

LEMBERI PB70-8COL

LEMBERI 80-Inch Fireplace TV Stand User Manual

Model: PB70-8COL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your LEMBERI 80-Inch Fireplace TV Stand. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

The LEMBERI Fireplace TV Stand is designed to accommodate TVs up to 90 inches and features a 36-inch electric fireplace insert, integrated LED lighting, and ample storage. It is constructed from engineered wood with a durable finish.

PRODUCT OVERVIEW

The LEMBERI 80-Inch Fireplace TV Stand combines a media console with an electric fireplace. Key features include:

- Integrated 36-inch electric fireplace with 3D flame effect.
- Adjustable heat settings (750W/1500W) for rooms up to 400 sq. ft.
- Remote control for fireplace functions (flame color, brightness, speed, timer).
- 20-color LED ambient lighting.
- Two storage cabinets with gloss doors and open shelving.
- Cable management holes for organized wiring.
- Durable engineered wood construction with UV highlight gloss finish.

DOUBLE TOP DESIGN

*The TOP can hold up to 250LBS and
the middle layer can hold your decorations.*

SAFETY INFORMATION

Please observe the following safety precautions:

- Ensure all components are securely fastened before use.
- Do not overload the TV stand. The top surface supports up to 250 lbs.
- Keep flammable materials away from the electric fireplace.
- Do not block the air vents of the fireplace.
- Always unplug the fireplace before cleaning or maintenance.
- This product is for indoor use only.

SETUP AND ASSEMBLY

The LEMBERI Fireplace TV Stand is delivered in two separate packages (fireplace insert and mantel). These packages may arrive on different days. Please ensure you have received both packages before beginning assembly.

Assembly typically requires two adults. Follow the detailed assembly instructions provided in the separate assembly guide included with your product. Ensure all hardware is present and accounted for before starting.

Key Assembly Considerations:

- **Unpacking:** Carefully unpack all components and verify against the parts list in the assembly guide.
- **Tools:** Gather necessary tools as specified in the assembly guide (e.g., screwdriver, hammer).
- **Placement:** Choose a flat, stable surface for assembly and final placement. Ensure adequate clearance for the fireplace's heat output.
- **Cable Management:** Utilize the integrated cable holes to route and organize power cords and media cables, preventing tangles and maintaining a tidy appearance.

