### Nugget 900-0167

# Nugget Modular Play Couch Instruction Manual (Model 900-0167)

## PRODUCT OVERVIEW

---

The Nugget is a versatile modular play couch designed for children aged 1 and up. It encourages imagination and creative open-ended play, transforming into countless configurations such as a rocket ship, fort, or cozy reading nook. This product is part-furniture, part-toy, and a favorite for fostering active play.

Constructed with durability in mind, the Nugget features removable machine-washable covers, tuck-away zippers, and reinforced seams to withstand the rigors of daily play. Its functional and stylish design includes soft, woven handles for easy movement and a compact modular design that allows it to lay flat when not in use.

## SETUP GUIDE

---

Your Nugget play couch arrives compressed in a box. Follow these steps for initial setup:

1. **Open the Box:** Carefully open the packaging.
2. **Remove Plastic:** Unroll the compressed Nugget from its plastic wrapping and discard the plastic.
3. **Decompress:** Allow the foam pieces to decompress. The Nugget may take a few days to fully fluff out. Active play can help speed up this process.

Common configurations include:

- **Traditional Sofa:** Arrange the pieces to form a comfortable low-to-the-ground sofa.
- **Forts & Tunnels:** Use the cushions and triangles to build imaginative forts, tunnels, or hideouts.
- **Ramps & Slides:** Create inclines and slides for active play.
- **Reading Nooks:** Form cozy spaces for quiet time and reading.
- **Obstacle Courses:** Combine pieces to create dynamic physical challenges.

The Nugget is designed to grow with your child, providing independent play possibilities for years of enjoyment.

## CARE AND MAINTENANCE

To keep your Nugget clean and fresh, follow these care instructions:

- **Remove Covers:** Unzip and remove the fabric covers from all foam components. Ensure zippers are closed before washing.

- **Machine Wash:** Machine wash covers on the coldest setting with like colors.
- **Hang Dry:** Hang covers to dry to prevent shrinking and maintain fabric integrity. Do not tumble dry.
