GarveeHome Queen Size Bed Frame Instruction Manual

Model: FLZHGVH250308007dM | Brand: GarveeHome

INTRODUCTION

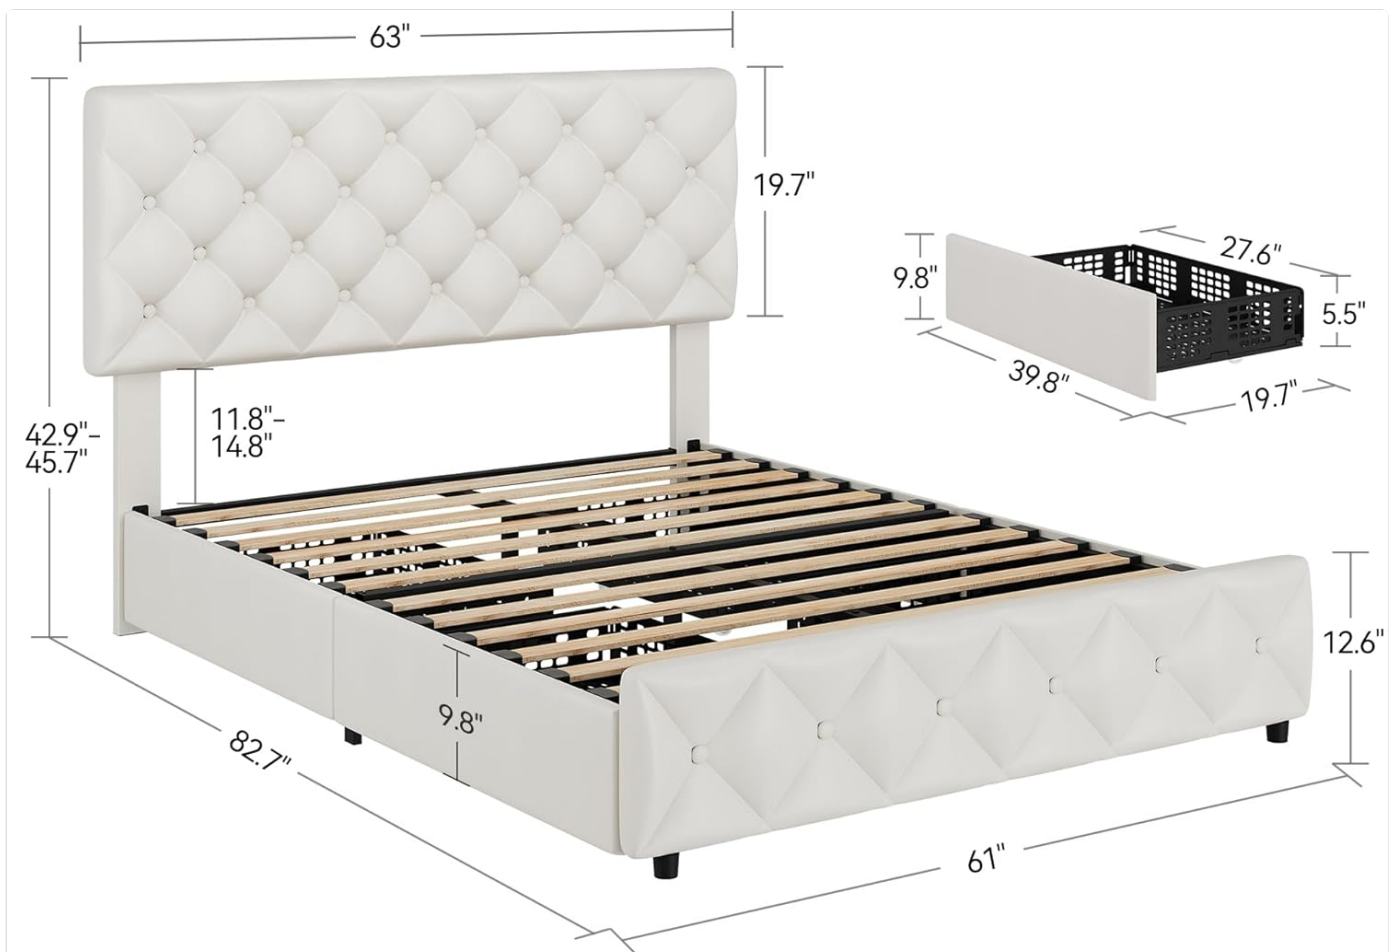

Thank you for choosing the GarveeHome Queen Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY WARNINGS

- **Headboard Adjustment:** Exercise caution when adjusting the headboard to prevent injury. Ensure hands and fingers are clear of moving parts.
- **Drawer Fixtures:** Use care around the wheels and drawer fixtures to avoid pinching.
- **Assembly:** Always follow the provided assembly instructions precisely to ensure the bed frame's stability and prevent collapse. Do not deviate from the steps.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 1000 pounds.
- **Children:** While the frame is sturdy, supervise children playing on or around the bed to prevent accidents.

