TYCOLE T1120

TYCOLE Sunflower Building Set (Model T1120) Instruction Manual

Botanical Flower Bouquet - 291 Pieces

INTRODUCTION

Thank you for choosing the TYCOLE Sunflower Building Set. This manual provides detailed instructions for assembling and caring for your botanical flower bouquet. Designed for both enjoyment and display, this 291-piece set allows you to create a beautiful and lasting sunflower arrangement.

Please read all instructions carefully before beginning assembly to ensure a smooth and satisfying building experience.

SAFETY INFORMATION

Warning! Choking hazard. Small parts. Not suitable for children under 3 years.

- Keep all small parts away from young children and pets.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment.
- Dispose of packaging materials responsibly.

WHAT'S IN THE BOX

Your TYCOLE Sunflower Building Set package should contain the following:

- 291 x Building Blocks (various shapes and colors for sunflowers, stems, leaves, and pot)
- 1 x Instruction Manual (this document)

Please verify all components are present before starting assembly. If any parts are missing or damaged, please contact customer support.

SETUP: ASSEMBLY INSTRUCTIONS

Follow these step-by-step instructions to assemble your TYCOLE Sunflower Building Set. The process is

designed to be enjoyable and educational, enhancing creativity and cognitive skills.

Image: The complete TYCOLE Sunflower Building Set, featuring two large sunflowers, several smaller sunflowers, and green foliage, all arranged in a decorative brown pot.

1. **Unpack Components:** Carefully open the packaging and lay out all the building blocks. It is recommended to sort the pieces by color and type to facilitate assembly.
2. **Build the Pot:** Begin by constructing the decorative brown pot according to the diagrams in the included instruction booklet. Ensure all connections are firm.
3. **Assemble Stems and Leaves:** Attach the green stem pieces and leaf elements. Note that the stems are designed to be adjustable, allowing for dynamic posing of the flowers.
4. **Construct Sunflowers:** Assemble the sunflower heads. This set includes two large sunflowers with adjustable petals and several smaller sunflowers. Pay attention to the layering of petals for a realistic appearance.

5. **Integrate Flowers into Pot:** Once the flowers and stems are built, carefully insert them into the assembled pot. The design allows for swinging stems, providing flexibility in arrangement.
6. **Final Adjustments:** Adjust the position of the sunflowers, stems, and leaves to achieve your desired botanical display.

The building blocks are made from robust, high-quality ABS plastic, ensuring durability and a satisfying construction process for both beginners and experienced builders.

OPERATING: DISPLAY AND USAGE

Once assembled, your TYCOLE Sunflower Building Set is ready to enhance any space. This botanical creation serves as a permanent decoration, bringing elegance and a touch of nature without the need for watering or sunlight.

- **Home Decoration:** Place the sunflower bouquet on a table, shelf, or windowsill to add a vibrant and cheerful accent to your living room, dining area, or bedroom.
- **Office Enhancement:** Brighten your workspace by displaying the set on your desk or in a common area. Its natural design can create a more inviting and relaxing atmosphere.
- **Gift Idea:** This set makes a thoughtful gift for various occasions, including birthdays, Mother's Day, Valentine's Day, and Christmas, delighting flower enthusiasts of all ages.

MAINTENANCE

The TYCOLE Sunflower Building Set requires minimal maintenance to keep it looking its best.

- **Cleaning:** Dust the assembled model periodically with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Avoid Direct Sunlight:** While durable, prolonged exposure to direct sunlight may cause colors to fade over time.

TROUBLESHOOTING

Should you encounter any issues during assembly or with the finished product, consider the following:

- **Missing Pieces:** Double-check all packaging materials. If a piece is genuinely missing, refer to the "Warranty and Support" section for contact information.
- **Loose Connections:** Ensure all blocks are pressed firmly together. Some connections may require a bit more pressure to secure.
- **Difficulty Following Instructions:** Review the instruction booklet carefully, paying close attention to the visual diagrams. Sometimes, a fresh look can help clarify a step.
