MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspections:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Cable Management:** Ensure power cords and other cables are routed safely and do not interfere with the desk's movement.

TROUBLESHOOTING

If you encounter issues with your electric standing desk, refer to the following common solutions:

- **Desk Not Moving:**
 - Check if the power cord is securely plugged into both the desk and a working wall outlet.

- Ensure there are no obstructions preventing the desk from moving up or down.

- **Uneven Movement:**

- Perform a reset procedure (refer to the specific instructions in your assembly manual for reset steps, as these can vary by model).
- Ensure the desk is not overloaded beyond its weight capacity.

- **Error Codes on LED Display:**

- Consult the detailed troubleshooting section in your original assembly manual for specific error code interpretations and solutions.

If problems persist after attempting these solutions, please contact HUANUO customer support.
