AOXEKBOLO F-C10398

AOXEKBOLO Jesus Cross Flower Building Set

Model: F-C10398

Instruction Manual

INTRODUCTION

This instruction manual provides detailed guidance for assembling and understanding your AOXEKBOLO Jesus Cross Flower Building Set. This collectible building block model combines a cross with various flowers, including kapok flowers, dogwood blossoms, and olive branches, symbolizing faith and hope. It is designed as a profound work of art for display.

SAFETY INFORMATION

Warning: Keep all building block components away from ignition sources to prevent damage or fire hazards.

SETUP AND ASSEMBLY

The Jesus Cross building block set consists of 568 non-toxic ABS building blocks. The estimated assembly time is 2-3 hours. The assembly process is designed to be smooth and comfortable, ensuring parts fit together securely without being fragile or prone to falling off.

The building process offers a focused and relaxing experience. This set features a moderate number of parts and clear, step-by-step instructions to guide you through assembling each petal and branch. This activity is suitable for personal leisure time, parent-child interaction, or as a spiritual aid for believers seeking inner peace and joy through creation.

OPERATING AND DISPLAY

Once assembled, the Jesus Cross Flower Building Set serves as a decorative and meaningful display piece. The set features meticulously designed details, including vibrant floral clusters and winding olive vines entwined around the base. These elements create a complete and story-rich scene, representing a miniature landscape that showcases the blossoming of life amidst suffering, embodying the core meaning of faith.

The finished model has dimensions of approximately 9.0 inches (length) x 7.7 inches (width) x 10.5 inches (height), making it suitable for various display locations.

MAINTENANCE

To maintain the appearance of your building set, gently dust it with a soft, dry cloth as needed. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic components or printed details.

TROUBLESHOOTING

Missing Parts

If you encounter any missing parts during assembly, please refer to the 'Support' section for contact information. Our customer service team is available to assist you with replacement parts.

SPECIFICATIONS

Feature	Detail
---------	--------
