PACKAGE CONTENTS

Verify that all items are present in your package:

- 1MORE Piston P20 Type-C Wired Earphones
- Ear tips (various sizes)

SETUP

Connecting to Your Device

The 1MORE Piston P20 earphones feature a Type-C connector for direct digital audio transmission. No additional setup or pairing is required.

1. Locate the Type-C port on your smartphone, tablet, or other compatible device.
2. Insert the Type-C connector of the earphones firmly into the device's port.
3. The earphones are ready for use once connected.

Why choose wired?

なぜ、今有線が 選ばれているのか？

ワイヤレスの時代に、有線が支持されている理由。
それは、遅延しない安心感と、音に没入できる確かさ。

Wearing the Earphones

The earphones are designed for a comfortable and secure fit:

- Identify the left (L) and right (R) earpieces. These markings are located on the inner side of each earbud.
- Gently insert each earbud into the corresponding ear canal. The 45° angled nozzle and two-stage angle design are engineered for an ergonomic fit.
- Adjust the earpieces until they feel secure and comfortable. Proper fit helps optimize sound quality and noise isolation.

Features 05

有線で解決できる、 不満があります。

- ・ 充電の手間がない
- ・ 音ズレなし
- ・ 接続トラブルゼロ

MAINTENANCE

Cleaning the Earphones

Regular cleaning helps maintain hygiene and sound quality.

- Gently remove the ear tips from the earbuds.

- Clean the ear tips with a mild soap solution and water, then rinse thoroughly and allow them to dry completely before reattaching.
- Use a soft, dry cloth to wipe the earbud surfaces and cable. Avoid using harsh chemicals or abrasive materials.
- Ensure no moisture enters the earbud nozzles or the Type-C connector.

Cable Care

The earphones feature a tension-reinforced fiber and braided cable cover for durability. To prolong the cable's life:

- Avoid sharp bends or excessive pulling on the cable.
- Store the earphones neatly to prevent tangling.
- Do not expose the cable to extreme temperatures or direct sunlight for extended periods.
