VIAGDO Farmhouse Full Size Bed Frame Instruction Manual

Model: full size bed frame with headboard

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your VIAGDO Farmhouse Full Size Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information:

- Do not exceed a total weight of 1000 pounds on the bed frame.
- Be cautious of sharp edges and corners to prevent injury during assembly and use.
- Ensure all bolts and fasteners are securely tightened before use.

SETUP AND ASSEMBLY

The VIAGDO Farmhouse Full Size Bed Frame is designed for straightforward assembly. All parts are labeled, and a step-by-step visual guide is included with your product. It is recommended to lay out all components before starting assembly to ensure all parts are present and easily identifiable.

Preparation

- Unpack all components and verify against the parts list provided in your product packaging.
- Ensure you have adequate space for assembly.
- Gather any necessary tools (typically an Allen wrench is included, but a screwdriver may be helpful).

OPERATING INSTRUCTIONS

Headboard Storage

The headboard features multiple storage options:

- **Hidden Storage Compartment:** A flip-down panel reveals a hidden compartment, ideal for small items or nighttime essentials.
- **Side Cabinets:** Two barn-door style cabinets on either side of the headboard offer adjustable shelving. Adjust the shelf height by repositioning the shelf pins to accommodate items of various sizes.
- **Open Shelf:** An open shelf with metal bars provides easy access storage and prevents items from falling.

Integrated Charging Station

The headboard includes a built-in charging station for convenience:

- **Ports:** 1 USB port (5V/2A), 1 fast-charging Type-C port (5V/3A), and 2 standard AC outlets (125V/12A).
- **Usage:** Connect your devices, lamps, or other electronics directly to the charging station.
- **Cable Management:** Utilize the hidden cable management slot to keep wires organized and out of sight.

Under-Bed Storage Drawers

Four large-capacity drawers are located under the bed frame:

- **Access:** Each drawer glides smoothly on four wheels for easy access.
- **Capacity:** Designed to store bulky items, helping to reduce clutter.
- **Locking System:** A locking mechanism ensures drawers remain securely in place when not in use.

RGB LED Lighting

The integrated RGB LED light strip offers customizable lighting options:

- **Control:** Use the included remote control or a compatible phone application to manage settings.
- **Color Options:** Access over 16 million color options and multiple brightness levels.
- **Dynamic Modes:** Choose from 29 dynamic modes for various lighting effects.
- **Music Sync:** Advanced sound sensors allow the lights to pulse and shift in real-time with music.
- **Scheduling:** Set schedules for the lights to turn on or off automatically.

MAINTENANCE

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Drawers:** Keep the drawer wheels free of debris to ensure smooth operation.
- **Electrical Components:** Ensure the charging station and LED light connections are secure and free from damage. Disconnect power before cleaning or inspecting electrical components.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose bolts or fasteners.	Check and tighten all assembly bolts and screws. Ensure EVA sponge padding is correctly placed.
Charging station not working.	Not plugged into a wall outlet; loose connection; faulty device.	Ensure the bed frame's power cord is securely plugged into a functional wall outlet. Check all connections within the headboard. Test with a different device.
LED lights not functioning.	Loose connection; remote control battery low; app not connected.	Verify the LED light strip is properly connected to its power source. Replace remote control batteries if necessary. Ensure the phone app is correctly paired.
Under-bed drawers do not slide smoothly.	Debris in wheels; misaligned drawer.	Clear any obstructions from the drawer wheels. Ensure drawers are correctly aligned on their tracks.
