YITAHOME MAYIH3y9C

YITAHOME Queen Bed Frame with Storage Headboard and LED Lights

MODEL: MAYIH3y9C

Brand: YITAHOME

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your YITAHOME Queen Bed Frame. This bed frame features a 2-tier storage bookcase headboard, integrated LED lighting, a charging station, and two large storage drawers. Please read all instructions carefully before assembly and use to ensure proper function and longevity of your product.

Safety Information

- Always follow the manufacturer's cleaning instructions provided in this manual.
- Do not exceed the maximum weight capacity of **1102 pounds**. Overloading can cause structural damage and injury.
- Ensure all screws and bolts are securely tightened before initial use and periodically check for tightness to maintain stability.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Do not stand or jump on the bed frame.

Package Contents

Verify that all components are present and undamaged before beginning assembly. Refer to the included parts list in your product packaging for specific quantities and identification.

- Bed Frame Components (Metal Slats, Side Rails, Support Legs)
- Bookcase Headboard (2-tier storage, upholstered section)

- LED Lighting Kit (RGB lights, remote control, APP control module)
- Charging Station (2 AC outlets, 1 USB port, 1 Type-C port)
- Two Storage Drawers (with integrated wheels/glides)
- Assembly Hardware (Screws, bolts, Allen wrench, etc.)

Setup and Assembly

Assembly is required for this bed frame. It is recommended to have two people for assembly. Easy-to-follow instructions are provided in the product packaging. Please ensure you have adequate space and the necessary tools (an Allen wrench is typically included, but a Phillips head screwdriver may be helpful).

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Bed Frame Base:** Connect the side rails and support legs according to the diagrams in your instruction manual. Secure all connections with the provided hardware.
3. **Install Slats:** Place the metal slats onto the frame. Ensure they are evenly spaced and secured to provide proper mattress support. The frame includes soundproofing cotton to reduce noise.
4. **Attach Headboard:** Connect the headboard to the bed frame. Note that the upholstered section of the headboard may require creating pilot holes for screws. Align carefully with any pre-marked outlines. Do not force screws.
5. **Integrate Bookcase and Charging Station:** Install the 2-tier bookcase shelves into the headboard structure. Secure the charging station into its designated slot.
6. **Connect LED Lights:** Follow the specific instructions for connecting the LED light strips and control module. Ensure all connections are secure.
7. **Insert Storage Drawers:** Slide the two large storage drawers into the designated spaces beneath the bed frame.
8. **Final Check:** Ensure all connections are tight and the frame is stable before placing a mattress on it.

QUEEN SIZE

Size: 79.9"x60.6"x50.4"
Recommended Mattress Height: 8-12"
Weight Capacity: 1000lbs