PRODUCT SIZE

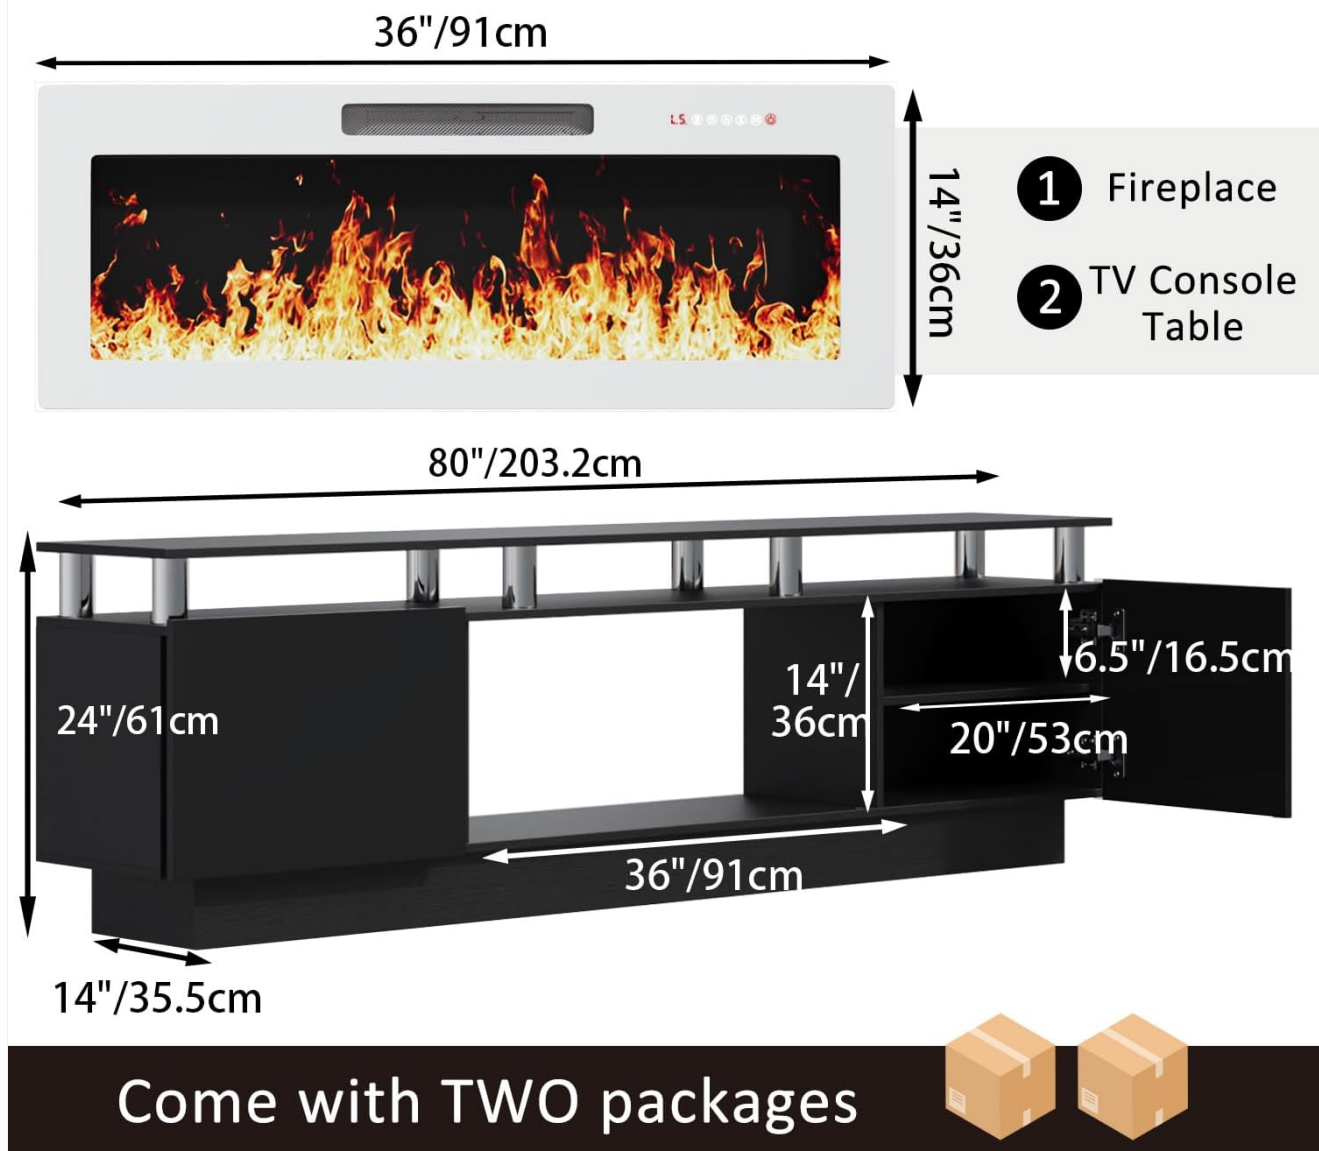

Image: A diagram illustrating the product dimensions of the LEMBERI TV Console Table and the 36-inch Fireplace insert. It also visually confirms that the product ships in two separate packages.

OPERATING INSTRUCTIONS

Electric Fireplace Operation:

The 36-inch electric fireplace insert can be operated using the control panel on the unit or the included remote control.

- **Power:** Press the power button to turn the fireplace ON or OFF.
- **Heat Settings:** Adjust the heat output between 750 watts (low) and 1500 watts (high). The fireplace can heat areas up to 400 sq. ft. It can also be operated without heat, providing only the flame effect.
- **Flame Brightness:** Cycle through 5 levels of flame brightness to suit your preference.
- **Flame Speed:** Adjust the speed of the flame effect with 5 available levels.
- **Timer:** Set the operational timer from 1 to 8 hours. The fireplace will automatically shut off after the set duration.
- **Flame Color:** Customize the flame color for different ambiance settings.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your LEMBERI Fireplace TV Stand.

- **Cleaning:** Use a soft, damp cloth to clean the surfaces. Avoid abrasive cleaners or harsh chemicals, as these can damage the UV highlight gloss finish and engineered wood.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the waterproof surface.
- **Fireplace Maintenance:** Ensure the fireplace vents are clear of obstructions. Refer to the separate fireplace insert manual for specific cleaning and maintenance instructions for the electric heating element.
- **Structural Integrity:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.

PRODUCT DETAILS

TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Missing Package:** If only one of the two packages arrived, please wait one additional day for the second package. If it still hasn't arrived, contact customer support.
- **Fireplace Not Turning On:**
 - Ensure the power cord is securely plugged into a functional electrical outlet.
 - Check if the circuit breaker has tripped.
 - Verify that the power button on the unit or remote is pressed.
- **No Heat Output:**
 - Confirm the heat setting is activated (not just flame effect).
 - Ensure the air vents are not blocked.

- **LED Lights Not Working:**

- Check the power connection for the LED strip.
- Ensure the LED remote (if applicable) has working batteries.
