## MAINTENANCE AND CARE

---

To maintain the appearance and longevity of your vanity desk, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the finish.
- **Glass Care:** Clean the glass tabletop with a glass cleaner and a soft cloth.
- **Electrical Components:** Ensure the power strip and mirror are unplugged before cleaning. Do not spray cleaners directly onto electrical parts.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.

## TROUBLESHOOTING

---

If you encounter issues with your vanity desk, refer to the following common solutions:

- **Mirror Lights Not Working:**

- Ensure the vanity is properly plugged into a working power outlet.
- Check if the power cord connecting the mirror to the vanity is securely attached.
- Tap the touch sensor firmly to ensure activation.

- **Power Strip Not Functioning:**

- Verify that the vanity's main power cord is securely plugged into a live wall outlet.
- Test the wall outlet with another device to confirm it is working.
- Ensure devices are properly inserted into the AC outlets or USB ports.

- **Drawers Sticking or Not Closing Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides are properly aligned and lubricated if necessary.
- Verify that the drawer was assembled correctly according to the instructions.

If these steps do not resolve the issue, please contact customer support for further assistance.
