

DICTAC LB-07pro

DICTAC Twin Over Twin Bunk Bed with Desk and Storage, LED Lights, and Charging Station

Model: LB-07pro | Brand: DICTAC

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your DICTAC Twin Over Twin Bunk Bed. This L-shaped metal bunk bed is designed to maximize space efficiency, offering two sleeping areas, an integrated study desk, storage solutions, RGB LED lighting, and a convenient charging station. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

2. SAFETY INFORMATION

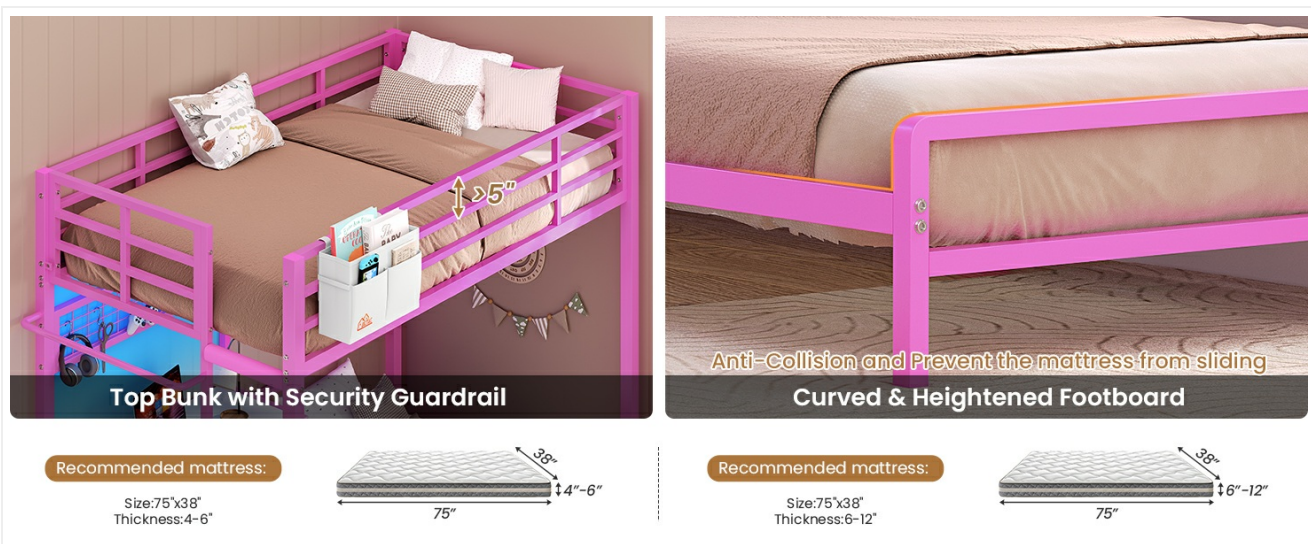

Adherence to the following safety guidelines is crucial for preventing injury and ensuring the longevity of your bunk bed.

- **Guardrails:** The upper bunk is equipped with 13.11-inch full-length and heightened guardrails. Ensure these are properly installed and maintained to prevent falls.
- **Mattress Thickness:** For the upper bunk, a mattress thickness of 4-6 inches is recommended to maintain proper clearance from the guardrails. The top surface of the mattress must be at least 5 inches (127mm) below the top edge of the guardrail.
- **Anti-Tipping Device:** Utilize the provided anti-tipping device to securely fix the bunk bed to the wall. This enhances stability and prevents accidental tipping.
- **Weight Capacity:** Do not exceed the specified weight limits for each bunk. (Refer to Specifications section for details).
- **Assembly:** Assembly should be performed by at least two adults. Follow all instructions carefully.

- **Ladder Safety:** Ensure the ladder is securely attached before use. Use the ladder pads for comfortable climbing.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Metal Bunk Bed Frame components
- Integrated Study Desk
- Storage Shelves and Fabric Drawer
- RGB LED Light Kit
- Charging Station (2 AC Outlets, 2 USB Ports)
- Metal Decorative Mesh with 6 Hooks
- Hanging Clothes Rail
- Removable Bedside Caddy Bag with 2 Hooks
- Assembly Tools
- Installation Manual

4. SETUP (ASSEMBLY)

Assembly is required for this bunk bed. It is recommended that two adults perform the assembly. All parts are clearly labeled and numbered to facilitate the process. Follow the included installation manual step-by-step.

4.1 General Assembly Tips

- Lay out all components on a soft, clean surface to prevent scratches.
- Do not fully tighten all bolts until the entire structure is assembled. This allows for minor adjustments to ensure proper alignment.
- Use hand tools for tightening. Power tools may overtighten and strip screws or damage components.
- Ensure all connections are secure before use.

4.2 Key Assembly Features

- **Buckle Design:** The metal slats feature a buckle design for simplified installation and to prevent noise from movement.
- **Ladder Pads:** Soft pads are included for the ladder rungs to enhance comfort during climbing.

