

Fastrack VOX Neo

Fastrack VOX Neo Smart Watch Instruction Manual

Model: VOX Neo

INTRODUCTION

Welcome to your new Fastrack VOX Neo Smart Watch. This manual provides essential information to help you set up, operate, and maintain your device. Please read these instructions carefully to ensure optimal performance and longevity of your smart watch.

WHAT'S IN THE BOX

Your Fastrack VOX Neo Smart Watch package includes the following items:

- Fastrack VOX Neo Smart Watch
- Magnetic Charging Cable
- Quick Start Guide
- Warranty Card

SETUP

1. Charging Your Smart Watch

Before first use, fully charge your Fastrack VOX Neo Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and to a standard USB power adapter (not included). A full charge typically takes approximately 1.5 hours and provides an average battery life of up to 5 days, depending on usage.

2. Pairing with the Fastrack Smart World App

To unlock the full potential of your smart watch, download and install the Fastrack Smart World App on your smartphone. The app is compatible with both Android and iOS devices.

1. Download the **Fastrack Smart World App** from your device's app store.
2. Enable Bluetooth on your smartphone.
3. Open the app and follow the on-screen instructions to create an account or log in.
4. Select your Fastrack VOX Neo from the list of available devices to initiate pairing.
5. Confirm the pairing request on both your smartphone and smart watch.

OPERATING YOUR SMART WATCH

Display and Navigation

The Fastrack VOX Neo features a 1.91-inch Curved TFT Display for clear visuals. Navigate through menus and features using the responsive touchscreen or the intuitive rotary crown located on the side of the watch.

Bluetooth Calling (SingleSync™)

With SingleSync™ Bluetooth Calling, you can make and receive calls directly from your wrist. Ensure your watch is paired with your smartphone and Bluetooth is active.

Offline Voice Commands

Control your smart watch hands-free using offline voice commands. Simply say "Hey Fastrack" followed by a command to access various functions without needing an internet connection.

Health Monitoring (24/7 Health Suite)

Your Fastrack VOX Neo continuously monitors key health metrics:

- **Heart Rate Monitor (HRM):** Tracks your heart rate throughout the day.
- **SpO2 Monitoring:** Measures your blood oxygen levels.
- **Sleep Tracking:** Analyzes your sleep patterns and quality.
- **Stress Tracking:** Helps you understand and manage your stress levels.

Productivity Features

Stay organized and entertained with built-in productivity tools and games:

- **To-Do List:** Manage your tasks directly from your wrist.
- **Calendar:** Keep track of your schedule.
- **Calculator:** Perform quick calculations.
- **Games:** Enjoy built-in games like Dice, Tic Tac Toe, and Jigsaw Puzzle.
- **Alarm, Stopwatch, Timer:** Essential time management tools.

Water Resistance

The Fastrack VOX Neo is IP68 water resistant, allowing it to withstand immersion in water up to 1.5 meters. It is suitable for daily use and light water activities, but not recommended for diving or high-pressure water exposure.

MAINTENANCE

Proper care ensures the longevity and performance of your smart watch.

- **Cleaning:** Regularly clean your watch and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then rinse and dry thoroughly.
- **Battery Care:** Avoid extreme temperatures. Do not fully discharge the battery frequently. Charge the watch when the battery level is low.
- **Water Resistance:** While water resistant, avoid exposing the watch to hot water, steam, or chemicals, as these can compromise the seals. Ensure the watch is dry before charging.

TROUBLESHOOTING

If you encounter issues with your Fastrack VOX Neo, try the following steps:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on.
- **Cannot pair with phone:** Check that Bluetooth is enabled on your phone and the watch. Ensure the Fastrack Smart World App is updated to the latest version. Try restarting both your phone and watch.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, about one finger-width above your wrist bone. Clean the sensor on the back of the watch.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not required.
- **Voice commands not responding:** Speak clearly and ensure you are in a quiet environment. Check if the microphone is obstructed.

If problems persist, refer to the Fastrack Smart World App for further assistance or contact customer support.
