ZEEHOO B0FPCX72CN

ZEEHOO FoldTrack 3-in-1 Magnetic Wireless Charging Station User Manual

Model: B0FPCX72CN

1. INTRODUCTION

Thank you for choosing the ZEEHOO FoldTrack 3-in-1 Magnetic Wireless Charging Station. This device is designed to provide efficient and convenient charging for your iPhone, Apple Watch, and AirPods simultaneously. Featuring Qi2 certification and a foldable design, it is ideal for both home and travel use.

2. WHAT'S IN THE Box

- 1 x ZEEHOO FoldTrack 3-in-1 Wireless Charging Station
- 1 x 30W USB-C Fast Charger Adapter
- 1 x 5ft USB-C to USB-C Charging Cable
- 1 x 0.55ft USB-C Lanyard Charging Cable
- 1 x User Manual

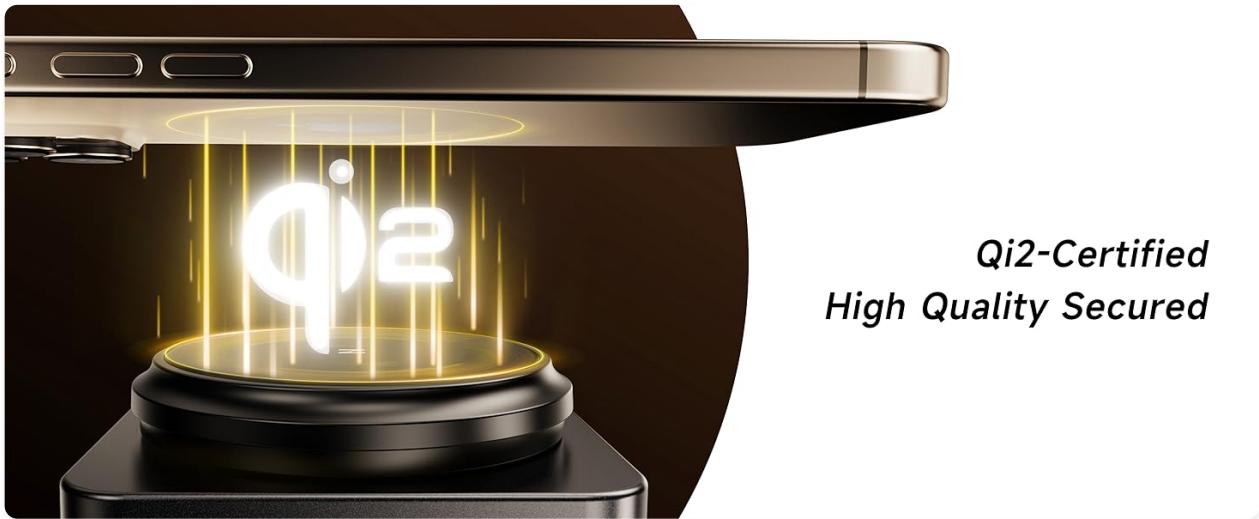

Image: All items included in the ZEEHOO FoldTrack package: the charging station, 30W adapter, 5ft USB-C cable, 0.55ft USB-C lanyard cable, and user manual.

3. SETUP INSTRUCTIONS

- Connect to Power:** Plug the provided 30W USB-C fast charger adapter into a wall outlet. Connect one end of the 5ft USB-C cable to the adapter and the other end to the USB-C input port on the ZEEHOO charging station.
- Unfold the Station:** Gently unfold the charging station from its compact cube form. The magnetic phone charging pad will lift, revealing the AirPods charging area and allowing access to the retractable watch charger.
- Adjust Phone Charging Pad:** The magnetic phone charging pad can be adjusted to various angles for optimal viewing. It also features a sliding mechanism to adjust height.
- Extend Watch Charger:** Pull out the watch charging arm from the side of the station.

4. OPERATING INSTRUCTIONS

4.1 Charging Your iPhone (or compatible smartphone)

- Ensure the station is powered on.
- Place your MagSafe-compatible iPhone (or phone with a magnetic case) onto the magnetic charging pad. The phone will snap into place and begin charging at up to 15W.
- Adjust the angle and height of the phone charging pad as desired for optimal viewing in portrait or landscape mode.

4.2 Charging Your Apple Watch (or compatible smartwatch)

- Extend the watch charging arm.
- Place your Apple Watch or compatible Samsung Galaxy Watch onto the magnetic watch charging module. It will securely attach and begin charging.

4.3 Charging Your AirPods (or compatible wireless earbuds)

- With the phone charging pad unfolded, place your AirPods (with wireless charging case) or other compatible wireless charging earbuds into the designated charging area at the base.

4.4 Simultaneous Charging

The ZEEHOO FoldTrack allows you to charge your iPhone, Apple Watch, and AirPods simultaneously, providing a clutter-free charging experience.

4.5 Folding for Travel

When not in use or for travel, simply retract the watch charging arm and fold the phone charging pad back into

its compact cube shape. The included 0.55ft USB-C lanyard charging cable can be attached for easy portability.

Small, Convenient And Foldable

Smaller, lighter, no burden when going out

6. SAFETY AND PROTECTION FEATURES

The ZEEHOO FoldTrack is built with multiple protection mechanisms to ensure safe and reliable charging for your devices:

- **Over-current Protection:** Safeguards against excessive current.
- **Over-temperature Protection:** Prevents overheating during charging.
- **Over-voltage Protection:** Protects against voltage surges.
- **Over-charge Protection:** Prevents devices from overcharging.
- **Foreign Body Detection:** Detects foreign objects on the charging surface to prevent damage.
- **Battery Protection:** Optimizes charging to extend battery lifespan.

The design also incorporates efficient heat dissipation to maintain optimal operating temperatures.

7. SPECIFICATIONS

| Feature | Detail |
|--------------------|---|
| Model | B0FPCX72CN |
| Brand | ZEEHOO |
| Package Dimensions | 3.46 x 3.43 x 3.35 inches |
| Item Weight | 14.9 ounces |
| Connector Type | USB Type C |
| Input Voltage | 120 Volts |
| Output Current | 3 Amps |
| Special Features | Fast Charging, Lightweight Design, MagSafe Compatible, Multi-Device Charging, Wireless Charging |

8. TROUBLESHOOTING

- **Device not charging:** Ensure the charging station is properly connected to the 30W adapter and a live power outlet. Verify that your device is correctly aligned on the magnetic charging pad or placed in the designated AirPods/Watch charging area. Remove any thick phone cases that may interfere with wireless charging.
- **Slow charging:** Confirm you are using the included 30W USB-C fast charger adapter and cable. Ensure your device supports 15W Qi2 wireless charging. Background apps or high device usage during charging can also affect speed.
- **Overheating:** The charger has built-in temperature protection. If it feels excessively hot, disconnect devices and power, allow it to cool, and ensure proper ventilation around the unit. Avoid charging in direct sunlight or enclosed spaces.
- **Magnetic alignment issues:** For optimal magnetic hold, ensure your phone is MagSafe compatible or uses a MagSafe-compatible case.

9. WARRANTY AND SUPPORT

Your ZEEHOO FoldTrack 3-in-1 Magnetic Wireless Charging Station comes with a **12-month warranty** from the date of purchase. This warranty covers manufacturing defects and ensures reliable performance.

For any product inquiries, technical support, or warranty claims, please contact our friendly customer support team through the retailer where you purchased the product or visit the official ZEEHOO website for contact information.

Please retain your proof of purchase for warranty validation.
