

## Beats Powerbeats Fit

# Beats Powerbeats Fit User Manual

Wireless Noise-Cancelling Workout Earbuds

## INTRODUCTION

Welcome to your Beats Powerbeats Fit wireless earbuds. These high-performance earbuds are designed for active lifestyles, offering exceptional stability, comfort, and powerful sound. Featuring Active Noise Cancelling (ANC), Transparency mode, and compatibility with both Apple and Android devices, Powerbeats Fit are engineered to enhance your listening experience during workouts and daily activities.

This manual provides detailed instructions on setting up, operating, maintaining, and troubleshooting your Powerbeats Fit earbuds to ensure optimal performance and longevity.

## WHAT'S IN THE BOX

In the Box

Powerbeats Fit earbuds, charging case,  
and silicone ear tips with four size options.

Image: The Powerbeats Fit earbuds, charging case, and the included extra-small, small, medium, and large silicone ear tips.

- Powerbeats Fit Earbuds
- USB-C Charging Case
- Four Ear Tip Sizes (Extra-Small, Small, Medium, Large)
- Quick Start Guide
- Warranty Card
- *Note: Power adapter and USB-C charging cable are sold separately.*

## SETUP

### 1. Achieving the Optimal Fit

A proper fit is crucial for sound quality, noise cancellation, and comfort. Powerbeats Fit earbuds feature secure-fit wingtips and come with four ear tip sizes to ensure a personalized fit.

# Great fit means great sound.

## Step 01

Find your ear tip size

## Step 02

Insert the bud and gently tuck each soft wingtip under the ridge in your ear

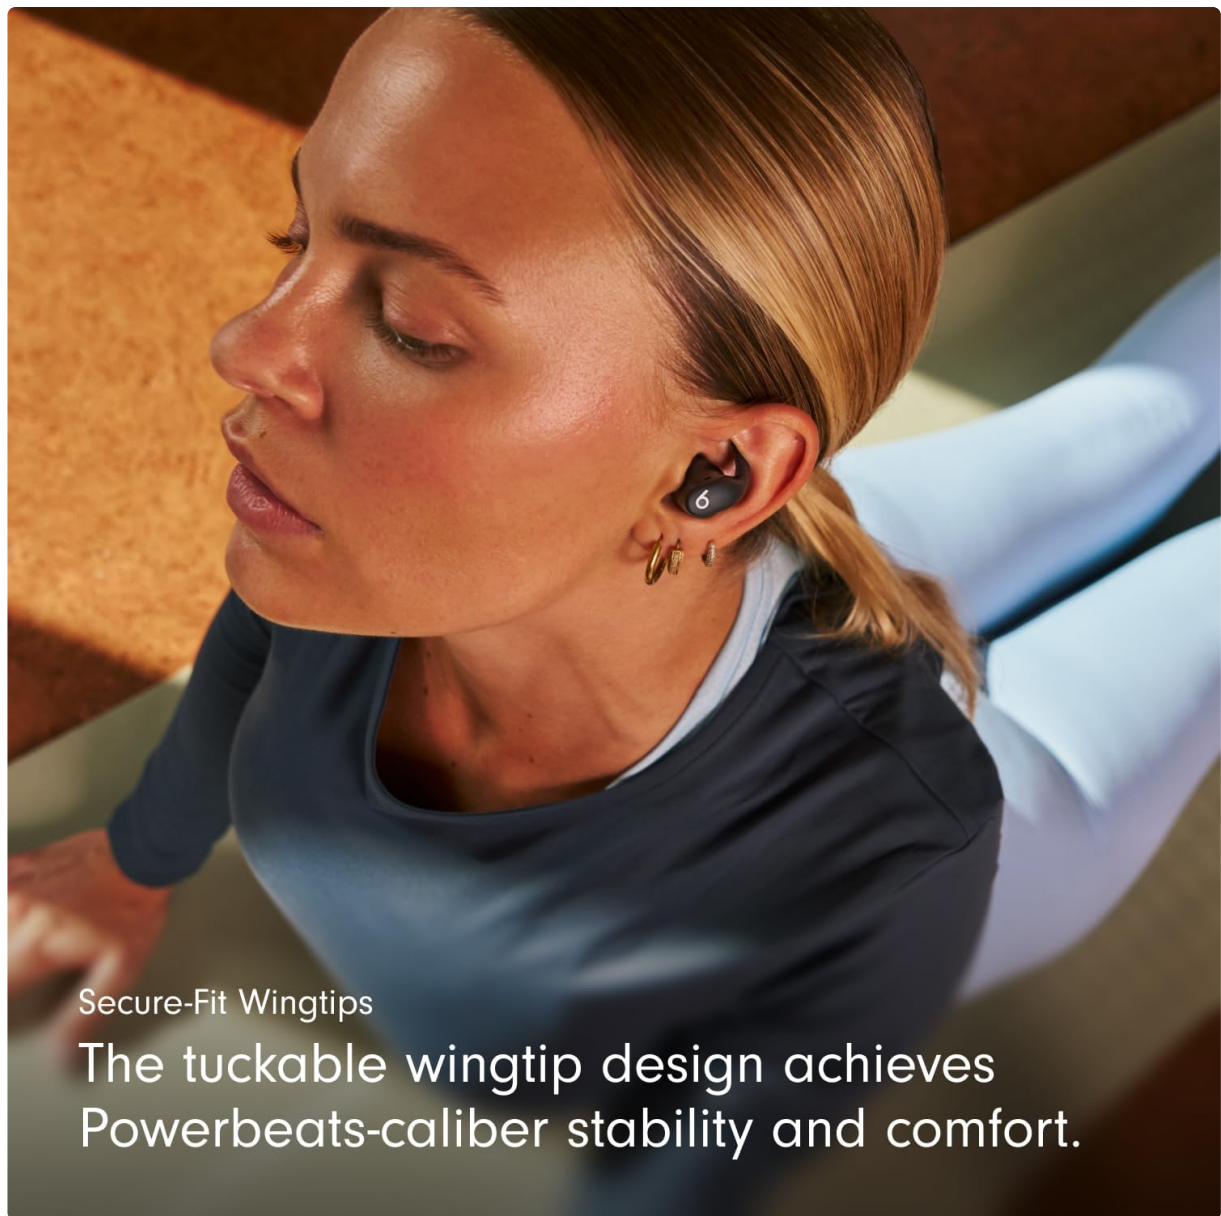

## Step 03

Take the Fit Test on iOS or on the Beats app for Android<sup>◇</sup>

Check out our video **Great Sound Starts With Proper Fit**

Image: Visual guide for selecting the correct ear tip size (XS, S, M, L) and properly inserting the earbud with its wingtip for optimal fit and sound.

1. **Select Ear Tip Size:** Experiment with the extra-small, small, medium, and large ear tips to find the size that creates a comfortable seal in your ear canal.
2. **Insert Earbud:** Gently insert the earbud into your ear.
3. **Tuck Wingtip:** Carefully tuck the soft wingtip under the ridge of your ear for exceptional stability.
4. **Fit Test:** For Apple users, perform the Fit Test on iOS. Android users can use the Beats app for Android to ensure the best seal.

Secure-Fit Wingtips

The tuckable wingtip design achieves  
Powerbeats-caliber stability and comfort.

Image: A close-up of a user wearing the Powerbeats Fit earbuds, demonstrating the secure and stable fit provided by the wingtip design.

## 2. Pairing Your Earbuds

### For Apple Devices (iOS):

- Open the charging case with your Powerbeats Fit inside, and hold it near your unlocked iPhone.
