MAINTENANCE

To ensure the longevity and optimal performance of your Redragon S157-RGB Gaming Combo, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the keyboard and mouse regularly. For stubborn dirt, a slightly damp

cloth can be used, ensuring no liquid enters the devices.

- **Spill Resistance:** The keyboard is designed to be spill-resistant, effectively preventing water droplets from entering at any angle. However, it is not waterproof. Avoid submerging the device in liquids.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Cable Care:** Avoid sharp bends or excessive pulling on the USB cables to prevent damage.
