MAINTENANCE AND CARE

To ensure the longevity and appearance of your VASAGLE KAILYN Dressing Table, please follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the material.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to avoid streaks.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Protect the table from excessive moisture and direct sunlight.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, clean any dust or debris.
- **Stability:** Regularly check all screws and fittings to ensure they remain tight. Re-tighten if necessary.

TROUBLESHOOTING

Here are some common issues and their potential solutions:

- **LED Lights Not Working:**

- Ensure the power adapter is correctly plugged into a working outlet and into the dressing table.
- Verify that the power adapter meets the recommended specification (5V/2A).
- Check for any loose connections in the wiring.

- **Power Strip Not Functioning:**

- Confirm the main power cable for the dressing table is securely plugged in.
- Test the outlets with another device to ensure the issue is with the power strip and not the device itself.

- **Drawers Not Sliding Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawers are correctly aligned and inserted into the slides.
- Verify that all assembly screws for the drawer slides are properly tightened.

- **Table Wobbles/Unstable:**

- Ensure all assembly screws are fully tightened.
- Check that the table is placed on a flat, even surface.
- If an anti-tip kit was provided, ensure it is correctly installed and secured to the wall.