- Follow the on-screen instructions to connect. The Apple H1 chip enables seamless pairing and features like Automatic Switching, Audio Sharing, and hands-free "Hey Siri."

### For Android Devices:

- Download the Beats app for Android from the Google Play Store.
- Open the charging case with your Powerbeats Fit inside, and hold it near your Android device.
- Follow the in-app instructions for one-touch pairing. The Beats app also allows customizable controls, battery status, and the "Locate My Beats" feature.

### For Other Bluetooth Devices:

- With the earbuds in the charging case, open the lid.
- Press and hold the system button on the charging case until the LED indicator light flashes.
- Go to your device's Bluetooth settings and select "Powerbeats Fit" from the list of available devices.

## OPERATING YOUR POWERBEATS FIT

### On-Device Controls

Each earbud features a multi-function button for controlling audio playback, calls, and listening modes. Controls are customizable via the Beats app (Android) or iOS settings.

- **Play/Pause:** Press once.
- **Skip Forward:** Press twice.
- **Skip Backward:** Press three times.
- **Answer/End Call:** Press once.
- **Reject Call:** Press and hold.
- **Switch Listening Modes (ANC/Transparency):** Press and hold.
- **Activate Voice Assistant (Siri):** Say "Hey Siri" (iOS) or customize button press (iOS/Android).

