4.2 App Installation and Pairing

The Tiksounds P150 Smart Watch is compatible with smartphones running Bluetooth 4.0, Android 7.0, iOS 9.0, or later versions. To connect your watch to your smartphone, follow these steps:

- Download the App:** Scan the QR code below or search for "FitCloudPro" in your smartphone's app store to download and install the application.
- Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
- Pair Device:** Open the "FitCloudPro" app, navigate to the device section, and tap to add a new device. Select "P150" from the list of available devices.
- Confirm Pairing:** The watch will send a Bluetooth request. Confirm the pairing on both your watch and smartphone.
- Enable Notifications:** Within the "FitCloudPro" app settings, enable call and message alerts to receive notifications on your smartwatch.

24/7 Activity Tracking

Track heart rate, blood oxygen, and sleep patterns—combined with steps, distance, and calories. Get a complete picture of your wellness in one view.

6. MAINTENANCE

- **Cleaning:** Regularly clean the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and dry thoroughly.
- **Water Resistance:** The watch is IP68 waterproof, suitable for handwashing, rain, and daily sweating. Avoid hot water, saunas, or diving, as steam and high temperatures can compromise the seal.
- **Charging:** Use only the provided charging cable. Ensure the charging contacts are clean and dry before charging.
- **Storage:** Store the watch in a cool, dry place when not in use. Avoid extreme temperatures.
