

ZMISHIBO B0FPF3KBKN

ZMISHIBO 52-inch Black Ceiling Fan with Lights and Remote Instruction Manual

Model: B0FPF3KBKN

1. SAFETY INFORMATION

Please read and understand all instructions before beginning installation. Failure to follow these instructions may result in electric shock, fire, or personal injury.

- Always disconnect power at the main circuit breaker before installation or maintenance.
- Ensure the mounting structure is capable of supporting the fan's weight (approximately 14.61 pounds).
- All wiring must be in accordance with national and local electrical codes. If you are unfamiliar with wiring, consult a qualified electrician.
- Maintain a minimum clearance of 7 feet from the floor to the fan blades.
- Do not operate the fan if any part is damaged.

2. PRODUCT OVERVIEW

Key Features

- **52-inch Fan Size:** Includes 5-inch and 8-inch down rods for versatile ceiling heights (15-18 inches high).
- **Dual-Color Blades:** Stylish black and walnut finish, blending industrial and farmhouse styles.
- **Reversible 6-Speed DC Motor:** Provides adjustable airflow for year-round comfort (counterclockwise for cooling, clockwise for warmth).
- **Integrated 24W LED Light:** Offers 3 color temperature options (3000K/4500K/6000K).
- **Multi-Function Remote Control:** Easily adjust fan speed, light settings, direction, and set a timer

(1/2/4H).

- **Silent Operation:** Noiseless DC motor operates at just 35dB for peaceful tranquility.
- **Energy-Efficient:** DC motor provides 65% more energy efficiency compared to traditional AC motors.

Product Dimensions and Mounting Options

Figure 2.1: The ZMISHIBO 52-inch ceiling fan is designed for rooms approximately 10x20ft. It includes two downrods (5-inch and 8-inch) to accommodate various ceiling heights, resulting in a total fan height of 15-18 inches from the ceiling.

Figure 2.2: The fan supports both standard downrod mounting and angled mounting for ceilings with a slope of up to 15 degrees.

Specifications

Attribute	Value
Brand	ZMISHIBO
Color	Black & Walnut
Electric fan design	Ceiling Fan
Noise Level	35 Decibels
Wattage	75 watts
Finish Type	Painted
Indoor/Outdoor Usage	Indoor, Outdoor (Damp Rated)
Control Method	Remote
Efficiency	High Efficiency
Number of Power Levels	6
Motor Type	Brushless DC Motor
Size	52 Inch

Item Weight	14.61 pounds
Batteries Required	2 AAA batteries (included)
Warranty	2 year warranty

3. INSTALLATION GUIDE

Unboxing and Component Identification

Video 3.1: This video demonstrates the unboxing process and identifies the main components included with your ZMISHIBO ceiling fan, such as the remote control, downrods, blade arms, light kit, and motor.

Step-by-Step Installation

The following image provides a general overview of the fan assembly process. For a detailed visual guide, please refer to the installation video below.

Compared to traditional AC motors

Figure 4.2: The remote control allows for easy adjustment of light ON/OFF, color temperature, 6 fan speed levels, 1/4/8 hour timing, forward/reverse fan direction, and turning off remote beeps.

Fan Speed Adjustment

The fan offers 6 adjustable speeds to suit your comfort needs, from a gentle breeze to powerful airflow.

- **Levels 1-2 (Low Wind):** Soft, gentle airflow.
- **Levels 3-4 (Medium Wind):** Natural, comfortable breeze.
- **Levels 5-6 (High Wind):** Strong, cool airflow.

Double-Sided 5 Fan Blades

Suitable for various styles of rooms in the home

High settings.

Reversible DC Motor

The fan features a reversible DC motor, allowing you to change the direction of the blades for optimal comfort in different seasons.

- **Summer Mode (Downward Airflow):** Blades rotate counterclockwise to create a cooling breeze.
- **Winter Mode (Upward Airflow):** Blades rotate clockwise to circulate warm air trapped near the ceiling.

Figure 4.4: Illustration demonstrating the reversible airflow for summer (cooling) and winter (warming) modes.

Light Control and Color Temperature

The integrated LED light offers three color temperature options to match your ambiance.

- **3000K:** Warm white light.
- **4500K:** Natural white light.
- **6000K:** Cool white light.

Figure 4.5: Visual examples of the three selectable color temperatures: 3000K (warm), 4500K (natural), and 6000K (cool).

Timer Function

Set the fan to automatically turn off after a specified period for convenience and energy saving.

- Available timer settings: 1 hour, 4 hours, 8 hours.

Dual-Mount Options

Figure 4.6: The remote control offers timer settings for 1, 4, or 8 hours, allowing you to sleep in peace and safety.

Quiet Operation

The fan's DC motor ensures quiet operation, making it suitable for bedrooms and living areas.

Control Switch Modes

Figure 4.7: The ZMISHIBO ceiling fan operates at a quiet 35dB, comparable to a library setting, ensuring peaceful enjoyment.

Figure 4.8: The remote control includes a mute function to silence button beeps for an even quieter experience.

5. MAINTENANCE

Cleaning

To maintain the appearance and performance of your ceiling fan, regular cleaning is recommended.

- Wipe the fan blades and motor housing with a soft, damp cloth.
- Do not use abrasive cleaners or solvents, as these may damage the finish.
- Ensure the fan is completely dry before operating.

6. TROUBLESHOOTING

Common Issues

If your fan is not operating correctly, please check the following:

- **Fan does not start:** Check that the power is on at the circuit breaker and wall switch. Ensure all wire connections are secure. Verify remote control batteries are installed correctly and are not depleted.
- **Fan is noisy:** Check that all screws are tightened. Ensure the fan is properly balanced and blades are not warped.
- **Light does not work:** Check wire connections to the light kit. Ensure the light function on the remote is activated.
- **Remote control not working:** Replace the AAA batteries. Ensure the remote is within range of the fan's receiver.

7. WARRANTY AND SUPPORT

Warranty Information

The ZMISHIBO 52-inch Black Ceiling Fan includes a **2-year warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use.

Customer Support

At ZMISHIBO, your 100% shopping satisfaction is our priority. If you have any questions, concerns, or require assistance with your ceiling fan, please do not hesitate to contact our customer support team. We are here to help!
