## 4. SETUP AND ASSEMBLY

Assembly of the VOWNER Vanity Desk is required. Detailed instructions for installing drawers, the mirror, and the LED lighting system are provided in the packaging. It is recommended to follow these instructions carefully, as assembly can take several hours.

Ensure you have adequate space and the necessary tools before starting. Keep small parts away from children. If you encounter any difficulties, refer to the troubleshooting section or contact customer support.

## 5. OPERATING INSTRUCTIONS

### 5.1. Lighted Mirror Operation

The vanity mirror features 13 Hollywood-style bulbs with adjustable brightness and three color temperature options:

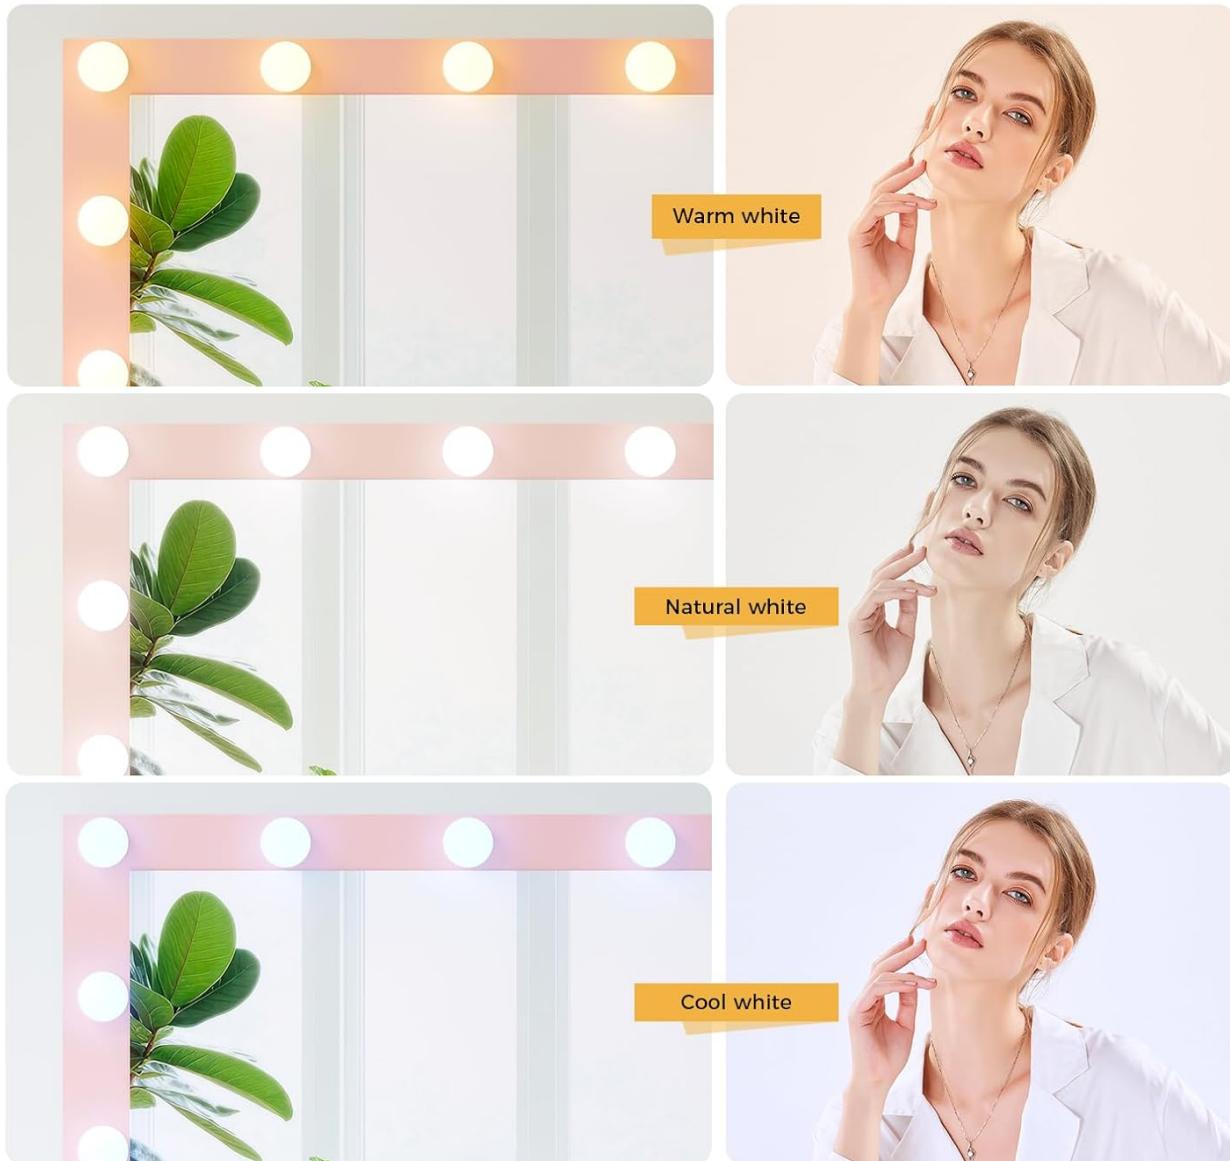

- **Warm White:** Provides a soft, warm glow suitable for evening makeup.
- **Natural White:** Mimics natural daylight, ideal for everyday makeup application.

- **Cool White:** Offers a bright, crisp light for detailed tasks.

To adjust brightness and switch between color temperatures, use the touch controls located on the mirror or the provided remote control.

### 5.3. Power Outlet Usage

A built-in power outlet is located on the side of the vanity for convenient access to power. It includes:

- 2 Standard AC Plug Sockets
- 1 USB Port
- 1 USB-C Port

Use these ports to power hair dryers, curling irons, charge mobile phones, and other electronic devices directly from your vanity.

## 6. MAINTENANCE AND CARE

To maintain the appearance and longevity of your VOWNER Vanity Desk, follow these care instructions:

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or glass.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Electrical Components:** Always unplug the vanity from the power source before cleaning or

performing any maintenance on electrical parts.

- **Glass Top:** Use a glass cleaner specifically designed for tempered glass to clean the tabletop.

## 7. TROUBLESHOOTING

If you encounter any issues with your VOWNER Vanity Desk, please refer to the following common troubleshooting tips:

- **Lights Not Working:** Ensure the vanity is properly plugged into a working power outlet. Check all connections for the mirror bulbs and RGB lighting. If using a remote, verify battery life.
- **RGB Lighting Malfunction:** If the RGB lights are not responding to the remote or app, try restarting the vanity by unplugging it for a few minutes and then plugging it back in. Ensure your mobile device's Bluetooth is enabled and correctly paired if using the app.
- **Drawers Sticking:** Check for any obstructions within the drawer slides. Ensure the vanity is on a level surface.
- **Power Outlets Not Functioning:** Verify the main power connection. If other devices work in the same wall outlet, the vanity's internal outlet may have an issue. Avoid overloading the outlets.

For persistent issues or problems not covered here, please contact VOWNER customer support.