8-12in Mattress
Recommended

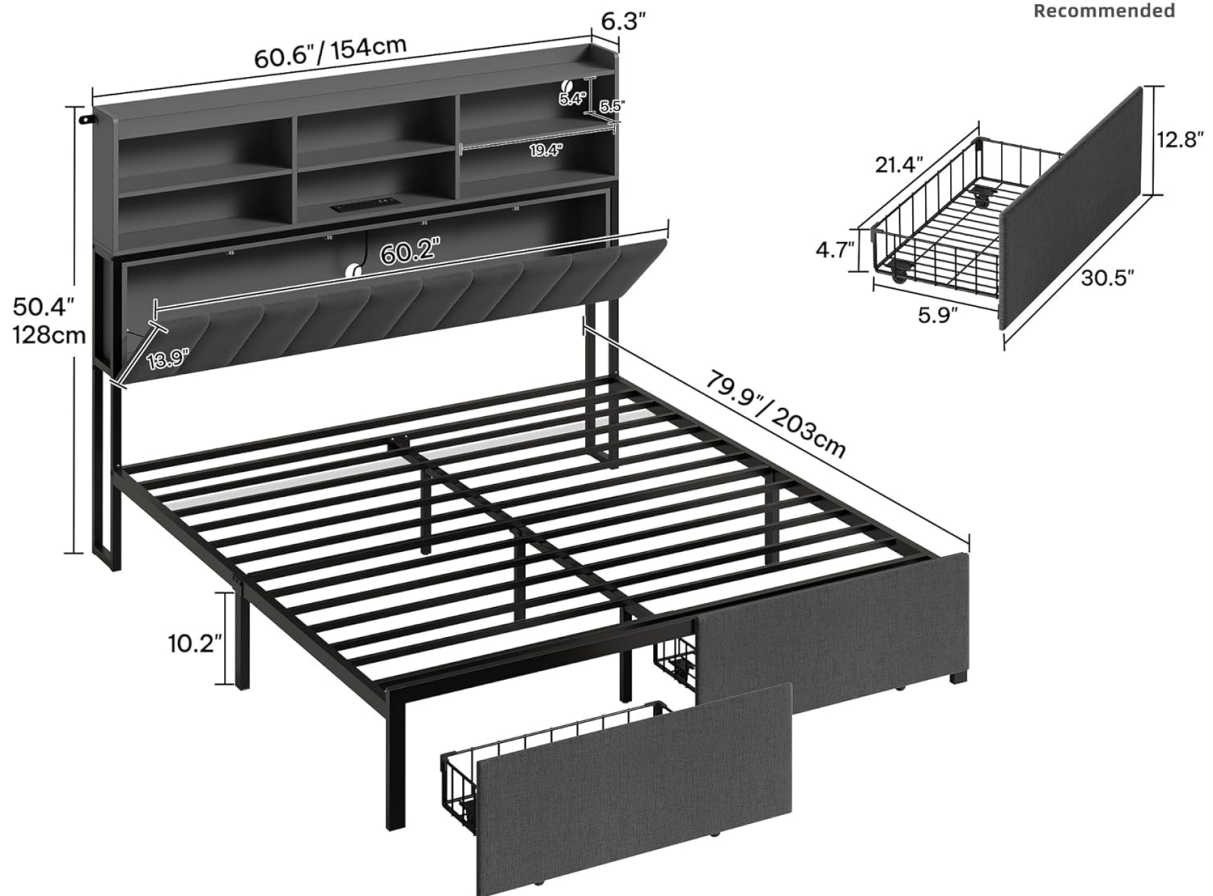

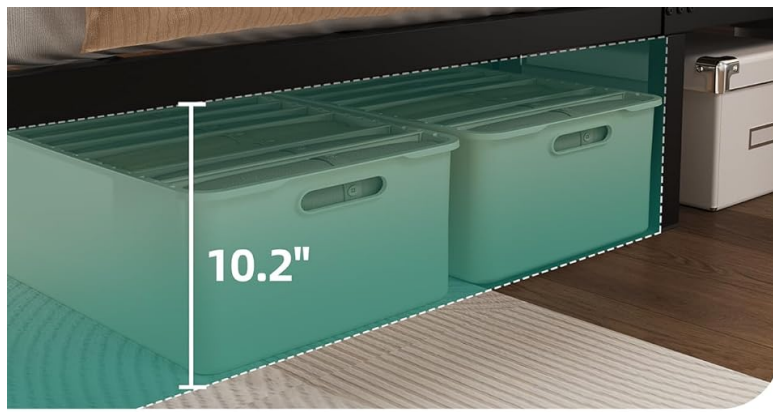

Image Description: An exploded diagram illustrating the dimensions and individual components of the YITAHOME Queen Bed Frame. Key measurements such as headboard height (50.4 inches), bed length (79.9 inches), and width (60.6 inches) are clearly indicated. The diagram also shows the recommended mattress height of 8-12 inches and a weight capacity of 1000 lbs.

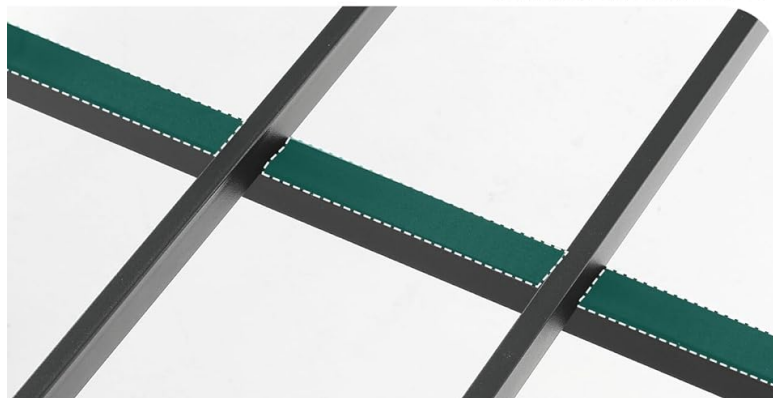

BOTTOM STORAGE

The large bottom storage space can hold various daily essentials

DURABLE LINEN MATERIAL

Comfortable, breathable dust-resistant, and easy to clean

SOUNDPROOFING

Soundproofing cotton is designed to reduce noise

Image Description: A detailed view highlighting the bottom storage area, indicating a clearance of 10.2 inches suitable for storage bins. The image also features a close-up of the durable linen material used on the headboard and the integrated soundproofing cotton within the metal slats, designed to reduce noise.

