Unineo 25IN-36-20W

Unineo 3-Side Fireplace TV Stand (Model 25IN-36-20W) Instruction Manual

Brand: **Unineo** | Model: **25IN-36-20W**

1. Important Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Keep fireplace and electrical components away from flammable materials.
- Avoid overloading shelves.
- Keep children and pets away from the fireplace area.
- Ensure the product is placed on a stable, level surface.
- Do not block the air vents of the electric fireplace.
- Always unplug the fireplace before cleaning or performing maintenance.

2. Product Overview

The Unineo 3-Side Fireplace TV Stand, Model 25IN-36-20W, is a versatile entertainment center designed to accommodate TVs up to 80 inches. It integrates a 36-inch electric fireplace with realistic flame effects, adjustable LED lighting, and ample storage solutions.

Key Features:

- **Integrated Electric Fireplace:** Features a 36-inch, 3-side glass design with realistic flame effects and a log ember bed. Offers 12 flame color modes and 13 ember color modes, with adjustable brightness and speed. Includes a 1500W quartz heater capable of providing supplementary heat for areas up to 1000 sq. ft., with thermostat and timer functions. Can operate without heat for year-round ambiance.
- **LED Spot Lighting:** Cabinet sections include interior LED lighting with 13 color options, independently adjustable to match the fireplace or room atmosphere.
- **Remote Control:** A single remote controls both the fireplace functions and the cabinet LED spot lights for

convenient operation.

- **Ample Storage:** A spacious 70" x 17" tabletop supports TVs up to 80 inches and up to 150 lbs. Features a 35.2" x 6.3" open soundbar shelf, two large drawers, and four adjustable shelves behind clear glass cabinet doors for organized storage.
- **Durable Construction:** Constructed from engineered wood, designed for stability and longevity.

3. Setup and Assembly

Assembly of the Unineo 3-Side Fireplace TV Stand is required. The product comes with step-by-step instructions, and each part is independently labeled to facilitate the process. It is recommended to have two people for assembly due to the size and weight of the components.

- Unpack all components and verify against the parts list provided in the separate assembly guide.
- Follow the detailed assembly instructions carefully, ensuring all fasteners are securely tightened.
- Note that the fireplace insert and the cabinet may be shipped in two separate packages and might not arrive simultaneously.
- Place the assembled TV stand on a flat, stable surface, ensuring adequate clearance around the electric fireplace for proper ventilation.

4. Operating Instructions

The Unineo 3-Side Fireplace TV Stand features an electric fireplace and integrated LED spot lights, both controllable via the included remote control or the control panel on the fireplace unit.

4.1 Electric Fireplace Operation

The 36-inch electric fireplace offers various settings for flame appearance and heating.

- **Power On/Off:** Press the power button on the remote or control panel to turn the fireplace on or off.
- **Flame Colors:** Cycle through 12 flame color modes using the dedicated flame color button.
- **Ember Bed Colors:** Cycle through 13 ember bed color modes using the dedicated ember color button.
- **Flame Brightness & Speed:** Adjust the intensity and speed of the flame effects to your preference.
- **Heater Function:**
  - Activate the 1500W heater for supplementary warmth.

- Set the desired temperature between 60°F and 99°F using the thermostat controls.
- Utilize the timer function to set automatic shut-off from 0.5 to 12 hours.
- The heater can be operated independently of the flame effects, allowing for ambiance without heat.

- **Safety Features:** The fireplace includes overheat protection and a child lock for safe operation. It is CSA certified.

Figure 4.2: Overview of the electric fireplace's features, including 12 flame colors, 13 ember colors, 1500W heater, overheat protection, child lock, and CSA certification.

4.2 LED Spot Light Operation

The integrated LED spot lights in the cabinet sections can be adjusted independently from the fireplace.

- **Power On/Off:** Use the dedicated LED light button on the remote control to turn the lights on or off.
- **Color Selection:** Cycle through 13 available LED colors to create your desired ambiance.
- **Independent Control:** The LED lights can be adjusted separately from the fireplace settings.

5. Maintenance

Regular maintenance ensures the longevity and optimal performance of your Unineo 3-Side Fireplace TV Stand.

- **Cleaning:**
  - Always unplug the unit before cleaning.
  - Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or solvents that may damage the finish.
  - For glass surfaces, use a glass cleaner and a soft cloth.
- **Dust Removal:** Periodically dust the air vents of the electric fireplace to ensure proper airflow and prevent overheating.

- **Component Check:** Regularly inspect all connections and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Electrical Cord:** Check the power cord for any signs of damage. Do not use the unit if the cord is damaged.

6. Troubleshooting

If you encounter issues with your Unineo 3-Side Fireplace TV Stand, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power cord not fully plugged in, circuit breaker tripped, unit is off.	Ensure the unit is plugged into a working outlet. Check the circuit breaker. Press the power button on the unit or remote.
Heater not producing heat.	Heater function not activated, thermostat set too low, overheat protection activated.	Activate the heater function. Increase the thermostat setting. Unplug the unit for 15 minutes to reset overheat protection.
Remote control not working.	Dead batteries, obstruction, remote out of range.	Replace batteries. Remove any obstructions between the remote and the unit. Ensure you are within effective range.
LED cabinet lights not working.	Lights turned off, loose connection.	Ensure LED lights are turned on via the remote. Check for any loose wiring connections if accessible.

If the problem persists after attempting these solutions, please contact Unineo customer support for further assistance.