Auto-Play/Pause sensors detect when you insert or remove the earbuds, automatically playing or pausing your audio.

### Listening Modes

#### Powerbeats Fit Features

Flexible, secure-fit wingtips

Incredible sound and  
Personalized Spatial Audio<sup>◇</sup>

Active Noise Cancelling &  
Transparency mode<sup>◇</sup>

Sweat and water resistant<sup>◇</sup>

Apple & Android™  
Compatibility<sup>◇</sup>

Up to 30 hours of battery life  
with charging case<sup>◇</sup>

Legal Disclaimers: This is a summary of the main product features. See below to learn more.

Image: An overview of key features including secure fit, sound quality, noise cancellation, water resistance, and battery life.

- **Active Noise Cancelling (ANC):** Blocks external sounds for focused listening. Ideal for noisy environments.
- **Transparency Mode:** Allows you to hear your surroundings while still enjoying your audio. Useful for awareness in urban environments or during conversations.

Switch between these modes by pressing and holding the multi-function button on either earbud, or through your device's settings/Beats app.

## Spatial Audio

Powerbeats Fit supports Personalized Spatial Audio with dynamic head tracking, providing an immersive, theater-like sound experience. Adaptive EQ tailors sound to each earbud's personal fit and seal, optimizing audio for you.

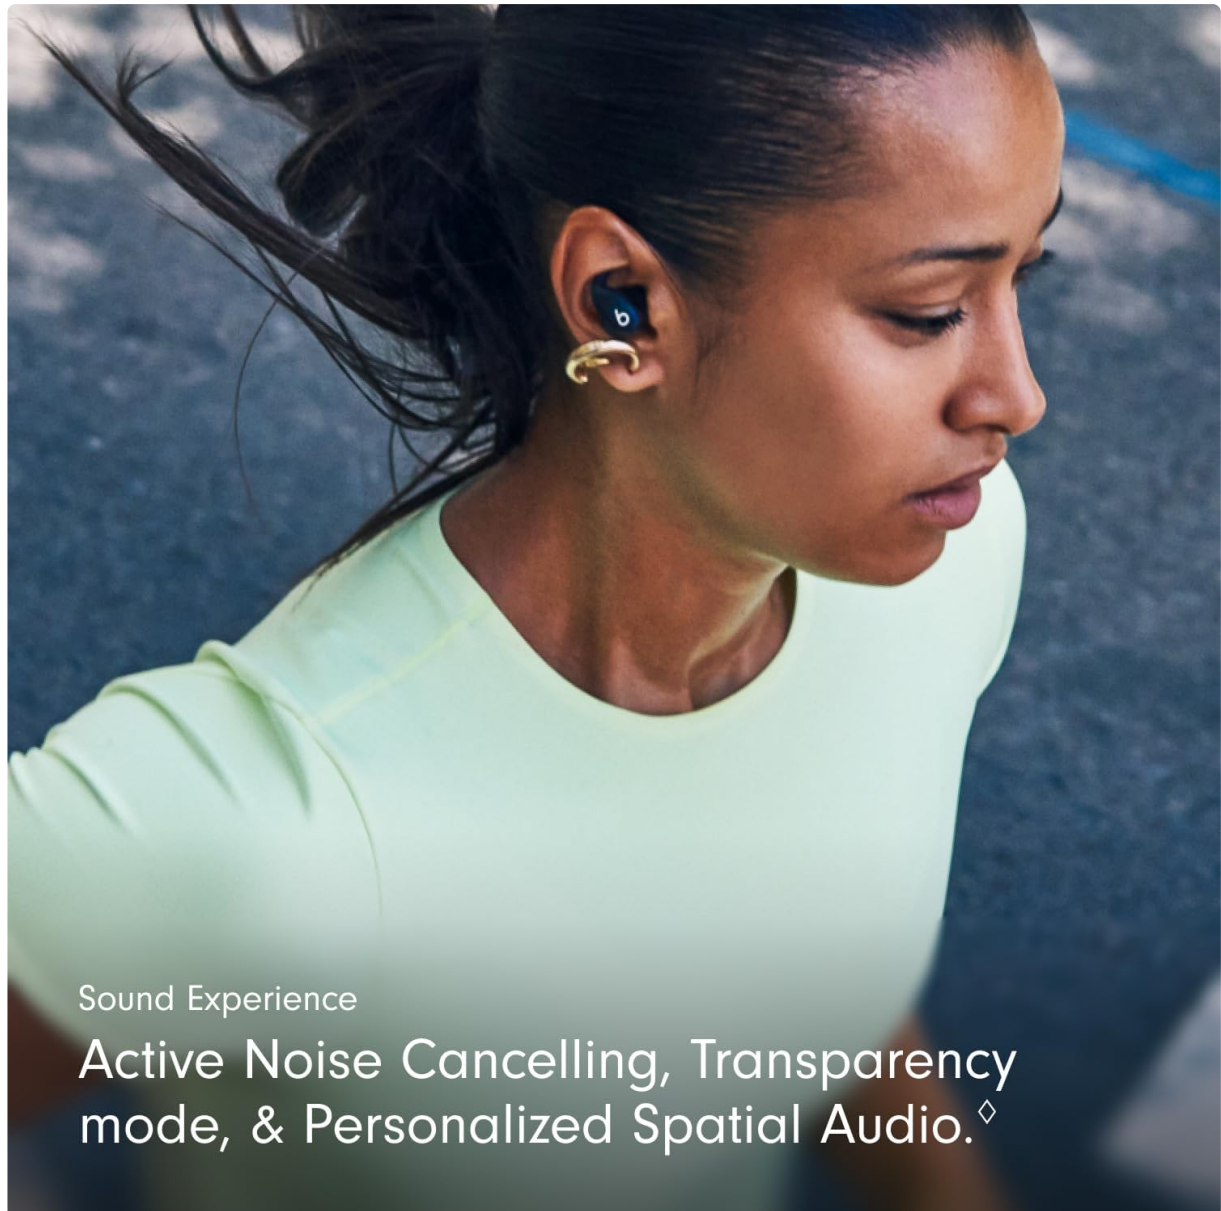

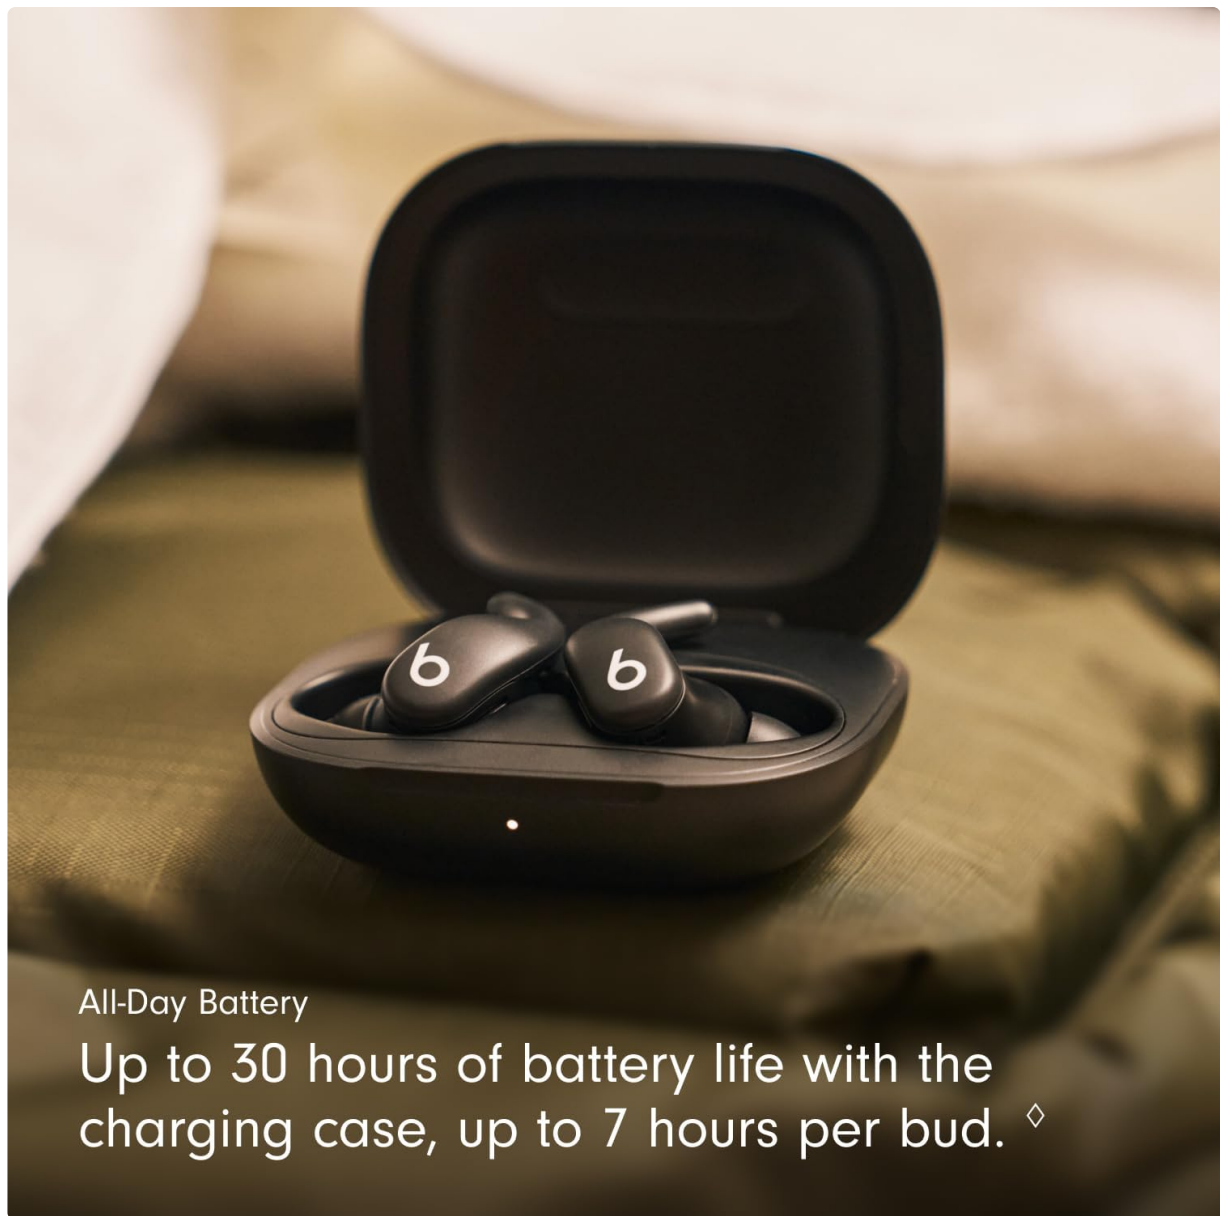

Image: A user engaged in a running activity, showcasing the earbuds' use during exercise and their sound capabilities like Active Noise Cancelling and Spatial Audio.

## Calls

Enjoy exceptional call quality with dual beam-forming microphones and an internal processor that minimizes external noise. Take calls and FaceTime with Spatial Audio with Dolby Atmos.

## Battery Life and Charging

### All-Day Battery

Up to 30 hours of battery life with the charging case, up to 7 hours per bud. ♦

Image: The earbuds resting in their charging case, highlighting the extended battery life of up to 30 hours with the case.

- **Earbud Playback:** Up to 7 hours on a single charge.
- **Total with Charging Case:** Up to 30 hours of listening time.
- **Fast Fuel Charging:** A quick 5-minute charge provides up to 1 hour of playback when the battery is low.