Operating Instructions

LED Lighting System

The integrated RGB LED lights can be controlled via the included remote control or a dedicated smartphone application. This allows for extensive customization of color, brightness, and timing functions.

- **Power On/Off:** Use the designated button on the remote or within the app interface.
- **Color Selection:** Choose from over 60,000 colors to create your desired ambiance.
- **Brightness Adjustment:** Increase or decrease the light intensity to suit your needs.
- **Timing Function:** Set a timer for the lights to automatically turn off after a specified duration.
- **Music Mode:** The lights can synchronize with music or ambient sounds (refer to the app instructions for detailed setup).

Image Description: An illustration of the YITAHOME bed frame with its LED lights illuminated in blue, demonstrating the remote control and smartphone app interface for controlling various features including over 60,000 colors, brightness adjustment, mic mode, timing function, and music mode.

Charging Station

The headboard includes a built-in charging station for convenient power access for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets for standard electrical devices.
- **USB Port:** One 5V/2A USB-A port for charging compatible devices.
- **Type-C Port:** One 2.5V/2.1A Type-C port for modern devices.
- Ensure the bed frame's main power cord is connected to a functional wall outlet for the charging station to operate.

Image Description: A detailed view of the integrated charging station located on the headboard, clearly showing two standard AC power outlets, one USB-A port, and one USB-C port, along with their respective power ratings.

Storage Drawers

The two large drawers located at the foot of the bed provide additional storage space and are designed to slide in and out smoothly.

- To open, gently pull the drawer outwards from the bed frame.
- To close, push the drawer inwards until it is fully recessed under the bed.
- Avoid overloading the drawers to ensure smooth operation and prevent damage to the glides.

Maintenance

- **Fabric Care:** The upholstered parts of the bed frame are made of linen material. For cleaning, *dry clean only* is recommended. Avoid using harsh liquid cleaners or excessive moisture that may damage the fabric.
- **Frame Cleaning:** Wipe metal and wood surfaces with a soft, slightly damp cloth. Avoid abrasive cleaners or solvents.
- **Regular Checks:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain the bed frame's stability and safety.

- **LED Lights:** If LED lights malfunction, first check all power connections. Do not attempt to repair electrical components yourself; contact customer support for assistance.

Troubleshooting

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose bolts or uneven assembly.	Ensure all bolts and screws are securely tightened. Verify that the frame is assembled on a level surface. The integrated soundproofing cotton should minimize noise from slats.
LED lights are not working.	Power connection issue, remote battery, or faulty LED strip/controller.	Check if the LED power adapter is securely plugged into a working outlet. Ensure the remote control has fresh batteries. Verify all LED strip connections. If the issue persists, contact customer support.
Charging station is not providing power.	Bed frame not plugged into wall outlet, or internal wiring issue.	Confirm the bed frame's main power cord is plugged into a functional wall outlet. Check for any loose connections to the charging station module.
Drawers do not slide smoothly.	Overloaded drawer, obstruction, or misaligned glides.	Reduce the weight in the drawer. Check for any objects obstructing the drawer's path. Ensure the drawer glides are properly aligned and free of debris.
Difficulty assembling headboard.	Pilot holes for screws not clearly defined or misaligned.	Carefully align the upholstered headboard section with the frame. If pilot holes are not clear, use a small, sharp object to gently mark the screw locations before inserting screws. Do not force screws.

Specifications

Feature	Detail
Brand	YITAHOME
Model Number	MAYIH3y9C
Size	Queen
Product Dimensions (L x W x H)	88.07" x 60.43" x 50.67"
Color	Dark Gray
Material	Steel, Wood, Linen Fabric
Special Features	Charging Station, LED Lights, Bookcase Headboard, Storage Drawers, Noise-Free Design
Charging Station Output	2 AC Outlets (125V/12A), 1 USB Port (5V/2A), 1 Type-C Port (2.5V/2.1A)

Feature	Detail
Weight Capacity	1102 lbs
Item Weight	115 pounds
Assembly Required	Yes
Recommended Mattress Height	8-12 inches

Warranty Information

Specific warranty details are not provided in this manual. Please refer to the warranty card included with your product packaging or visit the official YITAHOME website for comprehensive warranty information and registration.
