## MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Yoobure Vanity Desk.

- **Cleaning the Wood Surfaces:** Wipe wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the finish. Dry immediately with a clean cloth.
- **Cleaning the Glass Top and Mirror:** Use a glass cleaner and a lint-free cloth for the glass top and mirror. Spray cleaner onto the cloth, not directly onto the surface, to prevent liquid from seeping into edges.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.
- **Heat Protection:** Do not place hot items directly on the wood or glass surfaces. Use coasters or protective pads.