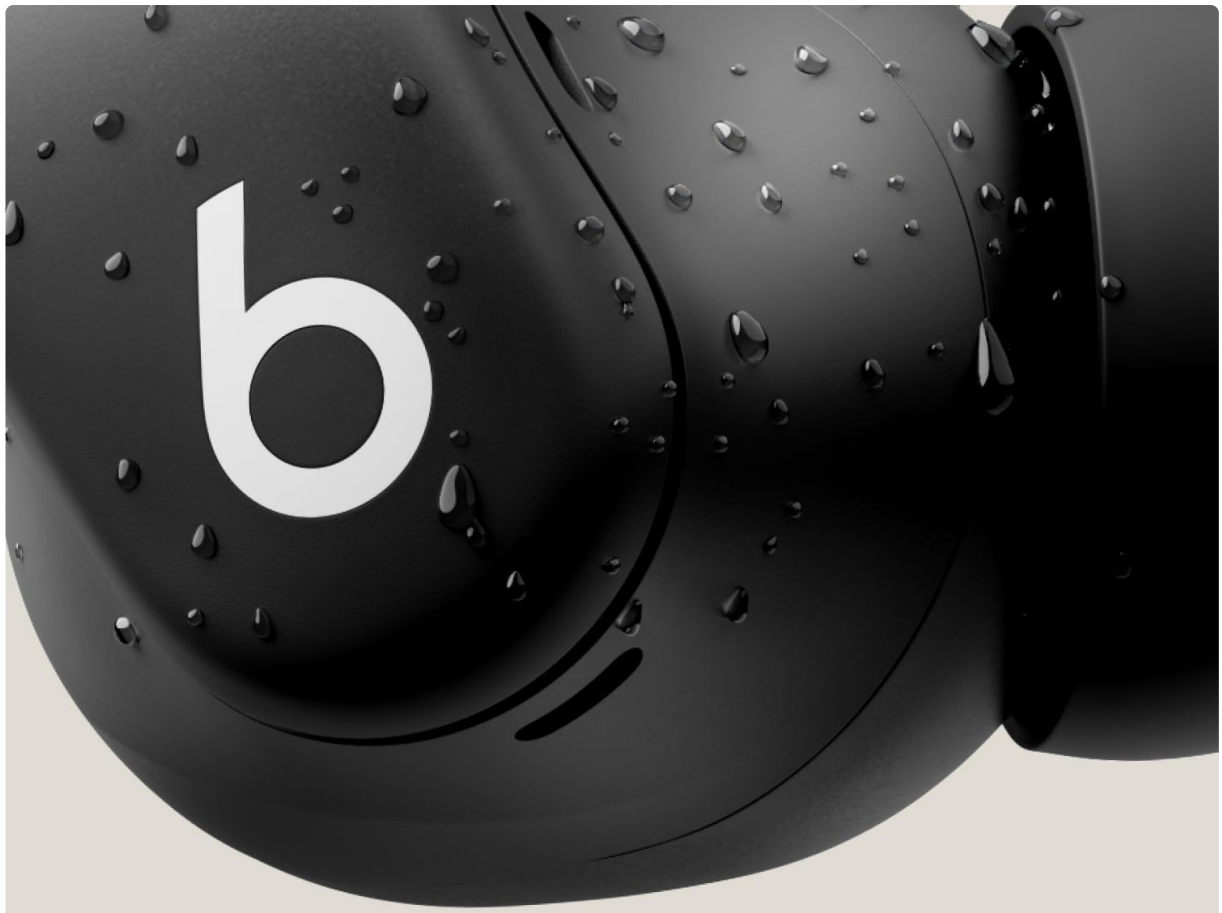

To charge your Powerbeats Fit, place the earbuds in the charging case and close the lid. Connect the USB-C charging case to a power source using a compatible USB-C cable (sold separately).

## MAINTENANCE

### Cleaning Your Earbuds and Case

- Wipe earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive materials or chemical cleaners.
- Remove ear tips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

### Water Resistance (IPX4)

IPX4 Rated

Earbuds and charging case are both sweat and water resistant. ♦

Image: A detailed view of an earbud with water droplets, emphasizing its IPX4 rating for sweat and water resistance, suitable for workouts.

Both the Powerbeats Fit earbuds and the charging case are IPX4 rated, meaning they are sweat and water resistant. This makes them suitable for intense workouts and use in light rain or snow.

- Do not submerge the earbuds or case in water.
- Avoid exposing them to pressurized water or high-velocity water.
- Ensure earbuds and case are dry before charging to prevent damage.

## TROUBLESHOOTING

If you encounter issues with your Powerbeats Fit, try the following steps:

- **No Sound/Poor Sound Quality:** Ensure earbuds are properly seated in your ears and you have selected the correct ear tip size. Check your device's volume and Bluetooth connection.
- **Connectivity Issues:** Turn Bluetooth off and on again on your device. Place earbuds back in the case, close the lid, wait a few seconds, then reopen to reset. For persistent issues, try re-pairing the earbuds.
- **Charging Problems:** Ensure the charging cable and power adapter are working correctly. Clean the charging contacts on both the earbuds and the case with a dry cloth.

- **Earbuds Not Responding:** Place both earbuds in the charging case, close the lid, and then open it again. If issues persist, perform a factory reset (refer to the Beats support website for specific instructions).
- **Uncomfortable Fit:** Experiment with all four ear tip sizes. Ensure the wingtip is gently tucked under the ridge of your ear.
