INSMY INSMY-CLIP-S

INSMY Wearable Bluetooth Speaker (Model: INSMY-CLIP-S) Instruction Manual

Your guide to setting up, operating, and maintaining your INSMY-CLIP-S speaker.

INTRODUCTION

Thank you for choosing the INSMY Wearable Bluetooth Speaker, Model INSMY-CLIP-S. This compact and durable speaker is designed for versatile use, offering clear sound and hands-free convenience. This manual provides essential information for optimal use and care of your device.

WHAT'S IN THE BOX

- INSMY Clip-S Small Speaker
- Lanyard
- Power Cable (USB-A to USB-C)
- Quick Start Guide
- Warranty Card

Please ensure all items are present before proceeding with setup.

KEY FEATURES

- **Multi-Functional Wearable Design:** Features a sturdy carabiner clip and attach back for secure attachment to bags, belts, or clothing.
- **IP67 Waterproof & Rugged Durability:** Designed to withstand rain, spills, or accidental submersion (up to 30 minutes). Dustproof and shock-resistant.
- **Ultra-Light & Portable:** Weighing just 77g (2.7oz), it's easy to carry in a pocket, bag, or clipped onto gear.
- **Crisp Clear Sound & Stereo Pairing:** 5W mini Bluetooth speaker with powerful audio. Activate stereo pairing mode to sync two INSMY Clip-S speakers for immersive sound.
- **Bluetooth 5.4:** Offers a stable connection up to 100ft range and faster pairing.
- **ENC Mic for Crystal-Clear Calls:** Built-in noise-canceling microphone with ENC technology reduces background noise for clear hands-free calls.

1. Charging the Speaker

Before first use, fully charge your INSMY Clip-S speaker. Connect the provided USB-C cable to the charging port located at the bottom of the speaker. Plug the other end into a compatible USB power source. The indicator light will show charging status.

STRONGER CLIP

Built for Tough Jobs Strong Clip

2. Powering On/Off

- To Power On: Press and hold the central 'O' button for 2 seconds. You will hear an audible confirmation and the indicator light will blink.
- To Power Off: Press and hold the central 'O' button for 2 seconds. You will hear an audible confirmation and the indicator light will turn off.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and the indicator light is blinking, indicating it's in pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings and enable Bluetooth.
3. Select "INSMY Clip-S" from the list of available devices.
4. Once connected, you will hear an audible confirmation, and the indicator light will remain solid.

BETTER CONNECTION, FASTER PAIRING

Experience stable and seamless wireless connectivity with advanced Wireless 5.4 technology, ensuring a smooth and uninterrupted music experience.

2. Answering Calls

With the built-in ENC microphone, you can answer calls hands-free:

- **Answer Call:** Press the central 'O' button once when a call comes in.
- **End Call:** Press the central 'O' button once during a call to end it.
- **Reject Call:** Press and hold the central 'O' button for 2 seconds to reject an incoming call.

3. Stereo Pairing Mode (TWS)

For an enhanced audio experience, you can pair two INSMY Clip-S speakers together:

1. Ensure both INSMY Clip-S speakers are powered off.
2. Power on both speakers. They will automatically enter pairing mode.
3. On one of the speakers (this will be the primary speaker), double-press the 'O' button. The speakers will attempt to connect to each other.
4. Once successfully paired, you will hear an audible confirmation. The primary speaker's indicator light will blink, and the secondary speaker's light will be solid.
5. Now, connect your device to the primary speaker via Bluetooth as described in the "Bluetooth Pairing" section.

CARE AND MAINTENANCE

- **Waterproof Care:** While IP67 rated, ensure the charging port cover is securely closed before exposing the speaker to water. After exposure to saltwater or chlorinated water, rinse with fresh water and allow to air dry completely.
- **Cleaning:** Use a soft, damp cloth to clean the speaker. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Life:** The actual battery life may vary. For optimal performance, adjust volume and usage as needed.

TROUBLESHOOTING

- **Speaker not powering on:** Ensure the battery is charged. Connect to a power source and try again.
- **Unable to pair via Bluetooth:**

  a. Ensure the speaker is in pairing mode (blinking indicator light).
  b. Check that Bluetooth is enabled on your device.
  c. Move the speaker closer to your device.
  d. Forget "INSMY Clip-S" from your device's Bluetooth list and try pairing again.

- **No sound or low volume:**

  a. Increase the volume on both the speaker and your connected device.
  b. Ensure the speaker is properly paired to your device.

- **Stereo pairing not working:** Ensure both speakers are fully charged and powered off before initiating the stereo pairing process. Follow the steps precisely.
