## SETUP AND REDEMPTION

To use your FC Points, you must first redeem the digital code on your Xbox account. An Xbox account is required to download and install the game content.

1. **Ensure you have an active Xbox account:** If you do not have one, please create an account through your Xbox console or the official Xbox website.
2. **Access the Xbox Store:** On your Xbox console, navigate to the Xbox Store. Alternatively, you can redeem the code via the Xbox website on a computer or mobile device.
3. **Select 'Redeem a code':** Within the Xbox Store, locate and select the option to redeem a code. This is typically found in the menu or by searching.
4. **Enter the 25-character code:** Carefully enter the 25-character digital code provided with your purchase. Double-check for accuracy to avoid errors.
5. **Confirm redemption:** Follow the on-screen prompts to confirm the redemption. Once successful, the 5900 FC Points will be added to your EA SPORTS FC 26 game account linked to your Xbox profile.

If EA SPORTS FC 26 is not already installed, you may need to download and install the game before the points become accessible.

## OPERATING AND USING FC POINTS

FC Points can be utilized within EA SPORTS FC 26 to unlock various in-game content and enhance your experience across different game modes.

- **Football Ultimate Team (FUT) Content:** Use FC Points to acquire Packs, which contain player items, club items, and consumables. They can also be used for Stadium customization Items, Evolutions slots, and Draft entries to build and compete with your dream squad.
- **Premium Passes:** Purchase Premium Passes for seasonal content, unlocking additional rewards and challenges.
- **Clubs Content:** Customize your Clubs experience with Cosmetics, Archetype card backgrounds, and Consumables.

## MAINTENANCE

While FC Points are a digital currency, maintaining your game and account ensures a smooth experience.

- **Keep your Xbox software updated:** Regularly update your Xbox console's operating system and EA SPORTS FC 26 game client to ensure optimal performance and access to the latest features and bug fixes.
- **Ensure a stable internet connection:** A reliable internet connection is crucial for game updates, accessing online features, and ensuring FC Points transactions are processed correctly.
- **Account Security:** Protect your Xbox and EA accounts with strong, unique passwords and enable two-factor

authentication where available to prevent unauthorized access.

## TROUBLESHOOTING

If you encounter issues with your FC Points or digital code, consider the following steps:

- **Digital Code Not Working:**
  - Verify the code: Double-check that you have entered the 25-character code correctly, paying attention to similar-looking characters (e.g., '0' and 'O', '1' and 'l').
  - Check regional compatibility: Ensure the code is for the correct region associated with your Xbox account.
  - Internet connection: Confirm your Xbox console or device has a stable internet connection during redemption.
- **FC Points Not Appearing In-Game:**
  - Restart the game: Close and restart EA SPORTS FC 26.
  - Restart your console: Perform a full power cycle of your Xbox console.
  - Check transaction history: Verify the redemption was successful in your Xbox account's transaction history.
  - Allow time: Sometimes, it may take a few minutes for the points to reflect in your game account.
- **Contact Support:** If issues persist after trying the above steps, contact Xbox Support for code redemption problems or Electronic Arts Support for in-game FC Points display issues.
