AOGLLATI 140x200cm Hydraulic Storage Bed with LED and USB Ports - User Manual

Model: AG-45-1

1. INTRODUCTION

Thank you for choosing the AOGLLATI 140x200cm Hydraulic Storage Bed. This bed frame is designed to provide both comfort and practical storage solutions, featuring integrated LED lighting, USB charging ports, and a hydraulic lift mechanism for easy access to under-bed storage. This manual provides essential information for safe assembly, operation, and maintenance of your new bed.

2. SAFETY INFORMATION

Please read all assembly and usage instructions carefully before assembling and using this bed. Failure to follow these instructions may result in injury or damage to the product.

- Do not exceed the recommended weight capacity of 660 lbs (approximately 300 kg).
- Keep out of reach of children and pets during assembly.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to play on or under the hydraulic lift mechanism.
- Avoid placing additional duvets or pillows that could cover a child's face, posing a risk of suffocation.
- Use caution when operating the hydraulic lift mechanism to prevent pinching or injury.

3. SETUP AND ASSEMBLY

Your AOGLLATI bed is delivered in two reinforced packages (Package A/B) to prevent damage during transit. These packages may arrive at different times. Please ensure both packages have arrived before beginning assembly. Illustrated step-by-step instructions and all necessary installation tools are included.

3.1 Package Contents

Verify all components are present against the parts list provided in your assembly guide.

3.2 Assembly Steps

Follow the detailed, illustrated instructions provided in the packaging. Key features to note during assembly include:

- **Flexible Headboard/Backrest Installation:** The backrest and headboard are interchangeable, allowing for left or right-side configuration to suit your room layout.
- **Hydraulic Mechanism:** Install the hydraulic lifting mechanism according to the instructions to ensure smooth operation of the storage compartment.
- **Mattress Stabilizers:** Secure the mattress stabilizers to keep your mattress firmly in place when the bed base is raised.
- **Anti-Noise Strip:** Apply the EVA anti-noise strip to the slats to effectively reduce creaking.

4. OPERATING INSTRUCTIONS

4.1 Hydraulic Storage Mechanism

The bed features a hydraulic lift mechanism for convenient access to the under-bed storage compartment. To open,

simply pull the lifting strap and gently raise the bed base. The hydraulic system will assist in lifting and holding the base in place. To close, gently push the bed base down until it locks securely.

4.2 LED Lighting and USB Ports

The integrated LED strip and power strip offer both ambient lighting and convenient charging. The power strip includes 3 USB-A ports and 1 USB-C port for charging phones, tablets, alarm clocks, and other devices.

- **LED Control:** Customize the lighting color, brightness, lighting mode, and timer function via the included remote control or a dedicated mobile application.
- **Music Synchronization:** The LED lights can change rhythmically with music played in music synchronization mode.

5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your AOGLLATI bed.

- **Cleaning:** For the upholstered parts, use a soft, damp cloth and mild soap if necessary. Avoid harsh chemicals. For the metal frame, wipe with a dry or slightly damp cloth.
- **Fastener Check:** Periodically inspect all screws and bolts to ensure they remain tight. Re-tighten any loose fasteners to maintain stability and prevent creaking.
- **Hydraulic Mechanism:** Keep the hydraulic pistons clean and free of dust. Do not apply lubricants unless specifically recommended by the manufacturer.
- **LED Lights:** Ensure the LED strip and wiring are not damaged. If any issues arise, contact customer support.
- **USB Ports:** Keep USB ports free of dust and debris. Avoid forcing cables into the ports.

6. TROUBLESHOOTING

If you encounter any issues with your AOGLLATI bed, refer to the following common troubleshooting tips:

- **Bed is creaking:** Ensure all assembly bolts are tightened. Check that the EVA anti-noise strips are correctly installed on the slats.
- **Hydraulic lift not working smoothly:** Verify that no objects are obstructing the mechanism. Ensure the bed base is properly aligned. If the issue persists, contact customer support.
- **LED lights not working:** Check the power connection to the LED strip. Ensure the remote control batteries are functional or the mobile app is correctly paired.
- **USB ports not charging:** Confirm the bed is properly connected to a power source. Try different USB cables and devices to rule out cable or device issues.
- **Missing parts or damaged components:** If you received the product with missing parts or damage, please contact customer service immediately with your purchase details.
