Jocoevol Round Folding Dining Table for 4 Instruction Manual

Model: Folding Dining Table for 4

INTRODUCTION

Thank you for choosing the Jocoevol Round Folding Dining Table. This versatile table is designed to maximize space efficiency in modern homes, offering multiple configurations for dining, work, or storage. Please read this manual carefully before assembly and use to ensure safe and proper operation.

This table features a space-saving design, a 3-in-1 multi-position folding mechanism, integrated storage with a drawer and two-tier shelving, and a waterproof, stain-resistant tabletop. It is equipped with 6 wheels for easy mobility, with lockable features for stability.

SAFETY INFORMATION

Important Safety Instructions:

- Always follow assembly instructions carefully.
- Do not exceed the maximum weight limit of **150 lbs (68 kg)** on the tabletop.
- Ensure the table is properly secured and stable before use.
- Keep fingers and other body parts away from moving parts, especially during folding and unfolding, to prevent injury.
- Lock the wheels when the table is in its desired position to prevent accidental movement.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included assembly guide for detailed step-by-step instructions. Two people are recommended for assembly.

Tools Required:

- Allen Key (usually included)
- Screwdriver (Phillips head recommended)

Assembly Steps Overview:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify against the parts list in your assembly guide.
2. **Attach Wheels:** Secure the 6 wheels to the base of the table's central storage unit. Ensure all wheels are firmly attached.
3. **Assemble Storage Unit:** Construct the central storage unit, including the drawer slides and shelf supports, according to the provided diagrams.
4. **Install Drawer:** Insert the storage drawer into its designated slot in the central unit.
5. **Attach Drop Leaves:** Connect the two drop-leaf tabletop sections to the central unit using the provided hinges and hardware. Ensure the folding brackets are correctly installed to allow smooth operation.
6. **Final Check:** Once assembled, gently test the folding mechanism and ensure all screws are tightened. Lock the wheels for stability.

OPERATING INSTRUCTIONS

The Jocoevol Folding Dining Table offers three primary configurations to suit your needs:

1. Fully Extended Dining Table

- To extend, gently lift both drop leaves until they are horizontal.
- Engage the support brackets underneath each leaf to secure them in place. Ensure the brackets click into position for stability.
- Lock the wheels to prevent movement during use.
- This configuration provides a spacious round tabletop suitable for 4 people.

Folding Dining Table

Perfect for Apartments and Small Spaces, This Table Easily Folds to Compact Size for Storage or Extends to Seat 4 People

Figure 3: Multi-Position Functionality. This image displays the table in its three versatile states: fully open for dining, completely folded into a compact cabinet for storage, and half-folded to serve as a functional desk or kitchen prep area.

2. Half-Folded Desk or Kitchen Prep Station

- To achieve this configuration, lift one drop leaf and secure it with its support bracket.
- Leave the other drop leaf folded down.
- Lock the wheels for stability.
- This setup is ideal for a compact workspace or an extended kitchen countertop.

Figure 4: Half-Folded Configuration as a Desk. This image shows the table with one leaf extended, serving as a functional desk or workstation, complete with a laptop and books, demonstrating its adaptability for various uses.

3. Fully Folded Console Table / Storage Unit

- To fold completely, disengage the support brackets for both drop leaves and gently lower them.
- Ensure both leaves are flush against the central storage unit.
- The table transforms into a compact console table, perfect for hallways or against a wall, maximizing floor space.
- The integrated drawer and two-tier shelves provide convenient storage for various items.

Space Saving Design

Using the Storage Drawer and Shelves:

- The smooth-glide drawer is suitable for utensils, placemats, or small office supplies.
- The two-tier interior shelves, protected by metal guard rails, are ideal for dishes, small appliances, or everyday items.
- The cabinet doors conceal clutter for a tidy appearance.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Jocoevol Folding Dining Table.

- **Cleaning:** The melamine-coated surface is waterproof and stain-resistant. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and dry thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust the table with a soft, dry cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary to maintain stability.
- **Mobility:** Keep the wheels clean and free of debris to ensure smooth movement. Lubricate if necessary.
- **Avoid Extreme Conditions:** Do not place the table in direct sunlight for prolonged periods or near heat sources, as

this may cause warping or discoloration. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

If you encounter any issues with your Jocoevol Folding Dining Table, refer to the following common solutions:

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Loose fasteners; uneven floor; wheels not locked.	Check and tighten all screws and bolts. Ensure the table is on a level surface. Lock all 6 wheels.
Drop leaves do not fold/unfold smoothly or stay in place.	Hinges or support brackets are misaligned or damaged; debris in mechanism.	Inspect hinges and brackets for proper alignment. Clear any obstructions. Ensure brackets are fully engaged when extended.
Drawer sticks or does not slide easily.	Drawer slides are misaligned or dirty; drawer overloaded.	Check drawer slides for proper installation and alignment. Clean slides if necessary. Reduce weight in the drawer.
Wheels do not roll freely.	Debris caught in wheels; wheels are locked.	Clear any hair or debris from the wheel casters. Ensure the wheel locks are disengaged.
