Smatree MS86T

Smatree MS86T Hard EVA Protective Sleeve with Stand Instruction Manual

Model: MS86T

INTRODUCTION

The Smatree MS86T Hard EVA Protective Sleeve with Stand is designed to provide robust protection and enhanced usability for your laptop. This 2-in-1 accessory functions as both a protective case and an adjustable stand, suitable for various working environments.

This sleeve is specifically compatible with the following 16-inch and 15.6-inch ASUS laptop models:

- 16 inch ASUS Zenbook S16 UX5606
- 16 inch ROG Zephyrus G16 2026 GU606/2025/2024
- 15.6 inch Vivobook S 15 M5506
- 16 inch ASUS Vivobook 16 Flip TP3607

The internal dimensions of the case are 37 x 25.8 x 1.7 cm (14.57 x 10.16 x 0.7 inches).

SETUP

To set up your Smatree MS86T sleeve and integrate your laptop:

1. **Open the Sleeve:** Unzip the sleeve completely and lay it flat on a stable surface.

2. **Insert Laptop:** Carefully place your compatible ASUS laptop into the sleeve. Ensure it fits snugly within the internal elastic bands designed to secure it.

3. **Deploy the Stand:** The sleeve features an internal foldable stand. Gently lift the laptop and adjust the stand to your desired height. The stand can be set to various angles to suit different working postures.

OPERATING THE STAND

The integrated stand offers ergonomic benefits and improved cooling for your laptop:

- **Adjustable Height:** The foldable stand allows you to adjust the laptop's height, promoting a more comfortable typing and viewing experience. This helps reduce strain during prolonged use.

- **Enhanced Cooling:** By elevating the laptop, the stand creates space underneath, facilitating better airflow and heat dissipation. This helps maintain optimal laptop performance and longevity.

- **Easy Charging Access:** The design ensures that charging ports remain accessible while the laptop is on the stand, allowing for convenient power connection.

CARE AND MAINTENANCE

Proper care ensures the longevity and effectiveness of your Smatree MS86T protective sleeve:

- **Cleaning:** The sleeve is made of durable 1600d nylon and is washable. If the sleeve becomes dirty, it can be cleaned with a damp cloth and mild soap. Allow it to air dry completely before reuse.

- **Water Resistance:** The exterior material effectively obstructs water splashes. While it offers protection against light moisture, it is not designed for submersion.

- **Protection:** The hard EVA shell and internal shock-resistant padding provide 360-degree protection against inadvertent collisions and accidental scratches. Avoid placing excessively heavy objects on the sleeve to

prevent deformation.

TROUBLESHOOTING

If you encounter any issues with your Smatree MS86T sleeve, consider the following:

- **Laptop Fit:** Ensure your laptop model is listed as compatible. If you are unsure, measure your laptop's overall dimensions and compare them to the internal dimensions of the case (37 x 25.8 x 1.7 cm). An incorrect fit may compromise protection and stand stability.

- **Stand Stability:** The internal stand is designed for stability. If it feels unstable, ensure the laptop is correctly seated within the elastic bands and the stand mechanism is fully extended and locked into position.

- **Cleaning Difficulties:** For stubborn stains, a gentle brush with mild soap and water can be used. Avoid harsh chemicals or abrasive materials that could damage the fabric.

For further assistance, please contact Smatree customer service.
