transparency Mode by tapping and holding the touch surface for 1.5 seconds, or manage settings via the Baseus App.

5.4 High-Efficiency Clear Calls

Equipped with a 6-mic sound sensor array and AI algorithms, the earbuds provide clear calls by reducing wind noise and environmental distractions up to 80 dB(A).

High-Efficiency Clear Calls

Hear and be heard clearly through the hustle and bustle.
Enjoy smooth conversations wherever life takes you.

5.5 Charging and Battery Life

The earbuds offer extended playtime with the charging case:

- **ANC Off:** Up to 8 hours per charge, and up to 45 hours with the charging case.
- **ANC On:** Up to 6 hours per charge, and up to 35 hours with the charging case.
- **Quick Charge:** 10 minutes of charging provides approximately 2.5 hours of playback.

The advertisement features a dark blue background with vertical light blue stripes. In the center, a black wireless earbud case is open, with two earbuds floating above it. A large, glowing '45' is in the background. To the right, the text 'hr Battery Life' is displayed. Below the main image, a dark blue banner contains the title 'Day-and-Night Playtime' and a table of battery life specifications.

5.6 Instant Multipoint Connection

Utilize Baseus Smart-Connect and Bluetooth 6.1 for seamless switching between two paired devices, such as a phone and a laptop, enabling uninterrupted calls and multitasking.

Day-and-Night Playtime

Go wherever the day takes you with nonstop music and calls—thanks to all-day battery life, extra charges from the case, and quick charging on the go.

6. MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive materials or harsh chemicals.
- **Eartips:** Remove and clean the silicone eartips with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- **Charging Ports:** Keep the USB-C charging port free of dust and debris.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and maintain battery life. Avoid extreme temperatures.

7. TROUBLESHOOTING

7.1 Earbuds Not Pairing

- Ensure the earbuds are charged and the charging case lid is open.
- Turn off and on your device's Bluetooth.
- Forget the device in your Bluetooth settings and attempt to re-pair.
- Try resetting the earbuds (refer to the Baseus App or Baseus support for specific reset instructions).

7.2 No Sound or Low Volume

- Check the volume levels on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears.
- Verify that the earbuds are connected to the correct audio output on your device.
- Clean any debris from the earbud speakers.

7.3 Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different USB-C cable and power adapter.
- Clean the charging contacts on both the earbuds and inside the case.
