## 2. SAFETY INFORMATION

### WARNING:

- Use outdoors only.
- Read the instructions before using the appliance.
- Accessible parts may be very hot. Keep young children away.
- Do not move the appliance during use.
- For safety, please use propane only — natural gas is not recommended.

## 3. PRODUCT COMPONENTS

Familiarize yourself with all components before assembly. Refer to the diagram below for identification.

# Product Accessories

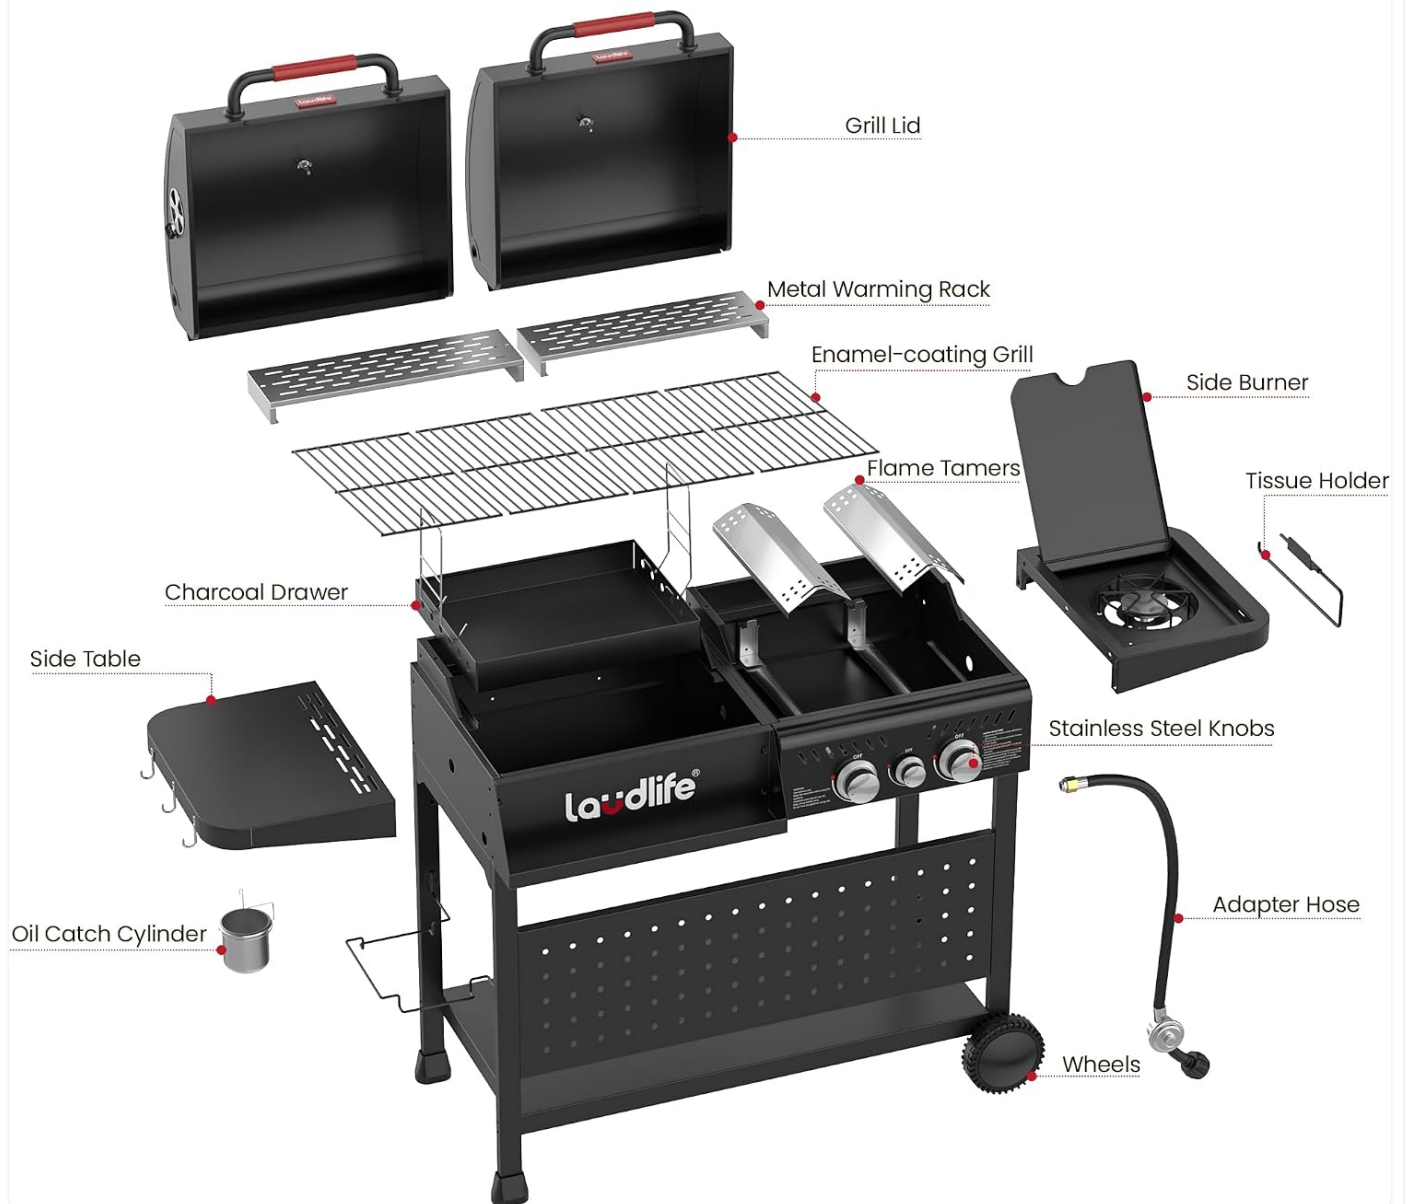

Image: Exploded view of the grill showing individual parts such as grill lids, warming racks, grates, side burner, charcoal drawer, and frame components.