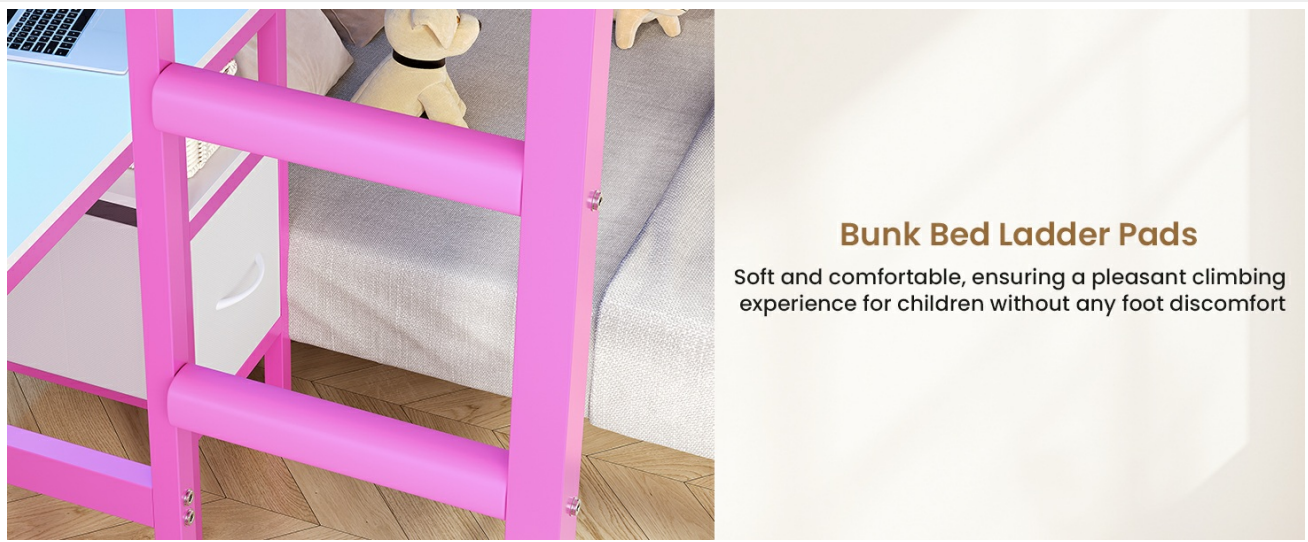

Figure 4: Detail of the buckle design on metal slats for secure and quiet support.

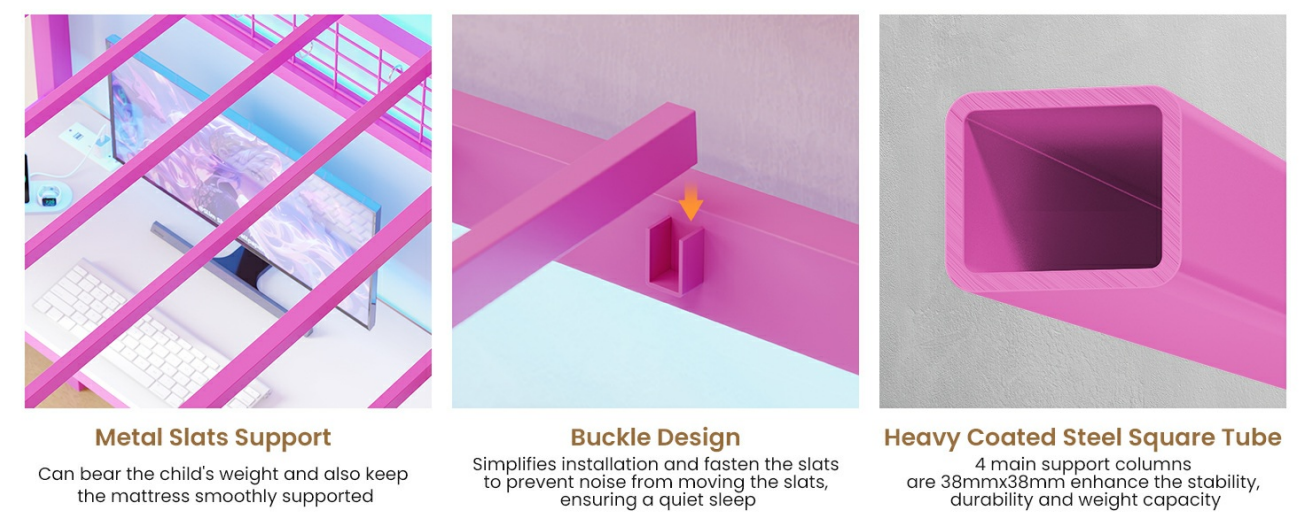

Figure 5: Ladder rungs equipped with soft pads for improved user comfort.

