CaDA C56045W

CaDA C56045W NASA Space Exploration Building Block Set

Model: C56045W | Brand: CaDA

INTRODUCTION

This manual provides essential information for the assembly, operation, and care of your CaDA C56045W NASA Space Exploration Building Block Set. This set allows you to construct detailed models of a Mars Rover, Rocket, and Space Station, offering an immersive aerospace building experience. Please read these instructions carefully before beginning assembly.

SAFETY INFORMATION

- **WARNING: CHOKING HAZARD** – Small parts. Not for children under 3 years.
- This product is recommended for ages 14 and up.
- Keep all packaging materials away from children.
- Do not ingest any parts.

PACKAGE CONTENTS

Your CaDA C56045W set includes:

- 192 high-precision building block pieces.
- Detailed Assembly Guide.
- Certificate of Authenticity.

ASSEMBLY INSTRUCTIONS

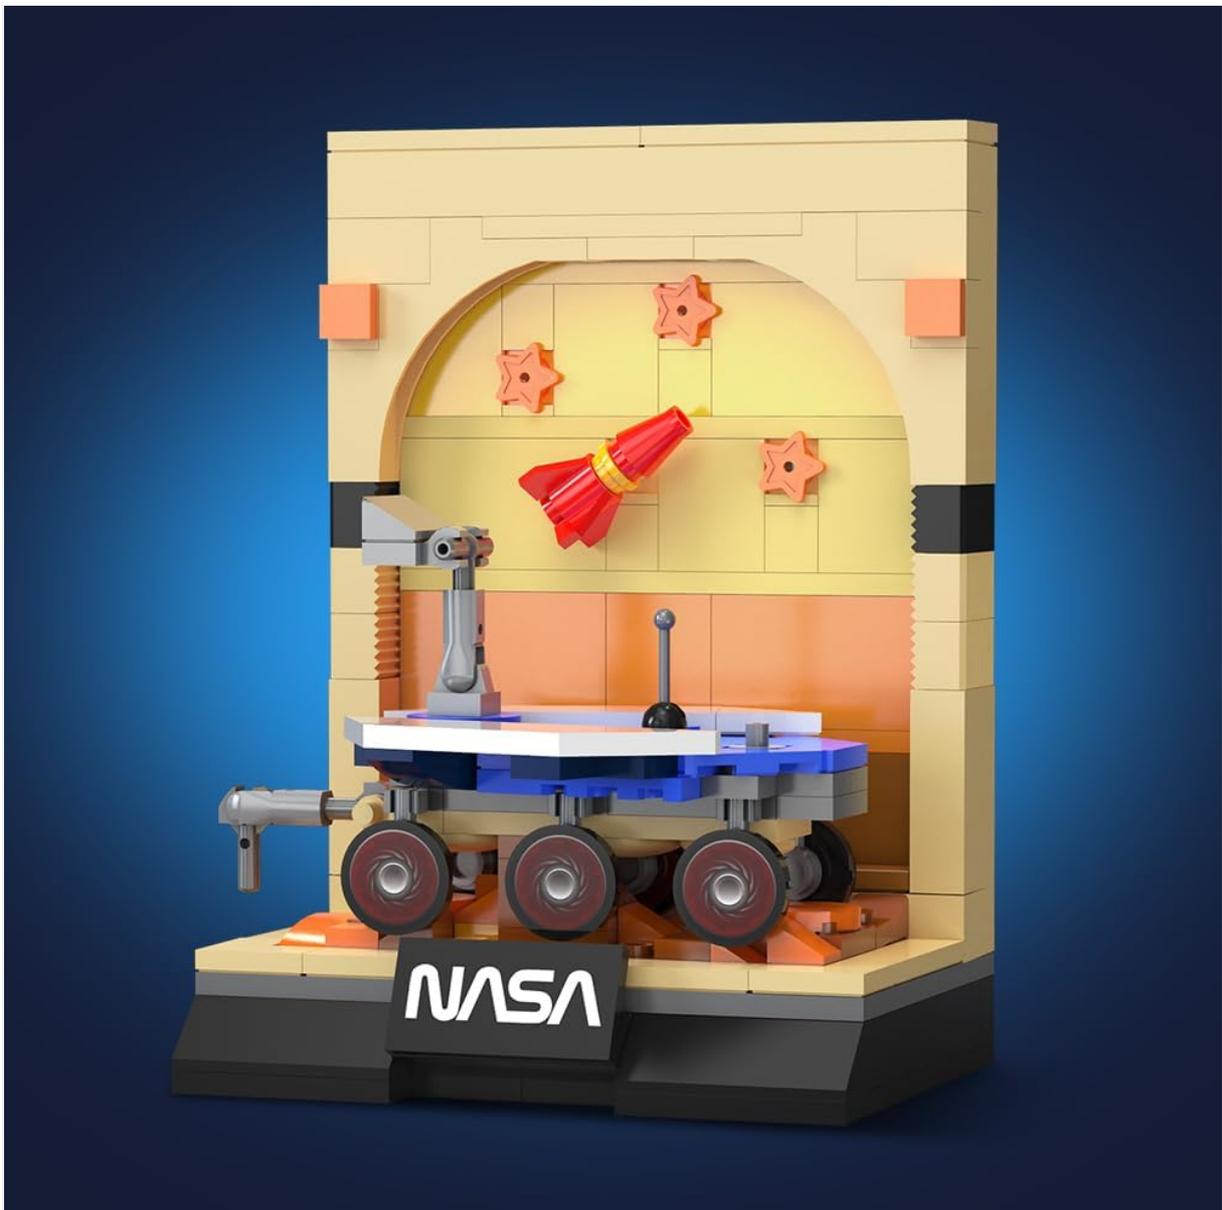

The CaDA C56045W set comes with a comprehensive physical Assembly Guide. Please refer to this guide for detailed, step-by-step instructions and illustrations for constructing your Mars Rover, Rocket, and Space Station models.

1. Carefully open the packaging and remove all building block pieces. Organize them by color or shape if desired to facilitate assembly.

2. Refer to the included Assembly Guide for detailed, illustrated instructions on how to connect each piece. Follow the sequence provided.
3. Assemble the Mars Rover, Rocket, and Space Station components as directed in the guide.
4. Ensure all connections are secure for a stable and durable model.

This image displays the fully assembled CaDA C56045W building block set, featuring a detailed Mars Rover, a small rocket, and a space station element, all mounted on a themed display base. The model number C56045W and piece count (192 PCS) are visible.

A full perspective of the CaDA C56045W model, showcasing the intricate details of the Mars Rover and its surrounding space exploration elements.

