DICTAC BB-02

DICTAC Twin Over Full Bunk Bed Instruction Manual

Model: BB-02 | Brand: DICTAC

1. INTRODUCTION

Thank you for choosing the DICTAC Twin Over Full Bunk Bed. This L-shaped metal bunk bed is designed to optimize space with integrated storage, LED lighting, and a charging station. This manual provides essential information for safe assembly, operation, and maintenance of your new bunk bed.

2. IMPORTANT SAFETY WARNINGS

- Always supervise children under 6 years old when using the upper bunk.
- Secure the bunk bed to the wall using the provided anti-tip device to prevent tipping.
- Follow all assembly instructions carefully to ensure stability and safety.
- Be cautious of sharp edges and corners during assembly and use.
- Ensure the mattress thickness for the upper bunk is between 4-6 inches and for the lower bunk is between 6-12 inches.
- The top surface of the mattress must be at least 5 inches below the top edge of the guardrails.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the DICTAC Twin Over Full Bunk Bed is required. Please follow the detailed step-by-step instructions provided in the included Installation Manual. Ensure all parts are present before beginning assembly. It is recommended to assemble the bed with at least two adults.

Key Assembly Features:

- **Buckle Design:** The metal slats feature a buckle design for simplified installation and enhanced stability, preventing bending.
- **Anti-Tipping Device:** An anti-tipping device is included to securely attach the bed to the wall, adding stability and safety.

5. OPERATING INSTRUCTIONS

5.1. RGB LED Lights

The integrated RGB LED lights can be controlled via a mobile application or a physical key control. You can select from over 60,000 colors, adjust brightness, and choose various flashing modes, including music sync and microphone mode. A timing function is also available.

5.3. Storage Features

The bunk bed offers multiple storage solutions:

- **Under-bed Drawers:** Two large wire netting storage drawers are located under the full-size bed, equipped with easy-glide casters for convenient access.
- **Bookshelf and Fabric Drawers:** A 3-tier open bookshelf is integrated into the L-shaped design, featuring two fabric drawers for additional storage.

- **DIY Pegboard:** A metal DIY pegboard mesh with 6 hooks allows for personalized organization of accessories.
- **Hanging Rail:** A handy clothes rail is provided for hanging garments.
- **Bedside Caddy:** A removable bedside caddy bag with 2 hooks can be hung on the upper bunk for small items.

2 Built-in Wire Netting Storage Drawers

6. MAINTENANCE

- Regularly check all bolts and screws to ensure they are tight. Retighten as necessary.
- Clean the metal frame with a soft, damp cloth. Avoid abrasive cleaners.
- For wooden surfaces, wipe with a dry or slightly damp cloth.
- Ensure the LED lights and charging station are kept dry and free from dust.

7. TROUBLESHOOTING

- **Missing Parts:** If any parts are missing upon delivery, please contact customer support immediately.
- **Wobbling/Instability:** Ensure all connections are securely tightened. Verify the anti-tipping device is properly installed and secured to the wall.

- **LED Lights Not Working:** Check power connections and ensure the remote or app is correctly paired. Refer to the LED light kit instructions for specific troubleshooting.
- **Charging Station Not Functioning:** Confirm the power cord is fully plugged into a working outlet. Check device cables for damage.
