

## Erinnyees Dog Crate Furniture

# Erinnyees 62.5-inch Large Dog Crate Furniture Instruction Manual

Model: Dog Crate Furniture

---

## 1. INTRODUCTION

---

Thank you for choosing the Erinnyees 62.5-inch Large Dog Crate Furniture. This product is designed to provide a comfortable and secure space for your dog while also serving as a functional piece of furniture for your home. It features a sturdy solid wood and iron construction, a convenient sliding barn door design, and a removable divider for adjustable space.

This image displays the assembled Erinnyees dog crate furniture, showcasing its design and how it integrates into a living space. A dog is comfortably resting inside one compartment.

## 2. SAFETY INFORMATION

---

- Always ensure all parts are securely fastened before allowing your pet to use the crate.
- Regularly inspect the crate for any loose or damaged components. Do not use if damaged.
- Keep small children away from the assembly area.
- Do not allow pets to chew on wooden parts excessively. While bite-resistant, continuous chewing can cause damage.
- Place the crate on a flat, stable surface to prevent tipping.
- Ensure adequate ventilation for your pet at all times.

## 3. PACKAGE CONTENTS

---

Upon receiving your product, please confirm all parts according to the included instruction manual's parts list. The package typically includes:

- Wooden panels (top, bottom, sides, back)
- Iron tube panels for doors and sides
- Sliding barn door hardware (tracks, rollers, latches)
- Removable divider
- Assembly hardware (screws, bolts, nuts, Allen wrench)
- Instruction manual

## 4. SETUP AND ASSEMBLY

---

Follow the step-by-step instructions provided in the separate assembly guide included with your product. General steps include:

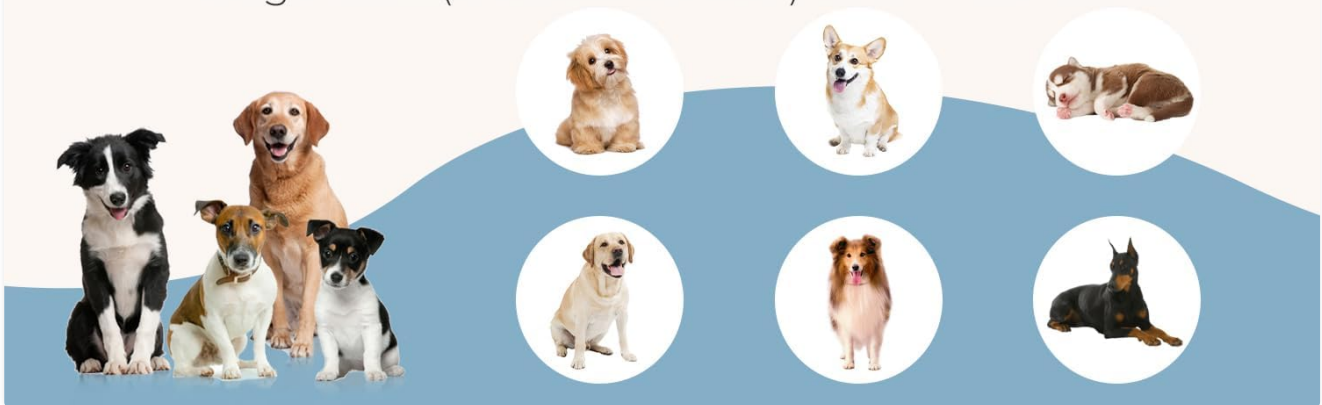

1. **Unpack and Verify:** Carefully unpack all components and verify against the parts list.
2. **Assemble Side Panels:** Attach the iron tube panels to the wooden side panels.
3. **Attach Base and Top:** Secure the assembled side structures to the base and then to the top panel.
4. **Install Sliding Door Hardware:** Mount the sliding tracks and attach the rollers to the barn doors.
5. **Insert Doors:** Carefully place the barn doors onto the tracks.
6. **Install Latches:** Secure the door latches for proper closure.
7. **Insert Divider (Optional):** If using, place the removable divider into the designated slots.

# Furniture Dog Crate

2 x Single room(with divider): 29.5" x 18.9" x 27.6"

Large room(without divider): 57.3" x 18.9" x 27.6"

This diagram provides the overall dimensions of the dog crate furniture: 62.5 inches long, 22.5 inches wide, and 30.5 inches high. It also details the internal compartment sizes with and without the divider, and suggests suitable dog breeds.

# Reinforced Iron Tubes

## Ours

**0.4" thick iron pipe**

## Others

**0.2" thin wire**

**More chew-resistant and safer**

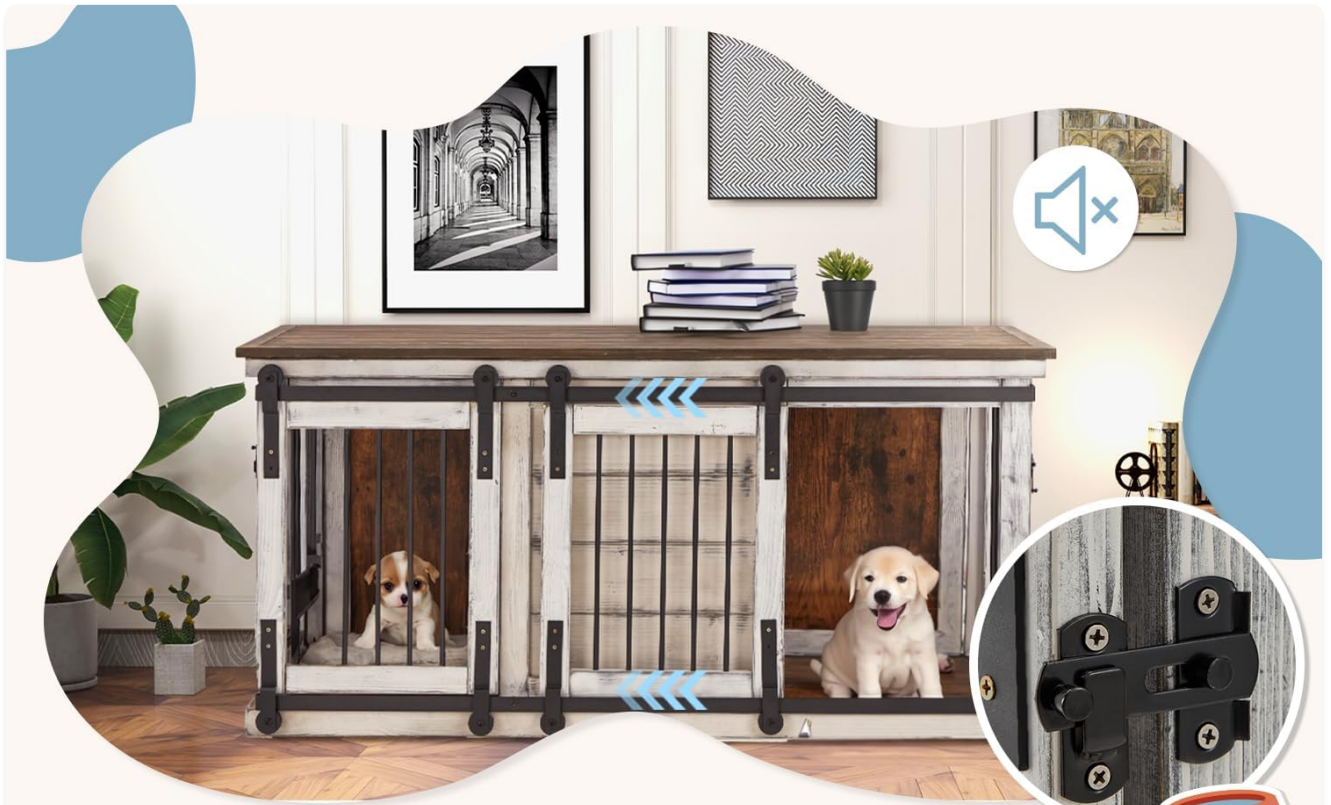

**Easy to break and unsafe**

This image highlights the robust 0.4-inch thick iron tubes used in the crate's construction, providing enhanced chew resistance and safety compared to standard thin wire designs.

## 5. OPERATING INSTRUCTIONS

### 5.1. Using the Sliding Barn Doors

The crate features smooth-gliding barn doors. To open, gently slide the door along its track. To close, slide it back until it aligns with the frame and engage the latch for security. The design ensures the doors do not obstruct your path when open.

## Sliding Barn

Push and pull without noise

Sturdy latch locks resist dog impacts

This image shows the sliding barn door design, illustrating how the doors open and close smoothly without obstructing movement, and features sturdy latch locks for security.

### 5.2. Adjusting the Removable Divider

The crate includes a removable divider to customize the internal space. You can use it to create two separate compartments for medium-sized dogs or remove it to form one large space for a single large dog. To install or remove, simply slide the divider into or out of the designated grooves.

# Adjustable Space

**with divider**

2 rooms for 2 dogs

**without divider**

room for large dog

This diagram demonstrates how the removable divider can create two separate compartments for smaller dogs or be removed to form one large space for a single large dog.

## 6. MAINTENANCE

### 6.1. Cleaning

- **Wood Surfaces:** Wipe with a damp cloth and mild soap. Dry immediately to prevent water damage. Avoid harsh chemicals.
- **Iron Bars:** Clean with a damp cloth. For stubborn dirt, use a non-abrasive cleaner.
- **General:** Regularly vacuum or wipe down the interior to remove pet hair and debris.

### 6.2. Inspection

Periodically check all screws, bolts, and latches to ensure they are tight and secure. Inspect the wood and iron components for any signs of wear, damage, or excessive chewing. Address any issues promptly to maintain the crate's integrity and your pet's safety.

## 7. TROUBLESHOOTING

---

- **Doors not sliding smoothly:** Check the tracks for obstructions or debris. Ensure rollers are properly seated. A small amount of silicone lubricant can be applied to the tracks if needed.
- **Crate feels wobbly:** Verify that all assembly hardware is tightened securely. Ensure the crate is on a level surface.
- **Divider does not fit:** Ensure the divider is oriented correctly and aligned with the grooves. Do not force it.
- **Pet chewing on wood:** Provide appropriate chew toys for your pet. Consider applying a pet-safe bitter spray to deter chewing on furniture.

## 8. SPECIFICATIONS

---

<b>Brand</b>	Erinnyees
<b>Model Name</b>	Dog Crate Furniture
<b>Product Dimensions (L x W x H)</b>	62.5" x 22.5" x 30.5"
