2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury and damage to the product:

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves. Refer to the specifications for weight limits.
- Keep small parts away from children during assembly to avoid choking hazards.
- Do not stand or sit on the table.
- Avoid placing hot items directly on the surface without protection.
- Use only the provided hardware for assembly.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged,

please contact customer support.

Components List:

- Table Top (A)
- Bottom Shelf (B)
- Side Panels (C) - 4 pieces
- Legs (D) - 4 pieces

Hardware List:

- Screws (M6x30mm)
- Dowel Pins
- Allen Wrench

Note: The exact quantity of each item may vary based on the specific packaging. Refer to the included assembly guide for precise counts.

4. SETUP (ASSEMBLY INSTRUCTIONS)

Assembly is straightforward and typically requires one person. An assembly guide is included with your product. Please follow the steps below carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each component using the provided labels.
2. **Attach Legs to Bottom Shelf:** Insert dowel pins into the designated holes on the bottom shelf (B). Align the legs (D) with the dowel pins and screw holes on the bottom shelf. Secure the legs to the bottom shelf using the appropriate screws and the Allen wrench.
3. **Attach Side Panels:** Connect the side panels (C) to the legs (D) and the bottom shelf (B) using screws. Ensure the decorative strip-shaped side frames are facing outwards as desired.
4. **Attach Table Top:** Place the table top (A) onto the assembled frame, aligning the pre-drilled holes. Secure the table top to the legs and side panels using the remaining screws.
5. **Final Tightening:** Once all parts are assembled, gently tighten all screws to ensure stability. Do not overtighten.

6. MAINTENANCE

To maintain the appearance and longevity of your Treocho end table, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Heat Protection:** Use coasters or placemats under hot items to prevent heat marks.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Stability Check:** Periodically check and tighten all hardware to ensure the table remains stable.

7. TROUBLESHOOTING

If you encounter any issues with your Treocho end table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table is wobbly	Loose screws or uneven floor	Tighten all assembly screws. If the floor is uneven, place a small shim under the affected leg.
Missing parts	Packaging error	Review the package contents list. Contact Treocho customer support for replacement parts.
Surface scratches easily	Normal wear or sharp objects	Use coasters or protective pads for items placed on the surface. Avoid dragging sharp objects across the table.
