- 2 x Upholstered Benches
- Assembly Hardware Kit (screws, bolts, Allen wrench)
- Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly is required for this dining table set. Please follow these steps carefully.

### Before You Begin:

- Clear a spacious area for assembly.
- Lay out all components and hardware on a soft, clean surface to prevent scratches.
- Ensure you have a Phillips head screwdriver (not included) in addition to the provided Allen wrench.

### Step-by-Step Assembly:

1. **Assemble the Table Frame:** Attach the table legs to the main support beams using the provided bolts and Allen wrench. Ensure all connections are secure but do not overtighten initially.
2. **Attach Tabletop Sections:** Carefully place the tabletop sections onto the assembled frame. Secure them with screws, ensuring proper alignment for the extension mechanism.
3. **Assemble Bench Frames:** For each bench, attach the legs to the H-shaped base using the provided hardware.
4. **Attach Bench Seats:** Place the upholstered bench seats onto the assembled bench frames and secure them with screws.
5. **Final Tightening:** Once all components are loosely assembled, go back and tighten all screws and bolts securely. Do not overtighten to avoid stripping.

## 5. OPERATING INSTRUCTIONS

This section details how to extend and retract your dining table.

### Extending the Dining Table:

1. Ensure there is enough clear space around the table for extension.
2. Gently pull the two main tabletop sections apart. The integrated sliding mechanism will allow them to separate smoothly.
3. Insert the extension leaf (if separate, or unfold the integrated leaf) into the gap created.
4. Push the tabletop sections back together until they meet the extension leaf and lock into place.

### Retracting the Dining Table:

1. Pull the tabletop sections apart to disengage the locking mechanism and remove the extension leaf (if

separate).

2. Gently push the two main tabletop sections back together until they are fully closed and locked.
3. The benches can be tucked underneath the table for compact storage.

## 6. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your dining set.

### Tabletop Care (Engineered Wood):

- Wipe spills immediately with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

- Use placemats or coasters to protect the surface from heat, moisture, and scratches.
- Keep the table away from direct sunlight and heat sources to prevent warping or fading.

**Bench Upholstery Care:**

- Spot clean with a mild detergent and a damp cloth. Test in an inconspicuous area first.
- Do not saturate the fabric.
- Vacuum regularly to remove dust and debris.
- Avoid direct sunlight to prevent fading.

**Frame Care (Metal):**

- Wipe the metal frame with a soft, dry cloth to remove dust.
- For stubborn marks, use a slightly damp cloth and dry thoroughly.
- Avoid abrasive cleaners that could scratch or damage the finish.

**7. TROUBLESHOOTING**

---

Refer to this section for solutions to common issues.

**Table or Benches Feel Unstable:**

- Ensure all bolts and screws are tightened securely. Do not overtighten.
- Check that the table and benches are on a level surface. Adjust floor glides if present.
- Verify that all parts are assembled correctly according to the instructions.

**Table Extension Mechanism is Stiff:**

- Ensure the tracks are clean and free of debris.
- Apply a small amount of silicone-based lubricant to the sliding mechanism if necessary. Avoid oil-based lubricants.

**Minor Scratches or Nicks on Tabletop:**

- For minor surface scratches, a furniture repair marker or wax stick matching the wood tone can be used.
- Always test repair products in an inconspicuous area first.