5. OPERATING INSTRUCTIONS

5.1 RGB LED Lighting

The integrated RGB LED lights offer customizable illumination. Control options include a physical key controller or a dedicated mobile application.

- **Key Control:** Use the provided key controller to cycle through colors, adjust brightness, and select basic flashing modes.
- **APP Control:** Download the companion app (refer to the LED light kit instructions for app details) to unlock advanced features, including over 60,000 colors, music synchronization, microphone mode, timing functions, and custom styles.

5.2 Built-in Charging Station

The study desk includes a built-in charging station for electronic devices.

- **Outlets:** Features 2 standard 125V/12A AC outlets.
- **USB Ports:** Includes 2 USB ports (5V/2.1A) for charging smaller devices.
- **Power Cord:** The charging station is equipped with a 5.2-foot power cord.

Figure 7: Detail of the charging station on the study desk, providing power for devices.

5.3 Storage Solutions

The bunk bed incorporates multiple storage features to help organize the space.

- **Study Desk:** Provides a surface for laptops, monitors, or other study/work items.
- **Open Shelf:** One open shelf is available for books or decorative items.
- **Fabric Drawer:** One fabric storage drawer offers concealed storage.
- **Metal Decorative Mesh:** A metal mesh panel with 6 hooks is ideal for hanging small accessories like headphones, keys, or clocks.
- **Hanging Clothes Rail:** A rail is provided for hanging clothes or other garments.
- **Bedside Caddy:** A removable bedside caddy bag with 2 hooks can be attached to the upper bunk for convenient access to small items.

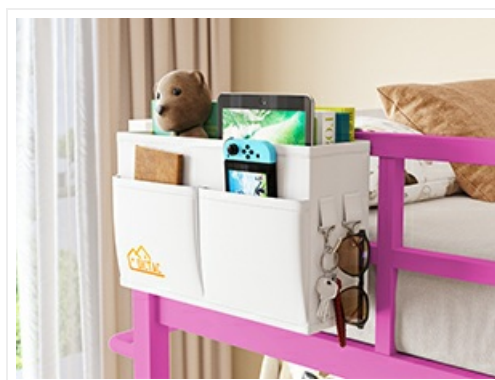

Figure 9: Removable bedside caddy for convenient storage on the upper bunk.

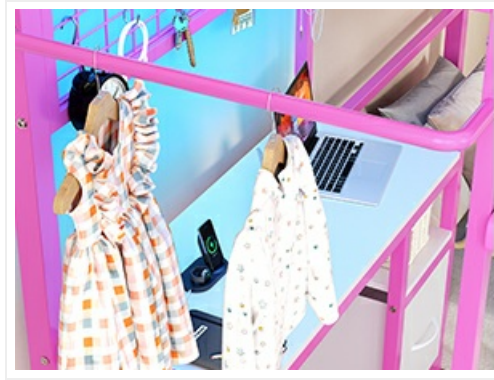

Figure 10: Handy clothes rail for organizing garments.

6. MAINTENANCE

Regular maintenance helps preserve the condition and functionality of your bunk bed.

- **Cleaning:** Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the powder-coated finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- **LED Lights:** Ensure the LED light strip and connections are free from dust and damage.
- **Charging Station:** Keep the charging station free of debris. Do not expose to liquids.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Assembly Difficulties:** If holes do not align or parts seem misfitted, double-check the orientation of the components. Sometimes rotating a part 180 degrees can resolve alignment issues. Ensure not to overtighten screws during initial assembly.
- **Stripped Screws:** If a screw head strips, use a spare if available. Exercise caution when tightening to prevent stripping.
- **LED Lights Not Working:** Check all power connections. Ensure the power adapter is securely plugged into a working outlet and the LED strip is properly connected to the controller. If using the app, ensure Bluetooth is enabled and the app is correctly paired.
- **Charging Station Not Functioning:** Verify the charging station's power cord is fully plugged into a wall outlet. Test the outlet with another device to confirm it has power.
- **Bed Wobbles:** Ensure all bolts are fully tightened. Confirm the anti-tipping device is correctly installed and secured to the wall.

8. SPECIFICATIONS

Feature	Detail
Model Number	LB-07pro
Size	Twin over Twin Size

Feature	Detail
Product Dimensions	78"L x 76.77"W x 72.24"H
Color	Pink-pro (as per current product)
Frame Material	Metal (Powder Coated)
Upper Bunk Weight Capacity	400 lbs
Lower Bunk Weight Capacity	450 lbs
Recommended Upper Bunk Mattress Thickness	4-6 inches
Charging Station	2 AC Outlets (125V/12A), 2 USB Ports (5V/2.1A)
Special Features	L-Shaped Configuration, Integrated Desk, Storage (Shelf, Fabric Drawer), RGB LED Lights, Charging Station, Safety Guardrails, Ladder, Anti-Tipping Device, Bedside Caddy, Metal Decorative Mesh, Hanging Rail
Assembly Required	Yes
Item Weight	104 Pounds
