COTAO Meacode AI Translation Earbuds M8

USER INSTRUCTION MANUAL

Introduction

This manual provides detailed instructions for the setup, operation, and maintenance of your COTAO Meacode AI Translation Earbuds M8. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

Product Overview

The COTAO Meacode AI Translation Earbuds M8 are designed to facilitate seamless communication across language barriers and provide a comfortable audio experience. Key features include real-time translation, noise-canceling audio, offline functionality, extended battery life, and an open-ear design for situational awareness.

Setup

1. Unboxing and Initial Inspection

Upon opening the package, verify that all components are present:

- COTAO Meacode AI Translation Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

Inspect the earbuds and charging case for any visible damage.

2. Charging the Earbuds and Case

1. Place both earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and to a compatible USB power source (e.g., computer, wall adapter).
3. The LED indicator on the charging case will show the charging status. A full charge typically takes approximately 1.5 to 2 hours.
4. The earbuds offer up to 30 hours of battery life with the charging case.

3. Bluetooth Pairing

1. Ensure the earbuds are charged.

2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light.
3. On your smartphone or device, navigate to the Bluetooth settings.
4. Select "COTAO M8" (or similar name) from the list of available devices.
5. Once connected, the LED indicator on the earbuds will stop flashing.

4. App Installation (for Translation Features)

To utilize the AI translation features, download the dedicated Meacode app from your device's app store (iOS App Store or Google Play Store). Follow the in-app instructions for initial setup and language selection.

Operating Instructions

1. Basic Earbud Controls

The earbuds feature touch-sensitive controls for various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

2. Using AI Translation

The Meacode earbuds support real-time translation for 144 languages. This feature requires the Meacode app to be installed and connected.

1. Open the Meacode app on your paired device.
2. Select the desired source and target languages within the app.
3. Choose the translation mode (e.g., conversation mode, interpreter mode).
4. Speak clearly into the earbud's microphone. The translated audio will be played through the earbuds and displayed on the app.

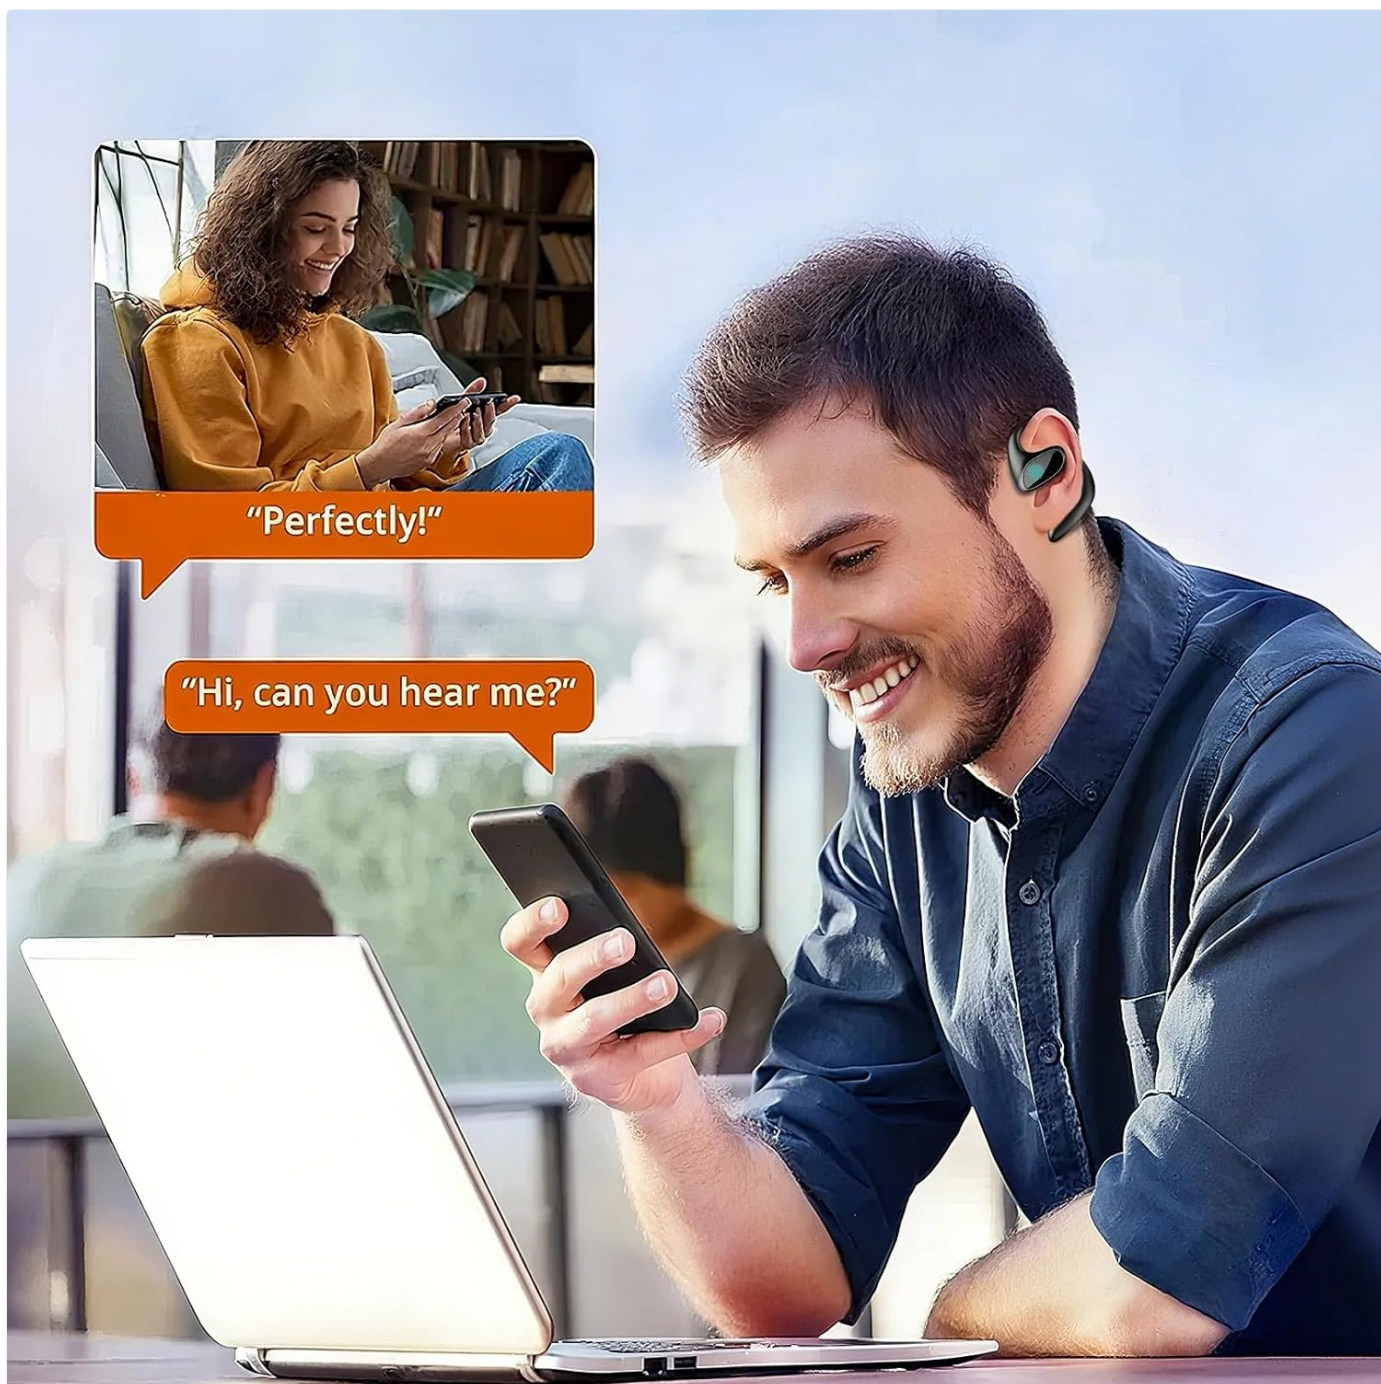

Figure 2: An individual engaging in a phone conversation, with speech bubbles illustrating the real-time translation capability of the earbuds.

Figure 3: Two individuals conversing in a professional setting, with one person utilizing the earbuds for potential language translation assistance.

3. Offline Translation Functionality

The earbuds support offline translation, allowing use without an internet connection. This feature requires pre-downloading language packs through the Meacode app while connected to the internet.

1. In the Meacode app, navigate to the "Offline Languages" section.
2. Download the required language packs.
3. Once downloaded, the earbuds can perform translation for these languages even without an active internet connection.

Figure 4: A woman working on a laptop during a flight, wearing the earbuds, demonstrating their utility in environments without consistent internet access.

4. Open-Ear Listening

The open-ear design allows you to hear your surroundings while enjoying audio or translations. This enhances safety during outdoor activities and reduces ear canal pressure for extended comfort.

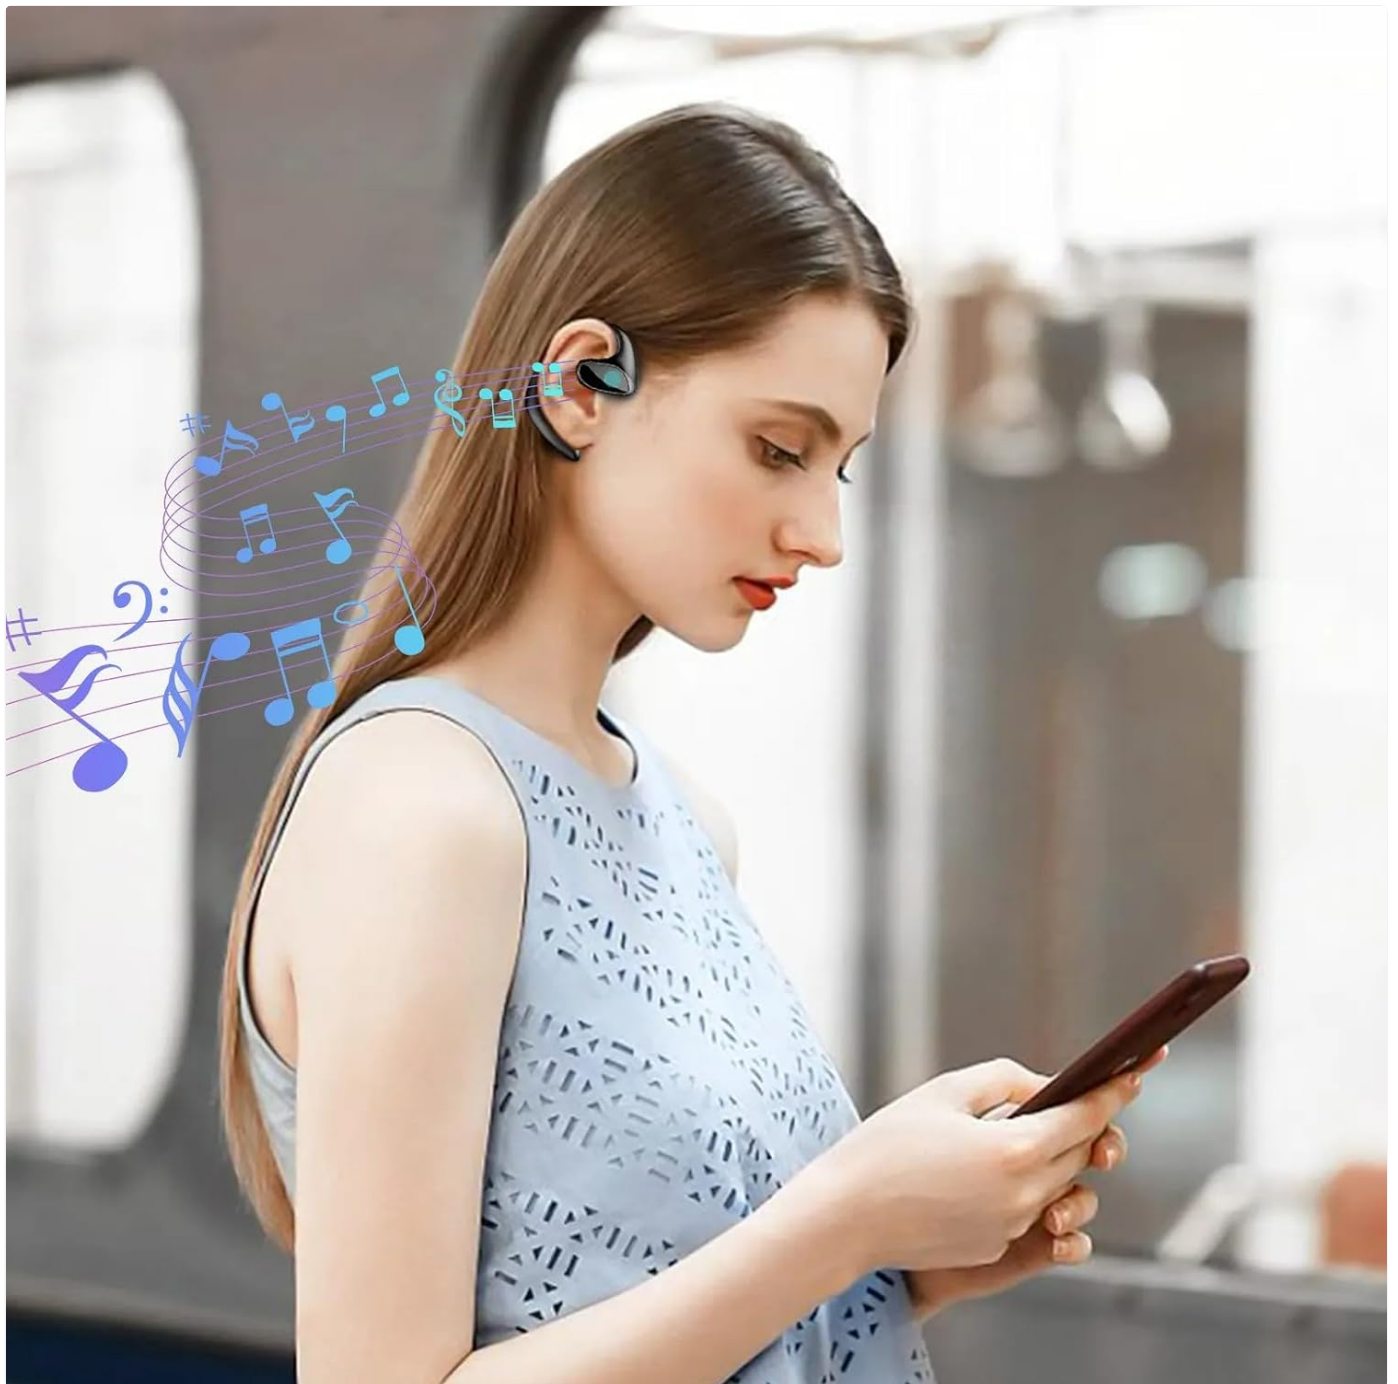

Figure 5: A woman enjoying music through the earbuds, with visual cues indicating sound projection, highlighting the open-ear design.

Figure 6: A group of people outdoors consulting a map, one wearing the earbuds, demonstrating their use in social or travel scenarios where situational awareness is beneficial.

Figure 7: A student in a classroom setting wearing the earbuds, suggesting their use for educational purposes or focused listening while remaining aware of the environment.

Maintenance

1. Cleaning

Regular cleaning helps maintain sound quality and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Avoid getting moisture into any openings.

2. Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage.

- Store in a cool, dry place, away from extreme temperatures.

- Avoid prolonged exposure to direct sunlight.

3. Battery Care

To prolong battery life:

- Charge the earbuds regularly, even if not used frequently.
- Avoid fully depleting the battery before recharging.

Troubleshooting

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then reopen to re-enter pairing mode. Check your device's Bluetooth settings and forget/remove previous connections if necessary.
No sound from earbuds	Check volume levels on both your device and the earbuds. Ensure earbuds are properly connected via Bluetooth. Try restarting your device.
Translation not working	Verify the Meacode app is open and connected. Ensure correct source and target languages are selected. Check internet connection for online translation or confirm offline language packs are downloaded. Speak clearly into the microphone.
Earbuds not charging	Ensure the charging cable is securely connected. Try a different USB port or power adapter. Clean the charging contacts on both the earbuds and the case.

Specifications

- **Model:** M8
- **Brand:** COTAO
- **Connectivity:** Wireless (Bluetooth)
- **Form Factor:** On Ear / Open-Ear
- **Translation Languages:** 144 (with Meacode app)
