## 2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use to prevent injury or damage.

- Always supervise children when the fireplace feature is in use.
- Ensure the television is securely mounted or placed on the stand to prevent tip-overs.
- Exercise caution when handling product components during assembly to avoid injury from sharp edges or heavy parts.
- Do not block the air vents of the fireplace unit. Maintain adequate clearance around the unit for proper

ventilation.

- The electric fireplace is 100% CO-free and features a cool-touch glass front, ensuring safety even during operation.

### 3. PACKAGE CONTENTS

The YESHOMY LED Fireplace TV Stand is shipped in two separate packages to ensure maximum safety during transit. Please ensure you have received both boxes before beginning assembly.

Each package contains all necessary components and hardware for assembly. Refer to the included instruction manual for a detailed list of parts.

## 4. ASSEMBLY INSTRUCTIONS

Assembly of the YESHOMY LED Fireplace TV Stand is designed to be straightforward, typically taking less than 60 minutes. Follow the detailed, easy-to-understand instructions provided in the separate assembly guide included with your product.

- 1. Unpack Components:** Carefully remove all parts from both boxes and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
- 2. Assemble Frame:** Follow the step-by-step diagrams to connect the main frame components using the provided hardware.
- 3. Install Fireplace Unit:** Carefully insert the electric fireplace unit into its designated opening.
- 4. Attach Doors and Shelves:** Secure the cabinet doors and position the open shelves as instructed.
- 5. Final Checks:** Ensure all connections are tight and the stand is stable before placing a television or other items on it.

For optimal stability, it is recommended to assemble the unit with at least two people.

## 5. OPERATING INSTRUCTIONS

### 5.1 Electric Fireplace Operation

The integrated 18-inch electric fireplace provides both ambiance and warmth. It can be operated via the control panel on the unit or the included remote control.

- Power On/Off:** Press the power button to turn the fireplace on or off.
- Heat Function:** Activate the heating element to provide warmth. The temperature can be adjusted from 60°F to 82°F (16°C to 27°C).
- Flame Effects:** Enjoy realistic 3D vertical flame effects. These can be used independently of the heat function for ambiance. There are 3 adjustable flame files.
- Timer:** Set an automatic shut-off timer for 0.5 to 9.0 hours.
- Low Energy Cost:** The flame effect consumes approximately 4.8 Watts of power, comparable to a standard night light.

## 6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your YESHOMY LED Fireplace TV Stand, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the unit with a dry, soft cloth.
- **Spills:** Immediately clean up any spills to prevent staining or damage to the wood material. The 1.2-inch thick top is designed to be spill-resistant.
- **Fireplace Unit:** Ensure the fireplace unit is unplugged before cleaning. Wipe the glass front with a soft cloth and a non-abrasive glass cleaner.
- **Ventilation:** Keep the fireplace vents clear of obstructions to ensure proper airflow.

## 7. TROUBLESHOOTING

If you encounter any issues with your YESHOMY LED Fireplace TV Stand, please refer to the following common troubleshooting tips:

- **Fireplace Not Turning On:** Ensure the unit is properly plugged into a working electrical outlet. Check if the power button on the unit or remote control has been pressed.
- **No Heat Output:** Verify that the heat function is activated and the temperature setting is above the current room temperature. Ensure the air vents are not blocked.
- **LED Lights Not Working:** Check the power connection to the LED lighting system. Ensure the mood lighting function is activated via the control panel or remote.
- **Remote Control Issues:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace unit's sensor.
- **Unstable Stand:** Recheck all assembly connections to ensure they are tight. Ensure the stand is placed

on a level surface.

If problems persist, please contact YESHOMY customer support for further assistance.