PACKAGE CONTENTS

All necessary components for assembling your GarveeHome Queen Size Bed Frame are conveniently packed in one box. Please verify all parts are present and undamaged before beginning assembly. A detailed parts list will be included in the separate assembly instructions provided with your product.

• QUEEN •

Mattress recommend:

6-12 inches

Carrying capacity:

1000 lbs

Material:

Metal, wood board,
sponge, linen

SETUP AND ASSEMBLY

Detailed, step-by-step assembly instructions are included in the product packaging. Please refer to those instructions for specific guidance on assembling your GarveeHome Queen Size Bed Frame. Ensure you have adequate space and any required tools (often included or standard household tools) before starting.

General Assembly Tips:

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify all parts against the provided parts list.
- Do not fully tighten screws until all components are loosely assembled, then tighten securely.
- It is recommended to have two people for assembly to ensure safety and ease.

EVA Sponge for Quiet Sleep

Durable Wooden Slats

Strong and Durable Supporting System

OPERATING INSTRUCTIONS

Using the Storage Drawers:

Your GarveeHome bed frame includes four storage drawers designed for maximizing space. Each drawer measures approximately 27.6 inches (L) x 19.7 inches (W) x 5.5 inches (H).

- **Opening:** Gently pull the drawer handle to slide the drawer out from under the bed frame. The drawers are equipped with wheels for smooth operation.
- **Closing:** Push the drawer back into the bed frame until it is fully seated. The drawers feature fixtures designed to secure them to the bed base and prevent accidental sliding. Ensure the small screw aligns with the hole to prevent slipping out.
- **Capacity:** The drawers are suitable for storing clothing, bedding, and other smaller items. Avoid overloading to ensure smooth operation and prevent damage.

Drawers Fixtures Design

Each drawer comes with a small screw, aligning with the hole to prevent from slipping out.

• Embedded Design

• No Slipping

Anti-slip Mattress Design

The protruding footboard can effectively prevent the mattress from sliding.

Adjusting the Headboard:

The headboard of your bed frame is adjustable, allowing you to customize its height to accommodate mattresses between 6 and 12 inches thick. The headboard can be set between 42.9 inches and 45.7 inches high.

- To adjust the headboard height, locate the adjustment points on the headboard supports.
- Carefully lift or lower the headboard to your desired height. Ensure both sides are adjusted evenly.
- Secure the headboard at the chosen height according to the specific mechanism detailed in your assembly instructions. Always ensure it is firmly locked in place before use.

4 Storage Drawers

Our bed frame features four 27.6"Lx19.7"Wx5.5"H drawers, providing ample storage for bedding and clothing.

Image: Visual representation of the adjustable headboard, showing its minimum and maximum height settings.

Mattress Placement:

This platform bed frame does not require a box spring. Place your mattress directly onto the wooden slats. The footboard is designed with an anti-slip feature to prevent the mattress from shifting.

MAINTENANCE

- **Cleaning:** For the faux leather upholstery, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For spills, blot immediately with a clean, dry cloth.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Drawer Care:** Keep drawer tracks clean and free of debris to ensure smooth operation.
- **Slats:** Ensure wooden slats are properly seated and undamaged. Replace any broken slats immediately to maintain mattress support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose hardware; uneven assembly; damaged slats.	Check and tighten all bolts and screws. Ensure the frame is assembled on a level surface. Inspect slats for damage and replace if necessary. The EVA sponge strips are designed to reduce noise.
Drawers do not slide smoothly or fall out.	Debris in tracks; overloaded drawer; drawer fixture not engaged.	Clean tracks. Reduce drawer contents. Ensure the small screw on the drawer fixture is aligned and engaged with the bed base to prevent slipping.
Mattress shifts on the frame.	Mattress not properly seated; anti-slip footboard not effective.	Ensure the mattress is centered on the slats. The footboard is designed to prevent shifting; if issues persist, verify assembly of the footboard.
Headboard height adjustment issues.	Adjustment mechanism not properly engaged.	Refer to the assembly instructions for specific headboard adjustment steps. Ensure locking mechanisms are fully engaged after adjustment.
