3. SETUP

3.1 Charging the Earbuds

Before first use, fully charge the earbuds and the charging case. Connect the provided USB A to C charging cable to the charging case and a power source. The charging case takes approximately 90 minutes for a full recharge.

3.2 App Installation and Pairing

1. Download the companion app (WAS-M3) from your device's app store (Google Play or Apple App Store).
2. Open the charging case to activate the earbuds.
3. Enable Bluetooth on your mobile phone and search for 'WAS-M3' to pair.
4. Open the WAS-M3 app and follow the on-screen instructions to connect the earbuds.

3.3 Offline Language Download

Use the provided Offline Language Redemption Card to activate and download 11 major languages for offline translation. This feature allows translation without an internet connection.

Long-lasting Battery

5 hrs Battery Life With Charging Case	5 hrs Continuous translation
90 mins Fully Charged Over Type-C Port

4. OPERATING INSTRUCTIONS

The ANFIER M3 earbuds offer five smart translation modes to suit various communication scenarios:

4.1 Translation Modes

- **Touch Mode:** Each person wears one earbud. Tap your earbud to speak, and the translation will be heard in the other person's earbud.
- **Speaker Mode:** One person wears an earbud, and the other person speaks into the phone. The translation is played through the phone's speaker and heard in the earbud.
- **Free Talk Mode:** Both users wear an earbud. Speak naturally, and the earbuds will automatically detect and translate speech in real-time.
- **Offline Mode:** Utilizes pre-downloaded language packs for translation without an internet connection.
- **Photo Translation:** Use your phone's camera through the app to translate text from images (e.g., menus, signs).

4.2 Music Playback & Calls

The earbuds can also be used for listening to music and making/receiving phone calls. Ensure they are paired via Bluetooth to your device. Controls for playback and calls are typically managed through your connected device.

5. MAINTENANCE

5.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Avoid using abrasive materials or harsh chemicals.

5.2 Storage

Store the earbuds in their charging case when not in use to protect them from dust and damage. Keep them in a cool, dry place away from extreme temperatures.

5.3 Battery Care

To prolong battery life, avoid fully discharging the earbuds frequently. Charge them regularly, even if not in constant use.

6. TROUBLESHOOTING

6.1 Pairing Issues

- Ensure earbuds are charged and the charging case is open.
- Turn off and on your phone's Bluetooth.
- Forget the device in your Bluetooth settings and try pairing again.
- Restart your mobile phone.

6.2 Translation Accuracy/Speed

- Ensure a stable internet connection (if not using offline mode).
- Speak clearly and at a moderate pace.
- Check microphone and speaker settings within the app.
- Update the app to the latest version.

6.3 Audio Problems

- Check earbud fit and try different sized ear tips.
- Clean the earbud speakers and microphone.
- Ensure volume levels are adjusted correctly on both the earbuds and your connected device.