OPERATING THE MODEL

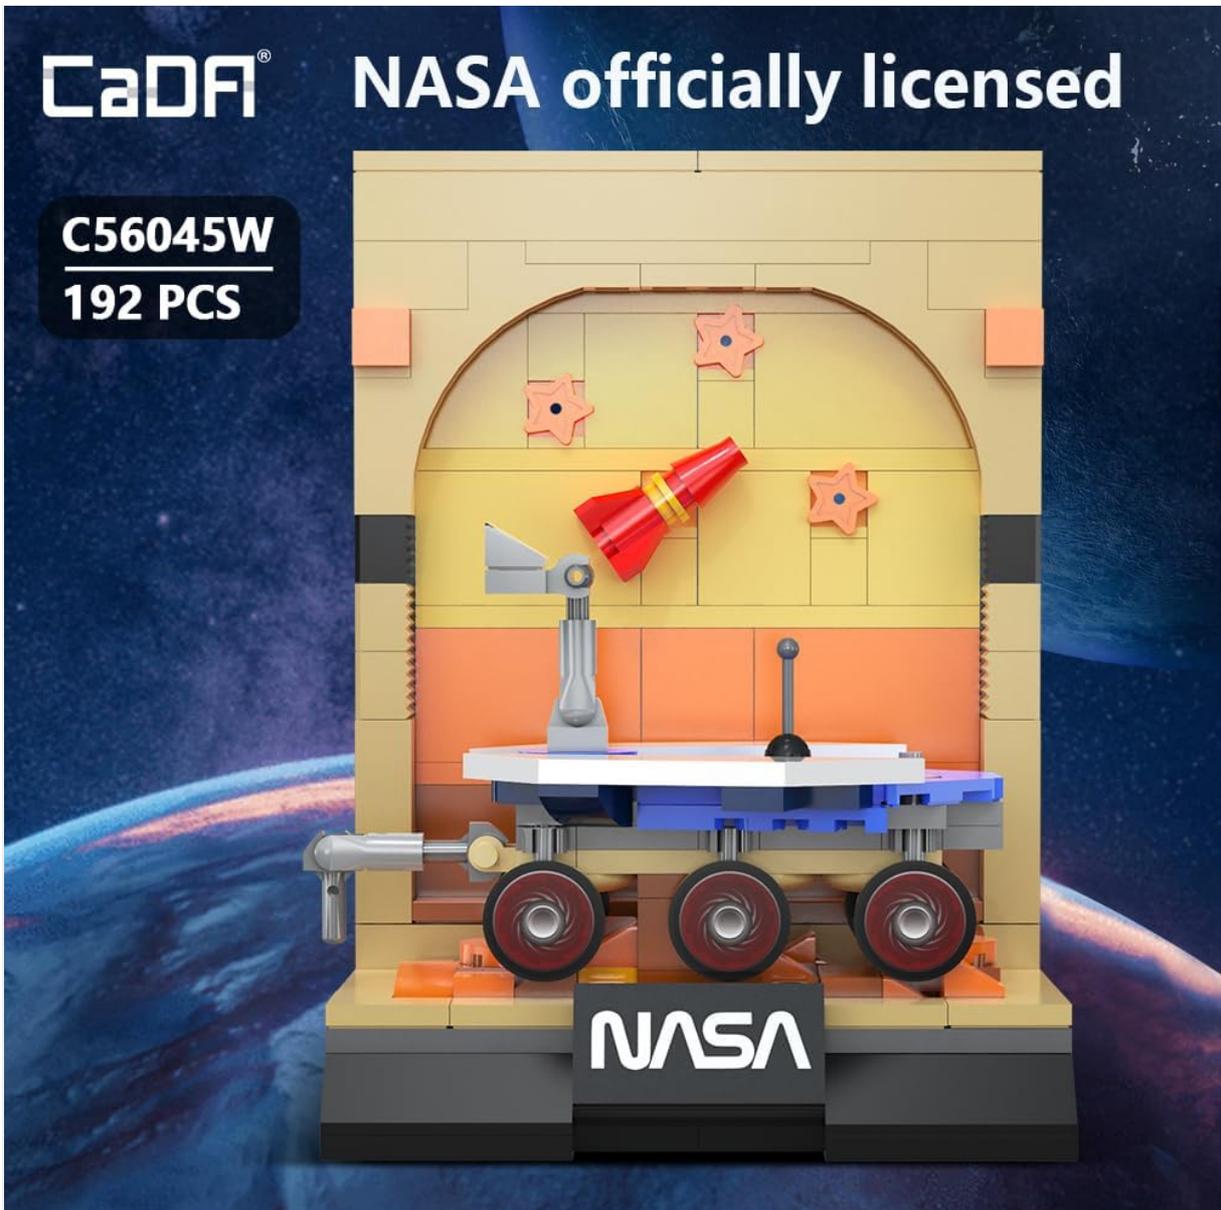

Once assembled, your CaDA C56045W model offers interactive features for display and gentle play:

- **Mars Rover:** The rover features rotatable wheels for simulated movement across a surface and a multi-angle adjustable robotic arm for interactive posing.
- **Launcher:** The launcher component is designed to simulate takeoff, adding a dynamic element to your display.
- **Display:** The star-shaped arched base walls create a vivid Martian exploration scene, perfect for showcasing the model on a desktop or bookshelf.

192 PCS

This image shows the CaDA C56045W Mars Rover model alongside a photograph of a real Mars Rover, illustrating the inspiration for the design. Text indicates that the components of the Mars Rover can be disassembled and used for play, emphasizing its interactive features.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your CaDA C56045W model:

- **Cleaning:** To clean the model, gently wipe with a dry, soft cloth. Avoid using water, harsh chemicals, or abrasive cleaners, as these may damage the plastic or printed details.
- **Storage:** Store the assembled model or unbuilt pieces in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or deformation of the plastic.
- **Handling:** Handle the model with care to prevent pieces from detaching. Avoid dropping or applying excessive force.

TROUBLESHOOTING

If you encounter any issues during assembly or with your finished model, please refer to these common solutions:

