SETUP AND ASSEMBLY

This storage cabinet includes detailed instructions and all parts needed for assembly. Numbered parts and a tested assembly process ensure a straightforward setup for any skill level. Please follow the included printed instructions for step-by-step guidance.

OPERATING INSTRUCTIONS

- Drawers:** Gently pull the knobs to open the drawers. Push firmly to close them completely. Avoid overloading to ensure smooth operation of the metal runners.
- Cabinet Doors:** Use the knobs to open and close the two cabinet doors. Ensure they are fully closed to protect contents and maintain appearance.
- Shelves:** Utilize the tabletop, internal cabinet shelf, and bottom shelf for organizing items. Distribute weight evenly to maintain stability.

MAINTENANCE

- Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- Spills:** Clean spills immediately to prevent staining.
- Hardware:** Periodically check and tighten all screws and hardware to ensure the table remains stable.
- Placement:** Avoid placing the table in direct sunlight or near heat sources to prevent warping or discoloration.

TROUBLESHOOTING

If you encounter issues with door alignment, the following video provides guidance on how to adjust the hinges:
