### 4.2. Charging Station

The vanity desk includes a built-in charging hub for your electronic devices:

- Locate the charging panel on the side of the desk.
- It provides 2 standard AC outlets, 1 USB port, and 1 Type-C port.
- Plug in your phone, tablet, hair tools, or other compatible devices for convenient charging.

### 4.3. Hair Dryer Holder

A dedicated holder is provided for your hair dryer:

- Place your hair dryer securely in the circular holder located on the side of the desk.
- This keeps your styling tool organized and easily accessible.

## 5. MAINTENANCE & CARE

To ensure the longevity and appearance of your AMERLIFE Fluted Vanity Desk, follow these care instructions:

- **Surface Cleaning:** Wipe the surface regularly with a soft, dry cloth.
- **Avoid Harsh Cleaners:** Do not use alcohol or corrosive cleaners, as these can damage the glass top and wood texture finish.
- **Spill Management:** Promptly clean any spills to prevent staining or damage to the wood.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into the edges.

## 6. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common solutions:

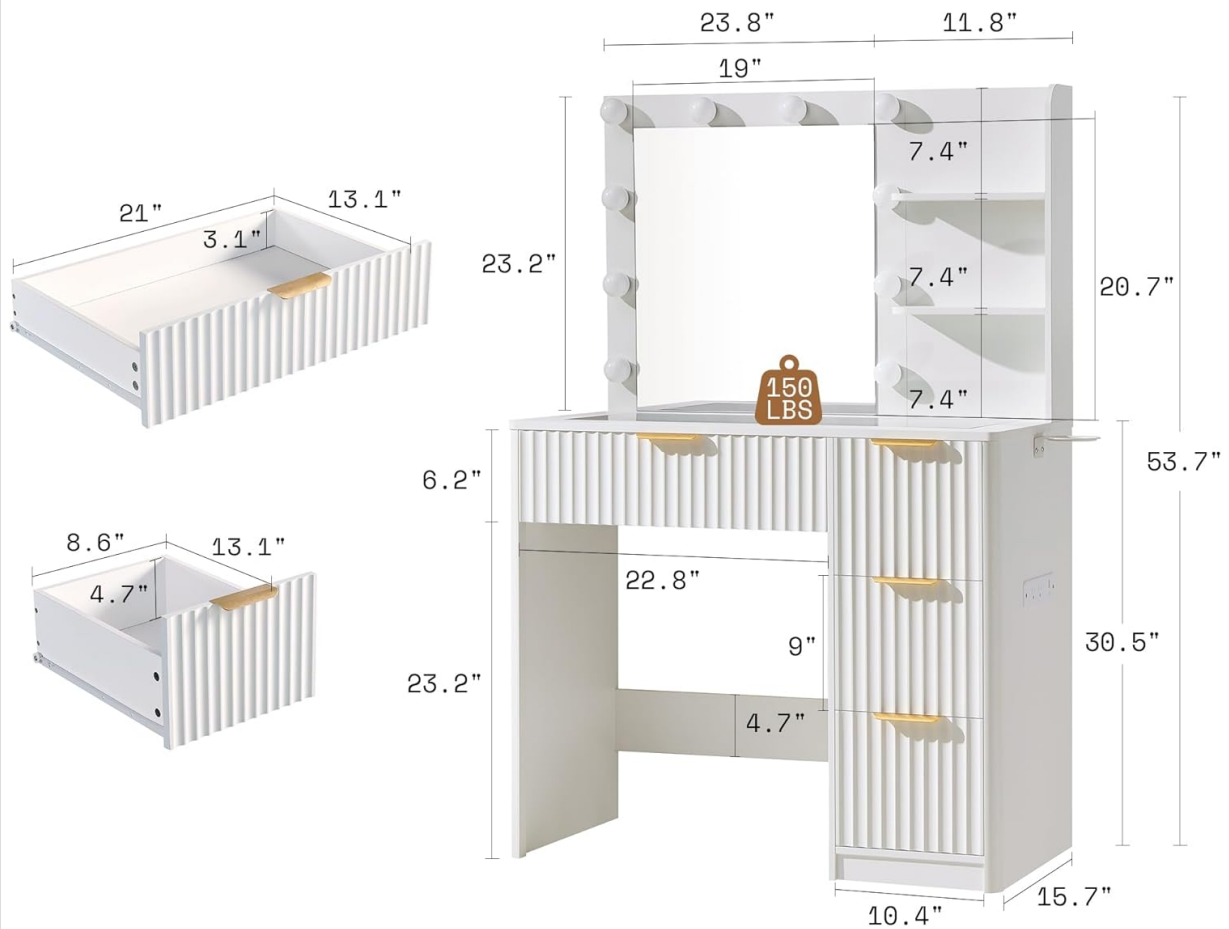

- **Lights Not Working:** Check if the power adapter is securely plugged into both the vanity and a working wall outlet. Ensure the touch button is pressed correctly to activate the lights.
- **Charging Ports Not Functioning:** Verify that the vanity's power cord is properly connected. Test with different devices and cables to rule out device-specific issues.
- **Drawers Sticking:** Ensure the drawer slides are clean and free of debris. Check that the drawers are correctly aligned on their tracks.
- **Stability Issues:** Confirm all assembly screws and fasteners are tightened. Avoid placing excessively heavy items on the desk.

For persistent issues or concerns not addressed above, please contact AMERLIFE customer support.
