

OTTOCAST CA515

OTTOCAST Play2Video Ultra Wireless CarPlay Android Auto Adapter AI Box User Manual

Model: CA515

1. INTRODUCTION

The OTTOCAST Play2Video Ultra is an advanced AI Box designed to enhance your in-car entertainment and connectivity. It converts your vehicle's existing wired CarPlay system into a wireless CarPlay and Android Auto experience, while also providing access to popular streaming applications directly on your car's display. This manual provides detailed instructions for setup, operation, and maintenance of your device.

2. SAFETY INFORMATION

Please read and follow these safety guidelines to ensure proper operation and prevent damage to the device or your vehicle:

- Do not operate the device in a manner that distracts you from driving. Always prioritize road safety.
- Ensure the device is securely placed and does not obstruct your view or interfere with vehicle controls.
- Avoid exposing the device to extreme temperatures, direct sunlight for prolonged periods, or moisture.
- Do not attempt to disassemble or modify the device. This will void the warranty and may cause damage.
- Use only the provided cables and accessories.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x Play2Video Ultra Device
- 1 x USB-A Female to Type-C Male Adapter
- 1 x USB Y Cable
- 1 x User Manual

Widely Compatible

The graphic is divided into three main sections. The left section lists compatible iPhone models (iPhone 16, 16 Plus, 16 Pro, 16 Pro Max, iPhone 15, 15 Plus, 15 Pro, 15 Pro Max, iPhone 14, 14 Plus, 14 Pro, 14 Pro Max, iPhone 13, 13 Plus, 13 Pro, 13 Pro Max) and Android models (Google Pixel 9 Pro Fold, 9 Pro, 8A, 8A Pro, 6/6 Pro, 5, 4/4XL, 4, 3/3XL, LG V60/V50/G8/G8X, Samsung Galaxy S23, S23+, S23 Ultra, S22, S22+, S22 Ultra, S21, S21+, S21 Ultra, S20, S20+, S20 Ultra, Samsung Note 20, Note 20 Ultra). The middle section features a QR code with the text 'Scan to see if your vehicle is compatible'. The right section is titled 'Vehicle compatibility' and states 'Works with 98% of vehicles equipped with wired CarPlay', accompanied by an image of several cars.

4. SETUP GUIDE

Follow these steps to install and set up your OTTOCAST Play2Video Ultra:

- 1. Connect the Device:** Locate your vehicle's wired CarPlay USB port. Plug the OTTOCAST Play2Video Ultra device into this port using the provided USB cable. If your car has a USB-C port, use the included USB-A to Type-C adapter. For some vehicles, the Y-cable may be required for stable power delivery.
- 2. Initial Boot-up:** After connecting, the device will power on. The car's infotainment screen should display the OTTOCAST boot screen. This process typically takes 10-15 seconds.
- 3. Connect to Wi-Fi/Hotspot:** On your car's screen, navigate to the device's settings. Connect the Play2Video Ultra to a Wi-Fi network or your mobile hotspot for internet access. This is necessary for streaming services and FOTA updates.
- 4. Pair with Your Phone (Wireless CarPlay/Android Auto):**
 - **For iPhone (Wireless CarPlay):** On your iPhone, go to Settings > Bluetooth and pair with the OTTOCAST device. Follow any on-screen prompts on both your phone and car display to enable CarPlay.
 - **For Android (Wireless Android Auto):** On your Android phone, ensure Bluetooth and Wi-Fi are enabled. Open the Android Auto app (if not already running) and follow the prompts to connect to the OTTOCAST device via Bluetooth.
- 5. Access Streaming Apps:** Once connected to the internet, you can access pre-installed streaming applications like Netflix, YouTube, and Prime Video directly from the device's interface on your car screen.

Easy Setup: Plug, Connect, Enjoy in Seconds

Image: Visual guide illustrating the three-step setup process: plug-in, Wi-Fi connection, and content playback.

5. OPERATING INSTRUCTIONS

5.1 Wireless CarPlay & Android Auto

The Play2Video Ultra automatically converts your wired CarPlay into a wireless connection. Once paired, your phone will connect automatically when you start your vehicle. This allows for hands-free navigation, music playback, and calls.

Image: The 3-in-1 AI Box functionality showing Android 12, Wireless CarPlay, and Wireless Android Auto interfaces on a car display.

5.2 Streaming Entertainment

The device comes with pre-installed applications such as Netflix, YouTube, IPTV, and Amazon Video. Ensure the device is connected to a stable Wi-Fi network or mobile hotspot to stream content. You can also add up to 5 additional apps via the App Hub.

No more boring drives!

Watch movies, shows, and live TV directly
on your car display

Includes 5 built-in apps:

Plus up to 5 more apps via App Hub

Image: A car interior with the infotainment screen displaying Netflix, demonstrating in-car entertainment.

5.3 Media Playback via USB Drive

The Play2Video Ultra supports offline media playback from a USB drive (up to 128GB). Insert a USB drive containing your media files into the device's USB port. You can then access and play these files through the device's interface, even without an internet connection.

Support Media Playback via USB Drive

Experience uninterrupted video streaming, even in low-network areas

Image: The OTTOCAST device connected to a USB drive, enabling offline media playback on the car's display.

5.4 Control Methods

The device supports various control methods, integrating seamlessly with your vehicle's existing systems:

- **Voice Assistant:** Use your car's voice assistant for commands.
- **Touch Screen Control:** Directly interact with the car's touch screen.
- **Steering Wheel Control:** Utilize your steering wheel buttons for navigation and media control.
- **OEM Knob Control:** Compatible with original equipment manufacturer (OEM) control knobs.

What's in the box

- ① Play2Video Ultra × 1
- ② USB Type-A to C Adapter × 1
- ③ USB Y-Cable × 1
- ④ User Manual × 1
- ⑤ OTTOCAST Packaging × 1

Dimensions: 3.1 × 1.5 × 0.6 in

Cable Length: 4.9 in

Weight: 1.34 oz

Image: Depiction of the multiple control options available, including voice, touch, steering wheel, and OEM knob controls.

6. FEATURES

- **Wireless Connectivity:** Supports Bluetooth 5.4 and Dual-Band Wi-Fi 6 for fast and stable connections.
- **Powerful Performance:** Equipped with 4GB RAM and 32GB ROM for smooth operation and app handling.
- **Android 12 System:** Runs on an optimized Android 12 system for a familiar and intuitive user experience.
- **App Hub:** Access and install additional applications beyond the pre-installed ones.
- **FOTA Updates:** Firmware Over-The-Air updates ensure your device always has the latest features and improvements.
- **Compact Design:** Small form factor (79 x 39 x 15 mm) for discreet installation.

Product Dimensions	3.11"L x 1.53"W x 0.59"H (79 x 39 x 15 mm)
Item Weight	1.34 ounces (38 Grams)
Operating Temperature	-20°C to 70°C

9. TROUBLESHOOTING

If you encounter issues with your OTTOCAST Play2Video Ultra, refer to the following common solutions:

- **Device Not Powering On:** Ensure the USB cable is securely connected to both the device and a functional USB port in your car. Try a different USB port if available.
- **No Display on Car Screen:** Verify your car's infotainment system is set to the CarPlay input. Restart your car and the device.
- **Wireless CarPlay/Android Auto Not Connecting:**
 - Ensure Bluetooth and Wi-Fi are enabled on your phone.
 - Forget the device from your phone's Bluetooth settings and re-pair.
 - Check that your phone's operating system meets the compatibility requirements (iOS 10+ or Android 11+).
- **Streaming Apps Not Working/Buffering:**
 - Confirm the device is connected to a stable internet source (Wi-Fi or mobile hotspot).
 - Check your internet connection speed. For optimal performance, a 5G Wi-Fi connection is recommended.
 - Ensure the streaming app is updated to its latest version.
- **Lag or Slow Performance:** Restart the device. Ensure there are no excessive background applications running.
- **Vehicle Compatibility Issues:** Double-check your vehicle's compatibility using the provided link in Section 7.2.

10. MAINTENANCE

To ensure the longevity and optimal performance of your OTTOCAST Play2Video Ultra:

- Keep the device clean by wiping it with a soft, dry cloth. Avoid liquid cleaners.
- Store the device in a cool, dry place when not in use.
- Regularly check for and install FOTA updates to benefit from performance improvements and new features.

11. WARRANTY AND SUPPORT

The OTTOCAST Play2Video Ultra comes with a 2-year product protection plan. For technical support, warranty claims, or further assistance, please contact OTTOCAST customer service through their official website or the retailer where the product was purchased.