## Included Components:

- Adapter Hose
- Non-stick Griddle & Grates
- Preparation Board
- Thermometer
- User Manual

## 4. SETUP AND ASSEMBLY

Assembly is required for this grill. For a quicker and smoother process, it is highly recommended to watch the official assembly video before beginning.

Video: Assembly Guide for Laudlife Charcoal & Gas Grill Combo. This video demonstrates the step-by-step assembly process for the grill.

Ensure all screws are securely fastened, and all components are correctly aligned before proceeding to operation.

## 5. OPERATING INSTRUCTIONS

### 5.1. Gas Grill Operation

1. Connect the propane tank to the adapter hose.
2. Open the gas supply on the tank.
3. Push and turn the control knob to the 'HIGH' position. The piezo ignition will light the burner.
4. Adjust heat as needed using the control knobs.

### 5.2. Charcoal Grill Operation

1. Place charcoal in the designated charcoal drawer.
2. Ignite the charcoal using appropriate methods (e.g., chimney starter, lighter fluid).
3. Adjust the air vents on the grill lid and side to control airflow and temperature.

### 5.3. Side Burner Operation

1. Lift the side burner cover.
2. Push and turn the side burner control knob to the 'HIGH' position to ignite.
3. Adjust flame as needed for simmering or heating.

### 5.4. Cooking Area Usage

The grill offers a total of 748 square inches of cooking space, including two warming racks. This dual-zone setup allows for simultaneous charcoal and gas grilling, accommodating various cooking needs.

## 6. MAINTENANCE AND CLEANING

The grill features non-stick, rust-proof porcelain enamel grates for easy cleaning. After each use, allow the grill to cool down before cleaning.

- Remove cooking grates and clean with a grill brush or warm soapy water.
- Empty and clean the charcoal drawer and grease tray regularly.
- Wipe down exterior surfaces with a damp cloth.

# Easy to BBQ Design

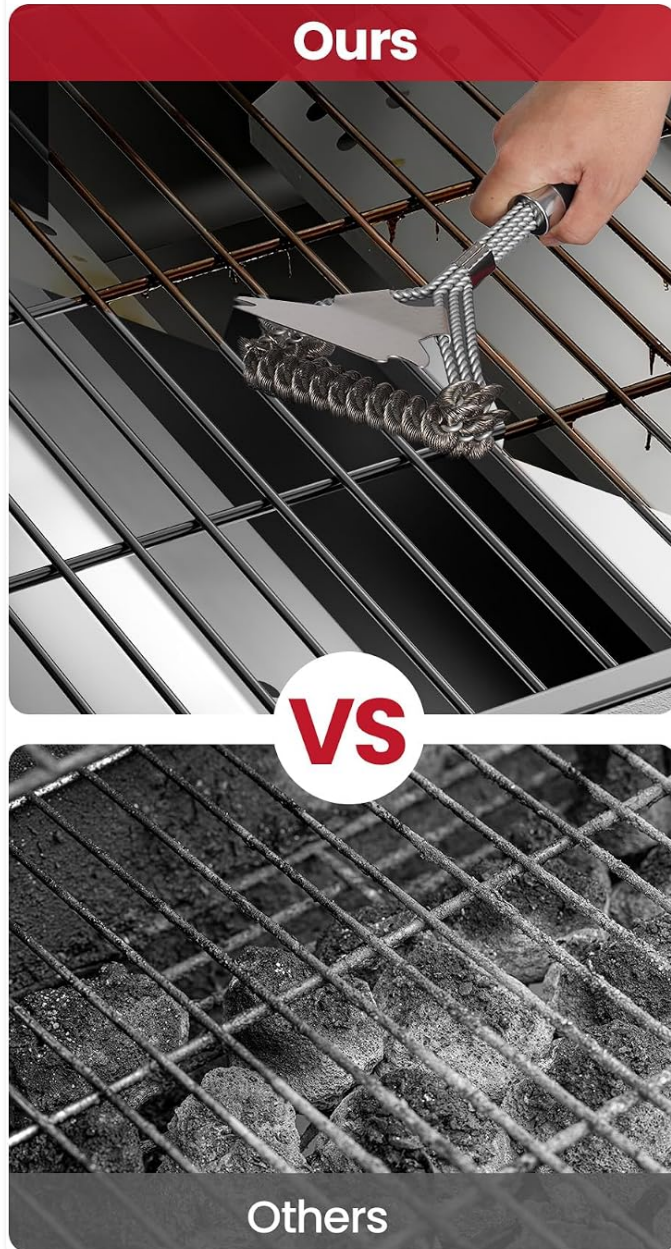

Image: Illustration of the easy-clean design, featuring porcelain grates and a convenient charcoal drawer for ash removal.

## 7. TROUBLESHOOTING

If you encounter issues, refer to the following common troubleshooting tips:

- **Burner not igniting:** Check propane tank connection, ensure gas supply is open, and verify igniter is clean and properly positioned.
- **Uneven heating:** Ensure burners are clean and free of debris. For charcoal, distribute coals evenly.
- **Gas leaks:** Immediately shut off gas supply. Check all connections for tightness. Apply soapy water to connections; bubbles indicate a leak. Do not use the grill if a leak is detected.
