leejdn Large Makeup Vanity Desk with Mirror and Lights (Model 532) - User Manual

1. INTRODUCTION

Thank you for choosing the leejdn Large Makeup Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

2. SAFETY INSTRUCTIONS

- Always assemble the product on a clean, soft surface to prevent scratches.
- Ensure all parts are securely fastened before use. Periodically check and tighten all connections.
- Do not overload drawers or shelves. Distribute weight evenly.
- Keep electrical components (power strip, mirror lights) away from water and moisture.
- Use only the provided power cord and ensure it is properly plugged into a grounded outlet.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the desk surface or glass tabletop without protection.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed in the included parts list are present and undamaged. If any parts are missing or damaged, please contact customer support.

Figure 3.1: Product Dimensions and Component Overview. This image illustrates the overall dimensions of the vanity desk and highlights various components such as the mirror, shelves, and drawers.

4. ASSEMBLY INSTRUCTIONS

Assembly of the leejdn Large Makeup Vanity Desk requires careful attention to detail. Each component is labeled with serial numbers, and clear, user-friendly instructions are provided in the separate assembly guide. Spare parts are included in case of hardware loss during assembly.

1. **Preparation:** Clear a spacious area for assembly. It is recommended that two adults assemble the vanity together for ease and safety.
2. **Follow the Guide:** Refer to the step-by-step assembly guide provided in the packaging. Match each part to its corresponding label.
3. **Secure Connections:** Ensure all screws, bolts, and connectors are tightened firmly but do not overtighten to avoid damaging the engineered wood.
4. **Drawer Installation:** Install drawers carefully, ensuring smooth operation of the metal slides.
5. **Mirror Attachment:** Securely attach the mirror unit according to the instructions.

Figure 4.1: Fully assembled vanity desk. This image shows the complete vanity desk with its mirror, shelves, and drawers, ready for use.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Lights

The vanity mirror features integrated LED lights with three color modes and adjustable brightness.

- **Power On/Off:** Tap the responsive touch switch on the mirror surface to turn the lights on or off.
- **Change Color Mode:** Tap the touch switch repeatedly to cycle through the three light color modes: Cool light, Warm light, and Warm yellow light.
- **Adjust Brightness:** Press and hold the touch switch to smoothly adjust the brightness level of the lights. Release when the desired brightness is achieved.

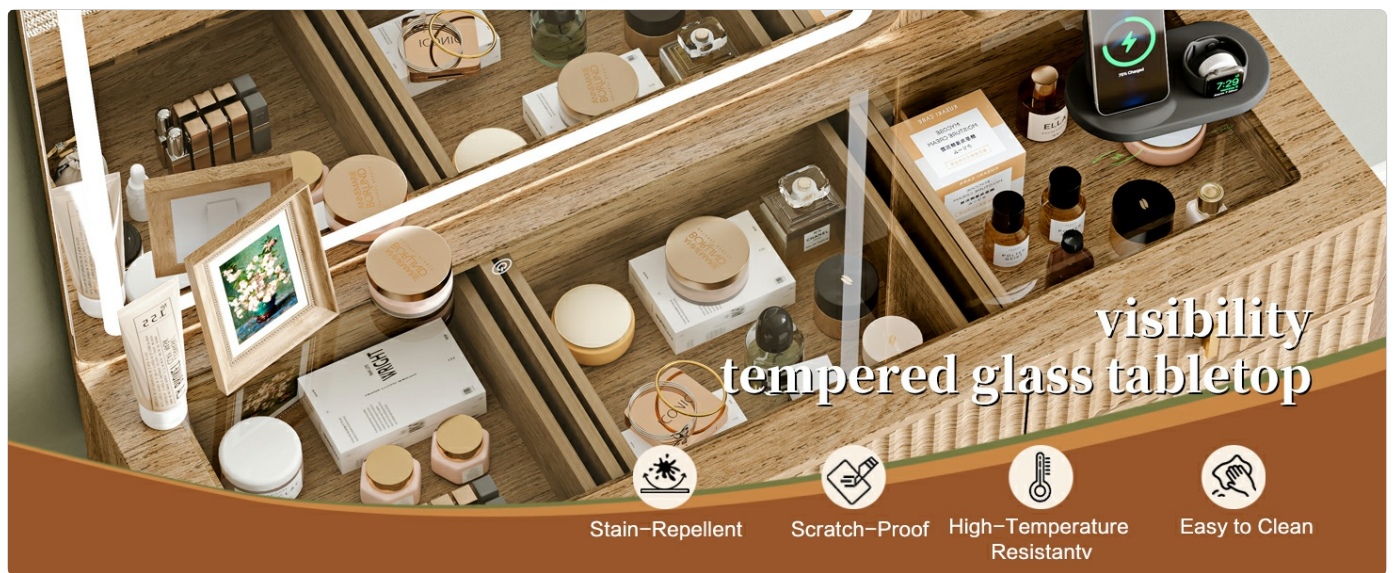

Figure 5.1: Mirror light modes. This image demonstrates the three available light color modes (Cool, Warm, Warm Yellow) and indicates the responsive touch switch for control.

5.2. Built-in Power Strip

The vanity desk is equipped with a convenient power strip for your electronic devices.

- **Outlets:** The power strip includes 2 standard AC plug sockets (125V/12A).
- **USB Ports:** It features 1 USB port (5V/2A) and 1 Type-C port (PD20W) for charging smartphones, tablets, and other compatible devices.
- **Power Cord:** The power strip has a 4.9-foot power cord for connection to a wall outlet.

Figure 5.2: Integrated power strip. This image details the power strip with its AC outlets, USB port, and Type-C port, designed for convenient device charging and power access.

6. MAINTENANCE

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Glass Top Care:** The tempered glass tabletop can be cleaned with a glass cleaner. Ensure no liquid seeps into the storage compartments below.
- **Mirror Cleaning:** Use a soft, lint-free cloth and a non-abrasive glass cleaner for the mirror. Do not spray cleaner directly onto the mirror to avoid damaging the LED components.

- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied.
- **Electrical Components:** Keep the power strip and mirror lights dry. Unplug the vanity from the wall outlet before cleaning or performing any maintenance on electrical parts.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Power cord not plugged in; loose connection; faulty switch.	Ensure power cord is securely plugged into a working outlet. Check all connections. If problem persists, contact customer support.
Lights are dim or flickering.	Brightness setting too low; power fluctuation.	Adjust brightness using the touch switch. Ensure stable power supply.
Drawers are difficult to open/close.	Overloaded drawer; misaligned slides; debris in slides.	Reduce contents in drawer. Check alignment of slides and clear any obstructions. Apply silicone lubricant if necessary.
Power outlets/USB ports not working.	Vanity not plugged in; device not compatible; internal wiring issue.	Verify the vanity is plugged into a live outlet. Test with another device. If still not working, contact customer support.

8. SPECIFICATIONS

- **Model Number:** 532
- **Brand:** leejdn
- **Color:** Wood
- **Material:** Engineered Wood
- **Product Dimensions (D x W x H):** 15.75" x 44.88" x 55.12"
