GarveeLife 7 FT Pool Table Instruction Manual

Model: vI5ZVJwTBED-695MfBsdmQ5F

1. INTRODUCTION

Thank you for choosing the GarveeLife 7 FT Pool Table. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new billiard table. Please read all instructions carefully before beginning assembly or use to ensure optimal performance and longevity of the product.

2. SAFETY INFORMATION

- Ensure all components are securely fastened during assembly. Loose parts can lead to instability and potential injury.
- This product is heavy. Assembly requires at least two adults. Do not attempt to lift or move the table alone.
- Keep small children and pets away from the assembly area to prevent accidents.
- Do not sit or stand on the table. It is designed for playing billiards only.
- Use only the provided or recommended accessories to avoid damage to the table or injury.
- Place the table on a level surface to ensure proper gameplay and stability.

3. PACKAGE CONTENTS

Verify that all items listed below are present and undamaged before proceeding with assembly. If any parts are missing or damaged, please contact customer support.

- GarveeLife 7 FT Pool Table (main frame, playing surface, legs)
- 2 Cue Sticks (57" double-section cues)
- 1 Set of Billiard Balls (American flowers: 1 box)

- 2 Pieces of Pool Cue Chalk
- 1 Plastic Tripod (black)
- 1 Plastic Cleaning Brush
- Assembly Hardware (screws, bolts, etc.)

4. SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. It is recommended to have at least two people for this process due to the size and weight of the table components.

1. **Unpacking:** Carefully remove all components from the packaging. Keep all packaging materials until assembly is complete in case of returns or missing parts.
2. **Identify Components:** Refer to the parts list (if provided separately) and the included accessories image to identify each component.
3. **Leg Assembly:** Attach the X-shaped legs to the main table frame using the provided hardware. Ensure all bolts are tightened securely. The unique X-shaped leg design provides stability.
4. **Leveling:** Once the table is assembled, place it in its desired location. Use the integrated leg levelers

(if applicable) to ensure the playing surface is perfectly flat. Use a spirit level for accuracy.

5. **Final Checks:** Double-check all connections and ensure the table is stable before use.

Video: Detailed assembly instructions for a 7 FT Pool Table with Automatic Ball Return. This video demonstrates the step-by-step process of putting together the table components, including attaching legs and ensuring stability.

5. OPERATING INSTRUCTIONS

Playing billiards on your GarveeLife table is straightforward. Here are some basic guidelines:

- **Racking the Balls:** Use the plastic tripod to arrange the billiard balls in a triangular formation at one end of the table, with the apex ball on the foot spot.
- **Breaking:** Place the cue ball behind the head string. Use a cue stick to strike the cue ball, aiming to scatter the racked balls.
- **Gameplay:** Follow standard billiard rules for your chosen game (e.g., 8-ball, 9-ball). The objective is to pocket your designated balls using the cue ball.
- **Chalking the Cue:** Apply chalk to the tip of your cue stick before each shot to improve friction and prevent miscuing.

6. MAINTENANCE

Regular maintenance will help preserve the condition and playability of your pool table:

- **Cleaning the Felt:** Use the provided cleaning brush to gently brush the felt in one direction, from the head of the table towards the foot, to remove dust and chalk residue. Avoid harsh chemicals or excessive moisture.
- **Cleaning the Balls:** Wipe billiard balls with a soft, damp cloth to keep them clean and free of chalk.
- **Table Frame:** Wipe the table frame with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** When not in use, consider covering the table with a dust cover (not included) to protect the felt and frame from dust and spills.

- **Environmental Conditions:** Avoid placing the table in direct sunlight or in areas with extreme temperature fluctuations or high humidity, as this can warp the wood.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Uneven Playing Surface:** If balls roll to one side, the table is not level. Adjust the leg levelers (if equipped) on the bottom of the table legs until the surface is perfectly flat. Use a spirit level for accuracy.
- **Balls Not Rebounding Properly:** Ensure the table is clean and free of debris. Check the condition of the cushions; if they are worn or damaged, they may need replacement.
- **Cue Stick Issues:** If cue tips are not performing well, they may need to be reshaped or replaced. Ensure chalk is applied regularly.
- **Loose Components:** Periodically check all screws and bolts and tighten them as necessary to maintain table stability.

8. SPECIFICATIONS

Feature	Detail
Brand	GarveeLife
Model Name	vI5ZVJwTBED-695MfBsdmQ5F
Product Dimensions (L x W x H)	84" x 46.5" x 32.7"
Material	Engineered Wood (HDF + Solid Wood)
Item Weight	219.4 Pounds
