3. DEVICE OVERVIEW

Familiarize yourself with the physical components of your Tablet11.

3.1 Key Components

- **Display:** 11-inch Full HD touchscreen.
- **Front Camera:** Located above the display.
- **Rear Cameras:** Dual camera setup on the back.
- **Power Button:** Typically on the side, used to turn the device on/off or wake/sleep.
- **Volume Buttons:** Adjust audio levels.
- **USB Type-C Port:** For charging and data transfer.
- **SIM/TF Card Slot:** For inserting Nano SIM cards and a TF (microSD) card.
- **Speakers:** Integrated for audio output.

4. SETUP

4.1 Initial Power On

1. Press and hold the Power button until the BEYNIVAN logo appears on the screen.
2. Follow the on-screen prompts to select your language, region, and agree to the terms of service.

4.2 SIM Card and TF Card Installation

The Tablet11 supports dual Nano SIM cards for 4G LTE connectivity and a TF card for expandable storage.

1. Locate the SIM/TF card slot on the side of the tablet.
2. Use the provided SIM ejector tool to open the tray.
3. Carefully place your Nano SIM card(s) and/or TF card into the designated slots on the tray. Ensure correct orientation.
4. Gently push the tray back into the slot until it clicks into place.

4.3 Network Connection

Wi-Fi Connection

1. Go to **Settings > Network & internet > Wi-Fi**.
2. Toggle Wi-Fi on.
3. Select your desired Wi-Fi network from the list.
4. Enter the password if prompted and tap **Connect**.

Mobile Data (4G LTE)

1. Ensure a valid Nano SIM card with an active data plan is installed.
2. Go to **Settings > Network & internet > Mobile network**.
3. Toggle **Mobile data** on.
4. Configure APN settings if required by your carrier.

4.4 Google Account Setup

To access Google services like the Play Store, Gmail, and Google Drive, you will need to sign in with your Google account during the initial setup or later via **Settings > Accounts**.

5. OPERATING THE TABLET

5.1 Basic Navigation

- **Touch Gestures:** Tap, swipe, pinch-to-zoom are standard Android gestures.
- **Home Screen:** Access apps, widgets, and notifications.
- **Notification Panel:** Swipe down from the top of the screen to view notifications and quick settings.

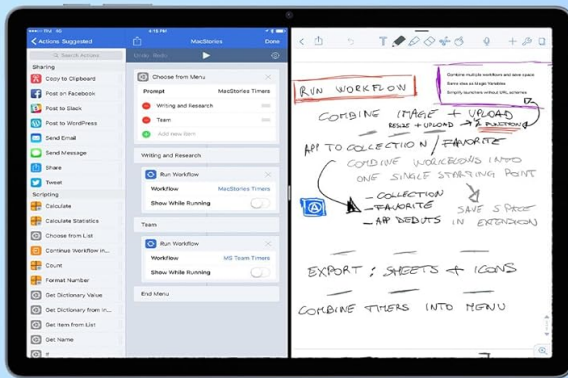

5.2 Android 15 Features

Your Tablet11 runs on Android 15, offering enhanced privacy, security, and intelligent features.

- **Privacy Controls:** Granular permissions management for apps.
- **Gemini AI:** Integrated AI for personalized experiences and smart assistance.
- **Split-Screen:** Use two applications simultaneously by activating split-screen mode.

5.5 Face ID Unlock

Set up Face ID for convenient and secure unlocking.

1. Go to **Settings** > **Security & privacy** > **Face unlock**.
2. Follow the on-screen instructions to register your face.
3. Once set up, simply look at the front camera to unlock your tablet.

5.6 Battery Management

The Tablet11 is equipped with a 9580mAh high-capacity battery.

- **Charging:** Connect the provided Type-C cable and charger to the tablet and a power outlet.
- **Battery Saver:** Activate Battery Saver mode in **Settings** > **Battery** to extend battery life.

5.7 Using Accessories

The included accessories enhance the tablet's functionality.

- **Bluetooth Keyboard & Mouse:** Pair them via Bluetooth settings for a laptop-like experience.
- **Stylus Pen:** Use for precise input, drawing, or note-taking on the touchscreen.
- **Protective Case:** Provides protection and can often double as a stand.

6. MAINTENANCE

6.1 Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid harsh chemicals or abrasive materials.

6.2 Software Updates

Regularly check for and install software updates to ensure optimal performance and security. Go to **Settings > System > System update**.

6.3 Storage Management

Periodically review and manage your tablet's storage. Delete unnecessary files, uninstall unused apps, or move large files to the TF card to free up internal storage. Go to **Settings > Storage**.

7. TROUBLESHOOTING

If you encounter issues with your Tablet11, refer to the following common solutions:

- **Device Not Responding:** Press and hold the Power button for about 10-15 seconds to force a restart.
- **Network Connectivity Issues:** Toggle Wi-Fi or Mobile Data off and on. Restart your router for Wi-Fi issues. Verify SIM card installation and data plan for mobile network issues.
- **Apps Crashing/Freezing:** Clear the app's cache (**Settings > Apps > [App Name] > Storage & cache > Clear cache**). If the issue persists, try uninstalling and reinstalling the app.
- **Battery Draining Quickly:** Reduce screen brightness, close background apps, disable unnecessary connectivity (Bluetooth, GPS), or activate Battery Saver mode.
- **Factory Reset (Last Resort):** If problems persist, you may need to perform a factory reset. This will erase all data on your tablet. Back up important data before proceeding. Go to **Settings > System > Reset options > Erase all data (factory reset)**.