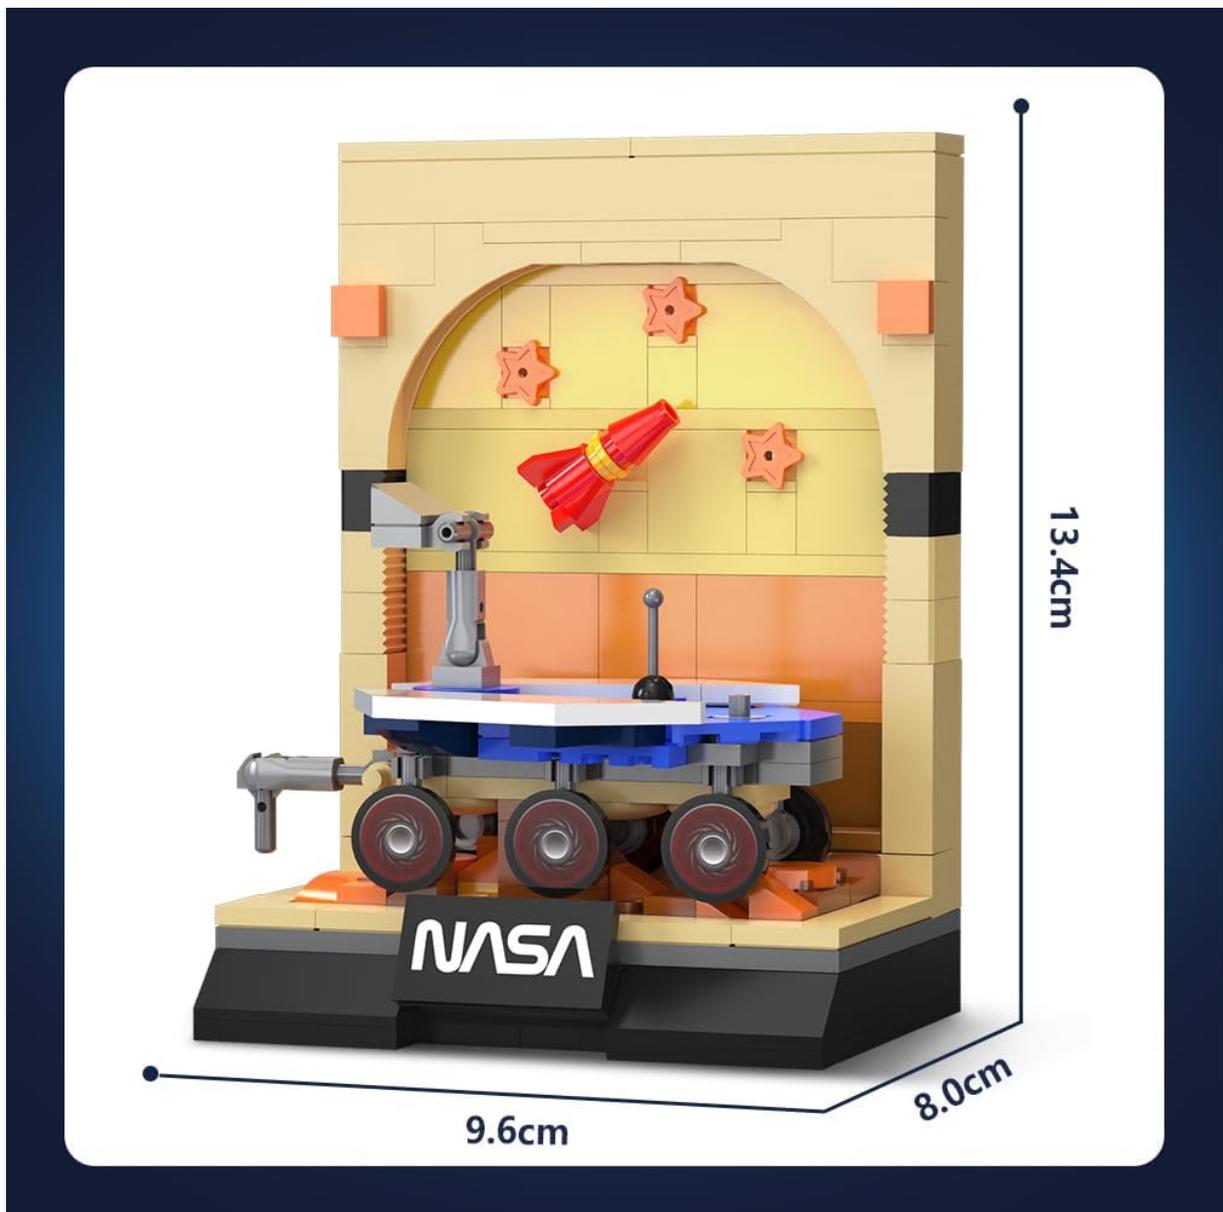

- **Missing Pieces:** If you find any pieces missing from your set, please contact CaDA customer support

directly. Provide your product model number (C56045W) and a detailed description of the missing parts.

- **Difficulty Assembling:** Ensure you are following the Assembly Guide steps precisely. Double-check the orientation and connection points of each piece. Sometimes, a piece may appear similar to another but has a slightly different connection.
- **Loose Connections:** If parts feel loose after assembly, gently press them together firmly until they click into place. Ensure the correct pieces are used for each connection.

SPECIFICATIONS

Item	Detail
Model Number	C56045W
Brand	CaDA
Number of Pieces	192
Recommended Age	14 years and up
Assembled Dimensions (L×W×H)	9.6 cm × 8.0 cm × 13.4 cm (approx. 3.78 × 3.15 × 5.28 inches)
Item Weight	7 ounces (approx. 198 grams)
Material	High-precision ABS plastic building blocks

This image provides a visual representation of the assembled model's dimensions, indicating a length of 9.6 cm, a width of 8.0 cm, and a height of 13.4 cm, useful for planning display space.

WARRANTY AND SUPPORT

For warranty information, assistance with missing parts, or technical support, please contact CaDA customer service directly. Refer to the contact information provided in your product packaging or visit the official CaDA website for the most up-to-date support details.
