1. INTRODUCTION

This instruction manual provides detailed guidance for the installation and operation of your BrickSoul LED RC Light Kit, specifically designed for the Lego 76269 Avengers Tower Building Set. This kit enhances your model with adjustable lighting modes and integrated sound, transforming it into a dynamic display piece. Please note that the Lego model itself is not included with this lighting kit.

2. WHAT'S IN THE BOX

Your BrickSoul LED RC Light Kit package includes the following components:

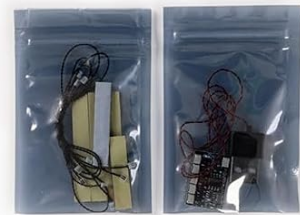

- LED Light Kit components (various lights and connecting wires)
- Remote Control
- Battery Box (AAA batteries not included)
- Tweezers for precise installation
- Instruction Manual (physical guide)

Light Kit Only – Not Model

Package Include:

Light Control Button

Light Kits

Instructions for Use

Tweezers

Battery Box
AAA not included

3. SETUP AND INSTALLATION

The BrickSoul LED kit is designed for a straightforward, beginner-friendly setup. Follow the numbered step-by-step bags and consult the clear video or PDF guides for assistance. Installation typically involves removing a few bricks from your Lego model to integrate the lighting components. No specialized skills are required.

Power the kit using a USB connection or AAA batteries (not included). Ensure the power input is within the safe 3-5V range. The durable ABS plastic and copper wire components are designed to integrate without damaging or loosening your model.

4. OPERATING INSTRUCTIONS

This upgraded kit features a remote control for convenient operation. The remote allows you to:

- Turn lights on and off.
- Switch between multiple flash modes.
- Adjust brightness with precision.
- Activate a music mode for an immersive experience.

The remote control offers ease of use and high responsiveness, making it ideal for any display setting without the need to manually unplug lights.

6. MAINTENANCE

To ensure the longevity and optimal performance of your BrickSoul LED RC Light Kit, follow these general maintenance guidelines:

- **Cleaning:** Gently dust the LED components and wires with a soft, dry cloth. Avoid using liquid cleaners directly on the lights or electrical connections.
- **Storage:** If disassembling the kit for storage, carefully disconnect all wires and store components in a dry, cool place away from direct sunlight.
- **Handling:** Always handle the wires and LED components with care to prevent bending or breaking.

7. TROUBLESHOOTING

If you encounter any issues with your BrickSoul LED RC Light Kit, please refer to the following common troubleshooting steps:

- **Lights Not Turning On:**
 - Check if the power source (USB or AAA batteries) is correctly connected and functional.
 - Ensure all wire connectors are securely plugged in.
 - Verify that the remote control batteries are not depleted.
- **Lights Flickering:**
 - Inspect wire connections for any loose contacts.
 - Ensure the power supply is stable.
- **Remote Control Not Responding:**
 - Replace the remote control batteries.
 - Ensure there are no obstructions between the remote and the receiver.

For further assistance, please contact BrickSoul customer support.

8. PRODUCT SPECIFICATIONS

Attribute	Detail
Product Dimensions	6.36 x 4.32 x 1.33 inches
Item Weight	4.8 ounces
ASIN	B0FPR3L8RV
Item Model Number	76269-rc-sound
Manufacturer Recommended Age	14 years and up
Manufacturer	BrickSoul
Power Input	3-5V (USB or AAA batteries)

9. WARRANTY AND SUPPORT

BrickSoul offers a worry-free warranty. If you experience issues such as a bent connector or broken wire due to accidental damage, we provide quick and hassle-free replacements to ensure your build remains on track.
